HA = Housing Authority

- 1.0 HA CONTACT: All questions pertaining this quote shall be addressed to the person indicated on the Quote form.
- 2.0 APPLICABILITY: By submitting a quote (hereinafter referred to as "bid") to our HA, the firm or individual doing so (hereinafter, "the bidder") is automatically agreeing to abide by all terms and conditions listed herein, including those terms and conditions within the HUD document, *form HUD-5370-EZ (1/2014), General Contract Conditions for Small Construction/Development Contracts*, which will be included in the Purchase Order if selected and may be provided if requested. For non-construction, by submitting a quote (hereinafter referred to as "bid") to our HA, the firm or individual doing so (hereinafter, "the bidder") is automatically agreeing to abide by all terms and conditions listed herein, including those terms and conditions within the HUD document, *Table 5.1, Mandatory Contract Clauses for Small Purchases Other Than Construction*, which will be included in the Purchase Order if selected and may be provided if requested.
- 3.0 HA RESERVATION OF RIGHTS: The HA reserves the right to:
 - 3.1 Reject any or all bids, to waive any informalities in the Solicitation process, or to terminate the Solicitation process at any time, if deemed by the HA to be in the best interest of the HA;
 - 3.2 Terminate a contract awarded pursuant to this Solicitation at any time for its convenience upon delivery of a 10-day written notice to the apparent or successful bidder;
 - 3.3 Determine the days, hours and locations that the successful bidder shall provide the items or services called for in this Solicitation;
 - 3.4 Reject and not consider any bid that does not, in the opinion of the HA Buyer, meet the requirements of this Solicitation, including but not necessarily limited to incomplete bids and/or bids offering alternate (not including "or equal" items) or non-requested items or services;
 - 3.5 For non-construction related work, negotiate the amount that is paid to or by the successful bidder, meaning the amount quoted by the apparent successful bidder may, at the HA's discretion, be the basis for the beginning of negotiations.
- 4.0 BIDDER'S RESPONSIBILITY: Each bidder must carefully review and comply with all instructions provided herein, provided within any named attachments and those provided within the Request for Quote Form.
- 5.0 DEADLINE: Each bidder shall submit his/her proposed costs, prior to the posted deadline, where provided within the form. Whereas this is an informal solicitation process, the HA reserves the right to extend the posted deadline at any time prior to the deadline, if, in the opinion of the HA Buyer, it is in the best interests of the HA to do so.
- 6.0 HOLD PRICES/NON-ESCALATION: By submitting a bid, each bidder thereby agrees to "hold" or not increase the proposed bid prices for the contract period if selected, with no escalation. If quantities are listed, they are for the purpose of determining best pricing per line item.
- 7.0 PURCHASE ORDER (PO): The HA will procure the applicable goods or services by issuance of a PO (which shall have the same meaning as a "contract"). PO's will be issued on an as-needed basis only. By submitting a bid, the successful bidder thereby agrees to confirm receipt of the PO in the manner directed by the HA.
- 8.0 AWARD CRITERIA: If an award is completed pursuant to this Solicitation, and unless otherwise instructed by the HA, award shall be made to the responsive and responsible bidder that submits the lowest cost. For non-construction, if an award is completed pursuant to this Solicitation, and unless otherwise instructed by the HA, award shall be made to the responsive and responsible bidder that submits the lowest cost (as detailed within 8.1 – 8.2 following). However, unless otherwise stated, the HA reserves the right to (in addition to the Reservation of Rights Notice, Section 3.0 of this document):
 - 8.1 To make award to the same bidder (aggregate) for all items; or,
 - 8.2 To make award to multiple bidders for the same or different items.
- 9.0 INVALID OR ALTERNATE BIDS: Failure to complete and submit all required information, or to add any additional requirements not acceptable to the HA, may invalidate the bid submitted. Furthermore, the HA shall reserve the right to reject, without consideration, alternate bids, meaning those that do not meet the requirements of this Solicitation. PLEASE NOTE: An allowed "or equal" bid does not constitute an "alternate" bid—"or equal" means that the proposed "equal" item is substantially "equal" to the item specified by the HA.
- 10.0 BID COSTS: There shall be no obligation for the HA to compensate any bidder or prospective bidder for any costs that he/she may incur in responding to this Solicitation.
- 11.0 SHIPPING COSTS: Each bid sum submitted shall include delivery of the items to the specified HA site or location, as specified within the Solicitation or on the PO issued.
- 12.0 ASSIGNMENT OF PERSONNEL: The HA shall retain the right to demand and receive a change in personnel assigned by the successful bidder to provide services to the HA if the HA believes that such change is in the best interest of the HA and the completion of the work or provision of the items.

At the option of the Authority, either; the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Authority, its officers, officials, employees and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the Authority guaranteeing payment of losses and related investigations, claim administration and defense expenses.

Other Insurance Provisions

The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions.

1. The Authority, its commissioners, members, officers, agents, employees and volunteers are to be covered as insureds as respects: liability arising out of work or operations performed by or on behalf of the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor.
2. For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects the Authority, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the Authority, its commissioners, members, officers, agents, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after (30) days' prior written notice by certified mail, returned receipt requested, has been given to the Authority.

Workers' Compensation and Employers Liability Coverage. Insurer shall agree to waive all rights of subrogation against the Authority and its respective commissioners, members, officers, agents and employees for losses arising from work performed by Contractor or for the Authority.

Contractor shall furnish the Authority with certificates of insurance and with original endorsements evidencing coverage required by this clause. All certificates and endorsements are to be received and approved by the Authority before work commences. The Authority reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.

Note: The General Contractor's Commercial General Liability insurance should not include CG 2294 or CG 2295 as these endorsements will eliminate the General Contractor's insurance coverage for its work where the damaged work or the work out of which the damage arises was performed by a sub-contractor.

Notwithstanding this provision, Contractor shall indemnify the OHA for any claims resulting from the performance or non-performance of the Contractor's sub-contractors and/or their failure to be properly insured.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage

determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in

the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage

payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
