Proposed Amendments to the Approved Fiscal Year 2010 Annual Plan

The Oakland Housing Authority (OHA) will hold a public hearing on June 29, 2009 at 6:00 PM to hear public comments on proposed amendments to the Approved FY 2010 Moving To Work Plan. OHA is proposing amendments to the FY 2009 Annual Plan related to the expenditures of the \$10.5 million in American Recovery and Reinvestment (ARRA) Act grant funds allocated to the Agency. Specifically, the amended Plan reflects the fact that ARRA funds are not eligible for inclusion in the Moving to Work (MTW) Demonstration Program. In addition, the amended Plan reallocates ARRA funds from scattered site public housing units approved for disposition, a non-eligible use, to large mixed population and senior public housing sites.

OHA's MTW Annual Plan for Fiscal Year 2010 is intended to provide residents, stakeholders, the general public and HUD with information on OHA's programs and policies, including both approved and planned MTW activities, operating budgets and capital investment plans.
