Oakland Housing Authority's Background Information:

The Oakland Housing Authority was established on April 28, 1938 to provide low-income residents of the City of Oakland with access to affordable housing. Currently, the Authority provides Public Housing units at multiple sites within the city limits for large developments, mixed-finance partnerships, and scattered sites.

The Authority has created a number of non-profit affordable housing affiliates to develop and operate affordable housing. The Authority is engaged in affordable housing development with a number of active sites in development.

Development activities are carried out directly and through a variety of affiliates and partnerships.

Oakland Housing Authority is federally funded and regulated primarily under the U.S. Housing Act of 1937 as amended. The majority of our funding is governed by HUD regulations. The Authority was selected to be a "Moving to Work" housing authority by the US Department of Housing and Urban Development and enter into an MTW agreement in 2004. The agreement has since been amended extending the MTW agreement to June 30, 2028.

The Authority is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Oakland, with the approval of the Oakland City Council. The Executive Director, who reports to the Board of Commissioners, has a budgeted staff of approximately 371 employees in four major divisions: The Office of the Executive Director, including the Departments of Human Resources and Police Services, the Office of Real Estate Development, the Office of Finance and Program Administration, and the Office of Property Operations.

The Authority's employees are housed at seven separate facilities, all located within the City of Oakland: 1619 Harrison Street, 1801 Harrison Street, 1805 Harrison Street, 1540 Webster Street, 1180 25th Avenue, 935 Union Street, and 1327 65th Avenue.

2. SCOPE OF WORK

Description of Services:

The Authority is seeking a qualified provider of Relocation Consulting Services to assist in the development and implementation of a Relocation Plan to temporarily relocate senior residents of Oak Groves North (OGN) and Oak Groves South (OGS). The tenants must be temporarily relocated in order to facilitate the phased rehabilitation of two senior housing developments in downtown Oakland.

The Relocation Consultant will contract with the Authority and work with it, property management staff, and representatives from the OGN and OGS resident communities to develop the Relocation Plan. The Plan must conform to all applicable local, state and federal regulations and provide for the rights, benefits and processes associated with the temporary relocation. The Plan will be approved by the Authority Board of Commissioners and will be used to guide the specific relocation that will be implemented to facilitate rehabilitation.

Although this RFP is for Oak Groves North and Oak Groves South relocation activities, the Authority may request that the consultant also work with the Authority on other projects as the need arises. Therefore, the Authority intends to enter into a three (3) year agreement with the selected consultant with the option to renew for two (2) additional one year options.

Background:

OGN and OGS are two separate senior housing developments located in downtown Oakland. OGN is at 620 17th Street and houses 77 units. It was completed in 1980 and the gross building area is approximately 68,500 square feet. OGS is at 570 16th Street and has 75 units in approximately 61,450 square feet. It was completed in 1982. The construction of both buildings is very similar, i.e., partial Type 1 Podium Ground Floor Parking with 4-stories of Type V-1hr wood-framed construction adjacent and above. The wood-framed portion of the buildings is 100% clad in cement plaster. The majority of the units are 1-bedroom units with eight 2-bedroom units in OGN and nine 2-bedroom units in OGS. Common facilities include a manager's office in OGN and community rooms, laundry rooms and parking garages in both facilities. All units have exterior balconies or on-grade patios. Both buildings are owned by the Housing Authority and are managed by the John Stewart Company.

The rehabilitation work may include, but will not be limited to:

- General and Site Improvements;
- Building Systems;
- Building Exteriors;
- Common Facilities; and
- Apartment Interiors.

The rehabilitation work is anticipated to take place over a 24-month period. Relocation will take place immediately preceding and through the construction period for this project. The duration and timing of each household's relocation will vary depending, in part, on the extent of the work necessary within their particular unit and the construction schedule. Although precise phasing plans have not been finalized, the timing for each phase will depend, in part, on the availability of units, both on-site and off-site, for the relocation of the existing households.

Consultant Scope of Work:

The Relocation Consultant's scope of work is to consult with the Authority to help create an organized and transparent process for the development and implementation of the Relocation Plan that appropriately engages its stakeholders. The Relocation Consultant should plan on being able to arrange for verbal and written language services for residents whose primary language is not English. Residents at OGN and OGS speak Cantonese (but can read Simple Chinese), Mandarin (but can read Simple Chinese), Vietnamese, and Tagalog. ADA-compliant services may be needed for any visually-, hearing-, or speech-impaired residents.

The targeted timeline for the creation of the Relocation Plan is to begin as soon as the Relocation Consultant is selected. The target date for the completion of the Relocation Plan is June 2017. The Relocation Consultant will meet with each household for assessment, to develop the relocation budgets for each phase and plan and implement the actual moves for each construction phase.

The Relocation Consultant will plan, coordinate, and implement the relocation of all residents at OGN and OGS, respectively. The relocation process will take place in multiple phases immediately preceding and throughout the construction period of this project, currently projected to occur between August 2017 and August 2019. During this time, households whose units are under construction will relocate to either; a vacant unit of a similar size at OGN or OGS; a hotel room with in-unit kitchenette amenities; or receive a relocation stipend and stay with a friend or family member. The duration of each household's relocation will vary depending on the work necessary within their unit.

The Relocation Consultant will be responsible for providing all tools, transportation, and materials used in performing the tasks under this contract. As noted above, all relocation work must comply with all applicable local, state and federal relocation regulations. The selected firm will be expected to work closely with the Authority to create and execute the Relocation Plan.

The Relocation Consultant will:

1. Develop, implement, and oversee the administrative structure, framework, and processes for the relocation program, including the following aspects:
 - Develop a comprehensive master relocation plan and schedule including detailed relocation policies, procedures, guidelines and budget for the relocation of residents at OGN and OGS, as needed, to facilitate the rehabilitation process;
 - Develop program procedures and processes to address the logistics of the relocation, including, if necessary, the provision of storage facilities for resident furniture and bulky belongings;
 - Develop procedures to ensure accurate and appropriate tracking of residents, including a detailed, comprehensive "From-To" matrix;
 - Develop the tools and strategies necessary to communicate the relocation plan to the residents in appropriate languages;
 - Coordinate documentation of all relocation activities;
 - Propose a method of billing/invoicing for hotels, storage, daily living assistance, etc.;
 - Participate in meeting with the residents, as necessary.

2. Bid preparation and execution of contracts:

- Develop and issue a formal Request for Proposal (RFP) to potential movers;
- Work with the Authority to ensure the RFP meets applicable restrictions and requirements;
- Review vendor submissions and provide recommendation to the development team based on analysis of costs, warranties, time frame, conformance to the Authority's insurance requirements, etc.;
- Manage all facets of the relocation process during and after the rehabilitation;
- Perform the integration of the mover with the project team, including the review and coordination of schedules;
- Supervise the packing, labeling, and inventory process to ensure that contents are handled appropriately;
- Monitor the mover to ensure all contractual requirements are met;
- Work directly with residents to coordinate the implementation of the relocation plan and ensure smooth, timely transitions;
- Identify any special needs of the tenants, assist with reasonable accommodation to facilitate the relocation process and provide transportation for any residents with mobility challenges to temporary units.

If your firm believes that there are any items missing from this Scope of Work that are needed, please add them as optional items to your proposal.

3. **PROPOSAL SUBMISSION REQUIREMENTS**

All proposals submitted in response to this RFP must be addressed to the Oakland Housing Authority and formatted in accordance with the "Proposal Format" as described in the section below. The Authority will not provide any reimbursement for the cost of developing, presenting or providing a response to this RFP.

The Oakland Housing Authority reserves the right to reject any proposals deemed by the Oakland Housing Authority not minimally responsive and to waive any minor informality the Oakland Housing Authority deems as such. (The Oakland Housing Authority will notify such firms in writing of any such rejection).

As indicated in this document, the designated CCGS staff is the only person at the Oakland Housing Authority that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. Evaluation

CCGS will evaluate and award points pertaining to the Proposed Cost; which shall be weighted and based on the "Best Value" proposal. For the first stage of the evaluation, the appointed evaluation committee, independent of CCGS, shall evaluate the most reasonable, responsive proposals submitted and award points pertaining to Evaluation Criteria other than costs.

Proposals with a minimum of 70 points may be evaluated a second time, and may be invited to give a presentation (The Oakland Housing Authority reserves the right not to conduct interviews) if a second stage is conducted. The evaluation will be based on the presentation and supplemental information submitted. Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CCGS Contracting Officer (CO).

D. Potential "Competitive Range" and "Best and Finals" Negotiations

The Oakland Housing Authority reserves the right to conduct "Best and Finals" Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. If the evaluation was performed to the satisfaction of the Chief Executive Officer, the final ranking may be forwarded to the Oakland Housing Authority's Board of Commissioners at a scheduled meeting for approval. Contract negotiations may, at the Oakland Housing Authority's option, be conducted prior to or after the board approval.

Upon completion of the evaluation and internal approval processes (even if the contract has not yet been awarded or board approval is

- The selected vendor will receive a Purchase Order and/or a Contract. For contract amounts above \$50,000, Board approval must be obtained. Therefore, there may be a period of time between the bid due date and issuance of the Purchase Order. Work may NOT commence without a Purchase Order.

Contract Terms and Conditions:

The following provisions are considered mandatory conditions of any contract award made by the Oakland Housing Authority pursuant to this RFP:

The Contractor must also comply with all Authority requirements as applicable based on contract size which will be incorporated into any contracts awarded.

The Oakland Housing Authority will not execute a contract solely on the successful bidder's form--contracts will only be executed on the required Oakland Housing Authority and/or HUD documents; and by submitting a bid, the successful bidder agrees to do so (please note that the Oakland Housing Authority reserves the right to amend the form(s) as the Oakland Housing Authority deems necessary). However, the Oakland Housing Authority will during the RFP process (prior to the submittal deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request for the Housing Authority to do so; but the failure of the Housing Authority to include such clauses does not give the successful bidder the right to refuse to execute the Housing Authority's contract form. It is the responsibility of each prospective bidder to notify the Oakland Housing Authority, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Oakland Housing Authority will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide by the Oakland Housing Authority's response (decision), then that prospective bidder shall be deemed ineligible to submit a bid.

Please note that the Housing Authority has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

The contractor shall remedy, at the contractor's expense, any failure to conform, or any defect of equipment or workmanship furnished by the contractor. Oakland Housing
Authority

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy (EOP)** to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The EOP is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority**. This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact OHA at S3hire@oakha.org or 510-587-5160 for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. New Hire

A new hire means a full-time employee for a new permanent, temporary, or seasonal position that is created as a direct result of the expenditure of federal funds on Section 3 covered projects. (b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalties and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

This policy shall remain in effect for all covered activities so long as this policy remains consistent with federal regulations or until changed by the Authority. In any case where it is found that any provision of this policy or of a procedure or program undertaken in furtherance of this policy is found to be inconsistent with Section 3 or 24 CFR Part 135, Section 3 or 24 CFR Part 135 shall prevail.

Policy Statement:

It is the policy of the Oakland Housing Authority to provide to the greatest extent feasible economic opportunities to low- and very low-income persons residing in Oakland metropolitan area (as defined in § 135.5 of 24 CFR Part 135 and to businesses meeting the definition of "Section 3 business concern" as defined by 24 CFR Part 135.

A Section 3 resident is:

- A Public housing resident and/or
- An individual who lives in the area where a HUD-assisted project is located and who is either low-or very-low income person as determined by HUD

• Determining Income Levels:

- Low income is defined as 80% or below the median income of that area.
- Very low income is defined as 50% or below the median income of that area.

(Income Limits are subject to change. Current Income Limits may be accessed on the OHA website at www.oakha.org.)

Section 3 business concern is a business that:

- Is 51 percent or more owned by Section 3 residents;
- Whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25 percent or more of the dollar amount of the awarded contract.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

First priority - residents of the development where the work is to be performed.

Second priority - other residents of Oakland Housing Authority properties.

Third priority - other residents of Oakland who are participants of HUD Youthbuild programs being carried out in the City of Oakland.

Fourth priority - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Furthermore, for all construction contracts in excess of \$100,000, contractors and their subcontractors are required to utilize appropriate State-approved apprenticeship programs that have graduated apprentices as a means to meet the Section 3 employment goals.

Employment:

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

Preference for Section 3 business concerns:

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

Small Purchases:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): *(IFB=Invitation For Bids)*

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
 - A. is within the maximum total contract price established in the Authority's budget for the specific project for which bids are being taken; and
 - B. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,00010% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,0009% of that bid or \$16,000

At least \$200,000, but less than \$300,0008% of that bid or \$21,000

At least \$300,000, but less than \$400,0007% of that bid or \$24,000

At least \$400,000, but less than \$500,0006% of that bid or \$25,000

At least \$500,000, but less than \$1 million . . .5% of that bid or \$40,000

At least \$1 million, but less than \$2 million. .4% of that bid or \$60,000

At least \$2 million, but less than \$4 million. .3% of that bid or \$80,000

At least \$4 million, but less than \$7 million. .2% of that bid or \$105,000

\$7 million or more 1 1/2% of the lowest responsive bid, with no dollar limit.

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP)(RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems.

Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).

- (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) One of the evaluation factors shall address both the preference for Section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (Section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-Section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) With regard to the Section 3 strategy, the RFP shall require the disclosure of the contractor’s Section 3 strategy to comply with the Section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor’s responsibility will include the submission of an acceptable Section 3 strategy. The contract award shall be made to the responsible firm (either Section 3 or non-Section 3) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.*

Other Provisions:

1. Federal labor standards requirements: Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a--276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. where both employees and for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

OAKLAND HOUSING AUTHORITY

PERSONAL SERVICES CONTRACT

This PERSONAL SERVICES CONTRACT ("Contract") is entered into as of [effective date], by and between the OAKLAND HOUSING AUTHORITY, a public body, corporate and politic (the "Authority"), and [name of contractor], [legal status (e.g., "a California corporation," or "a sole proprietor")] ("Contractor").

RECITALS

A. [In paragraph style tell a brief story of the background, necessity and purpose of the Contract. This is the appropriate place to recite (hence, the title "recitals") any special circumstances or consideration related to the Contract.]

B. [For example, you may want to say that the Contractor is particularly well suited to undertake the work for some reason.]

C. [Or, you may want to describe an emergency situation which gives rise to the need to enter into the Contract.]

D. [Or, you may want to cite the program which the Contract is helping us implement; e.g., "the Authority is implementing its blah-blah for the Section 8 Housing Choice Voucher Program."]

E. [The point is that here you provide a readable narrative which explains the Contract quickly to someone who picks it up and/or cover any external factors which are important to it.]

NOW, THEREFORE, the Authority and the Contractor agree as follows:

1. SCOPE OF SERVICES

Contractor shall provide the services described on Exhibit A, "Scope of Services."

[If the scope is short (3 or 4 lines) the appropriate language can be inserted here, otherwise use an attachment – the work required, including deliverable items, should be described clearly enough that someone else could administer the Contract without excessive guess work. Your expectations of the Contractor should be stated with as much particularity as needed—arguments later about whether or not we got what we wanted will focus on what we asked for here.]

2. TIME OF PERFORMANCE

[Use one or an appropriate combination of the following:]

The term of this Contract will begin on [starting date] and end on [Contract ending date], unless earlier terminated as provided herein.

[If the RFP included a provision that said OHA might include options to extend the contract and required proposers to provide for prices during the option terms, add the language below. Remember that the HUD Procurement Handbook provides for a maximum contract term of 5 years, including any option terms:

a. **Initial Term.** The initial term of this Contract will begin on _____, and end on _____, unless earlier terminated as provided herein.

b. **First Option Term.** The Authority, at its sole discretion, may elect to extend the term of this Contract for the period _____ through _____ ("First Option Term") by giving written notice to Contractor prior to the expiration of the Initial Term.

c. **Second Option Term.** The Authority, at its sole discretion, may elect to extend the term of this Contract for the period _____ through _____ ("Second Option Term") by giving written notice to Contractor prior to the expiration of the First Option Term.

d. **Third Option Term.** The Authority, at its sole discretion, may elect to extend the term of this Contract for the period _____ through _____ ("Second Option Term") by giving written notice to Contractor prior to the expiration of the Second Option Term.]

Contractor's Schedule of Performance is set forth on Exhibit _____.

Contractor will begin work within _____ () days after receipt of an Authority Notice to Proceed.

Time for completion of this Contract will be _____ () days after receipt of an Authority Notice to Proceed to the Contractor.

[The start of work should be by a Notice to Proceed, but the Contract itself can serve as such notice by saying "The work under this Contract shall commence as of the effective date of the Contract." If there are interim dates for deliverables, or a time line for tasks, that should be called out here. If that is lengthy and likely to be amended often, use an attachment.]

3. COMPENSATION AND METHOD OF PAYMENT

The maximum amount payable under this Contract is _____ Dollars (\$_____).

A. Compensation.

[Insert appropriate additional language – including the basis for payment, e.g., hourly, by task, upon completion; how and when payment is made – monthly, at completion, upon invoices submitted no more frequently than every thirty (30) days (there should always be a requirement that the Contractor submit a piece of paper that can be processed, even if it is only a one-line bill saying "For Services Rendered"); some mention should be made of expenses, that is, whether or not they are reimbursable or included and, if allowed, what kind and how much.

For example: "The maximum amount payable under this Contract is Twenty-Five Thousand Dollars (\$25,000). Payment shall be made according to the schedule and terms described on Exhibit B, "Payment Schedule." All expenses of Contractor are included in the amounts payable pursuant to Exhibit B, and no expenses shall be reimbursed separately."]

B. Taxes. No payroll or employment taxes of any kind will be withheld or paid by Authority on behalf of Contractor. Authority will not treat Contractor as an employee with respect to the contract services for any purpose, including federal and state tax purposes. Contractor understands and agrees that it is Contractor's responsibility to pay all taxes required by law, including self-employment social security tax. Authority will issue an IRS 1099 Form, or other appropriate tax reporting document, to Contractor for the Contract services.

C. Benefits. Contractor will not be eligible for, and will not participate in, any health, pension, or other benefit of Authority which exists solely for the benefit of Authority employees during the Contract Term.

Contractor has and hereby retains the right to exercise full control and supervision of the services and work to be provided under this Contract and full control over the employment, direction, compensation and discharge of all persons assisting it in the performance of the services and work hereunder. Contractor agrees to be solely responsible for all matters relating to payment of employees, including, but not limited to, compliance with all federal, state and local payroll tax and withholding
