The main navigation bar includes links for Home, Rental Listing, Rent Increases, Voucher/Payment Standards, Resident Services, Fair Housing, Find Answers/FAQs, and Contact Us. A large banner image features a family of three with the text "Care & Intero NEW HEIGHTS IN APARTMENT LIVING". Below the banner are three main service buttons: "APPLICANT LOGIN" (with a camera icon), "RESIDENT LOGIN" (with a coffee cup icon), and "LANDLORD LOGIN" (with a location pin icon). Each button includes a sub-link to access the respective account. A grid of service tiles is displayed below, including Payments, Maintenance Request, Certifications, Basic Information, Family Information, Waiting List Status, Verifications, Documents, Register With Another Code, Save My Spot, Apply to Waiting Lists, and Report a Change (which is circled in red). On the right side, there are sections for "QUICK LINKS" with a dropdown menu for "I want to:" and a "Go" button, and "UPCOMING EVENTS" listing two remote resident townhall meetings for April and June 2020.
