

Oakland Housing
Authority

June 27, 2014

Gentlemen/Ladies:

SUBJECT: Invitation for Bids (IFB) #14-007 Rental Assistance Demonstration (RAD) Physical Condition Assessment (RPCA) Report

The Authority is seeking to contract with a qualified and experienced consultant who can provide a RAD Physical Condition Assessment (RPCA) report in the following three parts: PCA Report Comparing Traditional and Green Requirements, Energy Audit, and Utility Consumption Baseline.

Proposals will be accepted on the first floor at 1801 Harrison Street, Oakland, CA. until 10 a.m. (local time), August 4, 2014. Offers received after this date and time will be rejected without consideration.

Questions of a procedural nature may be directed to Courtney Creswell at (510) 587-2165.

We look forward to receiving your proposal.

Sincerely,

A handwritten signature in blue ink, appearing to be "Eric Johnson", with a long horizontal line extending to the right.

Eric Johnson
Executive Director
Oakland Housing Authority
1619 Harrison Street, Oakland, CA 94612

Oakland Housing
Authority

INVITATION FOR BIDS (IFB)

#14-007

**Rental Assistance Demonstration (RAD)
Physical Condition Assessment (RPCA) Report**

IFB Issued:	June 27, 2014
Questions Due:	July 14, 2014 @ 10:00am
Email to:	ccgs@oakha.org (Indicate above IFB #14-007 "Subject")
Addendum Issued: <i>(if applicable)</i>	July 21, 2014
Bids Due:	August 4, 2014 @ 10:00am

**Contract Compliance & General Services (CCGS) Department
Oakland Housing Authority
1801 Harrison Street, First Floor, Oakland, CA 94612
e-mail: CCGS@oakha.org**

Contact person for the above IFB: Courtney Creswell @ 510-587-2165

Documents (in the order of the IFB package)		MUST be submitted with Bid.

1. GENERAL INFORMATION

IFB Introduction:

The Oakland Housing Authority is seeking to contract with a qualified and experienced consultant who can provide a RAD Physical Condition Assessment (RPCA) report in the following three parts: PCA Report Comparing Traditional and Green Requirements, Energy Audit, and Utility Consumption Baseline.

For further information and/or updates on this bid or any other projects, you may go to the Authority's website at www.oakha.org/ Select Business Opportunities/Select Open RFP's and Bid Status/ Select Active Bids.

The Authority's Reservation of Rights:

- The Authority reserves the right to reject any or all proposals, to waive any informality in the IFB process, or to terminate the IFB process at any time, if deemed by the Authority to be in its best interests.
- The Authority reserves the right not to award a contract pursuant to this IFB.
- The Authority reserves the right to terminate a contract awarded pursuant to this IFB, at any time for its convenience.
- The Authority reserves the right to determine the days, hours, and locations that the successful proposer(s) shall provide the services called for in this IFB.
- The Authority reserves the right to negotiate the fees proposed by the proposer entity.
- The Authority reserves the right to reject and not consider any proposal that does not meet the requirements of this IFB, including but not necessarily limited to incomplete proposals and/or proposals offering alternate or non-requested services.
- The Authority reserves the rights to, at any time during the IFB or contract process, prohibit any further participation by a proposer or reject any proposal submitted that does not conform to any of the requirements detailed herein.
- By accessing and/or by downloading this document, each prospective proposer is thereby agreeing to abide by all terms and conditions listed within this document, and further agrees that he/she will inform the CCGS Contact Person in writing within 5 days of the discovery of any item listed herein or of any item that is issued thereafter by the

Authority that he/she feels needs to be addressed. Failure to abide by this time frame shall relieve the Authority, but not the prospective proposer, of any responsibility pertaining to such issue.

2. **SCOPE OF WORK**

The Authority is seeking to contract with a qualified and experienced consultant who can provide a RAD Physical Condition Assessment (RPCA) report in the following three parts: PCA Report Comparing Traditional and Green Requirements, Energy Audit, and Utility Consumption Baseline.

Overview:

The RAD Physical Condition Assessment (RPCA) report has three parts:

Part 1: PCA Report Comparing Traditional and Green Requirements –

It is the traditional PCA that identifies repairs necessary in the first year following restructuring and the repairs and replacements during the next 20 years; it only offers “traditional” and “green” components that meet local building code; it estimates costs using both “traditional” and “green” principles; and it provides comments on the benefits (financial and otherwise) of the green alternative.

Part 2: Energy Audit – It evaluates how energy and water is used at the property. It documents prudent utility-related improvements (water and energy) to the property, the cost of the improvements, and a simple financial payback analysis (however, note that a more sophisticated analysis is available for systems with multiple components with varying estimated useful lives and where the full lifecycle cost analysis is useful). It includes an initial assessment of potentially viable alternatives for generating electricity, heating water, and heating and cooling the conditioned space at the building.

Part 3: Utility Consumption Baseline – It contains data on all utility usage at the property, both tenant-paid and owner-paid, and including all common areas for a full 12-month period. It establishes a baseline to allow for benchmarking, and for future measurement of consumption and costs. As such, the utility baseline creates a whole building consumption profile, addressing missing utility data, vacancies, and weather patterns, in achieving its aim of establishing that standard on which future consumption can be compared.

The RPCA contractor may complete any of the components for which it has the necessary qualifications; otherwise, the contractor may subcontract to others who have the necessary qualifications. The RPCA Contractor must integrate and evaluate the findings and recommendations and incorporate all three components into one report.

PART 1.

PCA REPORT COMPARING TRADITIONAL AND GREEN REQUIREMENTS

1. Qualifications: The contractor must:

- A. Have training and experience to evaluate building systems, health, and safety conditions, and physical and structural conditions, and to provide cost estimates for maintaining, rehabilitating, or improving deficiencies, using both traditional and Green principles. Must also have environmental expertise, as inspection will include environmental issues as well. Must have any required licenses.
- B. Have the designation of Leadership in Energy and Environmental Design Accredited Professional (LEED AP), in either the United States Green Building Council's LEED New Construction and Major Renovation or the LEED Existing Building Maintenance and Operations examination tracks, or an equivalent designation.
- C. Have completed 10-hours of education in the last calendar year in the areas of Green Building, Sustainability, Energy Efficiency, or Indoor Air Quality.
- D. Have knowledge of the requirements for the "green building" standard, if any, identified by the owner, which may include: Enterprise Green Communities, LEED-H, LEED-H Midrise, LEED-NC, ENERGY STAR New Homes, ENERGY STAR Multifamily High Rise, EarthCraft House, EarthCraft Multifamily, Earth Advantage New Homes, Greenpoint Rated New Home, Greenpoint Rated Existing Home (Whole House or Whole Building label), and the National Green Building Standard (NGBS) or other industry-recognized green building standard deemed acceptable by HUD in its sole discretion.
- E. Have acceptably completed written evaluation reports for similar types of multifamily rental housing projects in similar physical condition and age in the subject market or in similar areas, preferably including two (2) or more buildings that were receiving Section 8 or public housing assistance when the report was prepared.
- F. Have an acceptable record of performance with HUD. Not be under suspension or debarment by HUD, or involved as a defendant in criminal or civil action with HUD.
- G. Have produced reports that are well regarded in the marketplace in terms of content, timeliness and responsiveness. The contractor should have this personal experience, not just the company.
- H. Have the capacity to complete the project inspection and prepare the report in a time frame acceptable to the Lender/Owner (Throughout this Statement of

Work and Contractor Qualification document, "Lender/Owner" is used to describe the party ordering, reviewing, and accepting the RPCA (the client for the RPCA contractor). If the owner is pursuing financing as part of the RAD conversation, then a Lender is the client. If not, then the Owner is the client. All RPAXs are subject to HUD's review and acceptance.).

2. Statement of Work: The contractor must:

- A. Perform a Physical Condition Assessment (PCA) for each asset specified by the Lender/Owner and report the findings (Exhibit B).
 - i. The report shall be prepared according to the Fannie Mae document: "Physical Needs Assessment Guidance to the Property Evaluator" (Exhibit C), except as modified herein. This standard is meant to meet or exceed ASTM E 2018-08, Annex 1.1 concerning multifamily properties as well as Appendix XI.1 concerning qualifications, X1.2 concerning verification of measurements and quantities based on as-built drawings when available or field counts or measurements when necessary, X1.3 concerning service company research. Appendix X1.5 concerning the recommended table of contents is also recommended.
 - ii. The report shall include color photographs and a detailed narrative describing the property's exterior and interior physical elements and condition, including architectural and structural components, and mechanical systems.
 - iii. The Contractor shall conduct and document site inspections of enough dwelling units to be able to formulate an accurate estimate of repair, replacement and major maintenance needs and all office, community space, and common areas. In no event shall the inspection be of less than 25% of occupied units, and 100% of all vacant units and common areas.
 - a) In some cases, depending on the size and condition of the Project, all or nearly all units will need to be inspected by the Contractor.
 - b) In other cases, a lesser number of units may need to be inspected by the Contractor. But in no event shall the number of units be less than specified in subparagraph (iii) above.
 - c) The Department expects that appropriate statistical sampling methods and techniques will be used by the Contractor to reach conclusions about repair needs.

Units shall be randomly sampled while taking into consideration occupied and unoccupied units and the unit size mix, i.e. one bedrooms, two-bedrooms,

etc. If a significant number of units are found to be in poor condition, the Lender/Owner may require that additional units be inspected. The Contractor may also determine that additional units and/or common areas require inspection to fully achieve the objective of considering green building principles, and if so, must coordinate the parameters of the inspection with the Lender/Owner.

- iv. The inspection must document individual building write ups for all multi-building complexes.
- v. For older structures the Contractor/and lender should consider forensic investigations of primary building systems, including but not limited to structural, building envelope, conveyance, mechanical, electrical and plumbing systems, where visual or non-invasive examination alone may not be sufficient to support a conclusion about the condition or remaining useful life of system components. While recognizing that age and condition of structures are not always related, a guideline for use of forensic methods is structures 30 or more years of age. It is the responsibility of the lender to assure that the Contractor employs investigative methods appropriate to the age, condition, physical composition of the property and the local environment.

When undertaken, a forensic examination should result in a written report, attached to the PCA, which report should include at a minimum the following:

- a. A statement of the examiner's particular experience, education, technical or trade certifications or other qualifications establishing the examiner's expertise relevant to the matter examined.
- b. A description of the physical component(s) or system examined including the portions, quantities, and/or locations examined and the relevant products and materials found installed.
- c. A description of the trade or industry recognized techniques, tests or analytical methods of examination used.
- d. A summary of the estimated age, condition, and serviceability of the products, materials or system examined.
- e. The examiner's recommendation of any repairs and/or replacements.
- f. The examiner's estimate of the remaining useful life of the system or component assuming any recommended repairs or replacements are completed.

- vi. Using the RPCA model provided by the Lender/Owner, the Contractor will complete the Component Replacement Summary, Utility Types and Rates, Cap Needs Input, Utility Savings, cell D28 of the Water Savers, Utility Baseline – Summary, Utility Baseline – Monthly, and the Reserves 20 Year Schedule worksheets, considering the factors described below (note that completion of the RPCA model worksheets overlaps with the Energy Audit and Utility Consumption Baseline statements of work, Parts 2 and 3 herein). By completing the herein named worksheets in the RPCA model, the 20 Year Schedule and Detailed 20 Year Schedule worksheets will automatically be populated. The Contractor is to review that worksheet to ensure the data inputs on the other worksheets are generating the desired results. The Water Savers worksheet is an optional approach to estimating water savings, but **cell D28 must be completed** (and it links to the Utility Savings worksheet).
- vii. The report shall include:
 - a. **Critical items:** Identify in detail, and report immediately to property management and the Lender/Owner, any repair item(s) that represents a critical repair.

Critical repairs include:

1. Remedies for exigent health and safety hazards or code violations;
2. Correction of conditions that adversely affect ingress or egress;
3. Correction of conditions preventing sustaining occupancy;
4. Correction of accessibility deficiencies.

It is the lender's responsibility to assure that accessibility requirements are accurately applied to projects by the Contractor with knowledge of Federal and, where applicable, state and local requirements. These requirements are:

1. The Fair Housing Act design and construction requirements apply to all multifamily housing built after March 13, 1991.
2. Section 504 of the Rehabilitation Act of 1973 applies to all Federally assisted programs, facilities and housing.
3. The Americans with Disabilities Act of 1990 (ADA) applies to public accommodations and commercial

facilities and to any such portion of a multifamily property.

4. Summary Table of Applicable Federal Accessibility Requirements

ACTIVITY & YEAR BUILT	MARKET RATE APARTMENTS	AFFORDABLE (not assisted, e.g. LIHTC's)	FEDERALLY ASSISTED**
Projects built (1st occupancy*) after 3/13/1991	Fair Housing Act Requirements	Fair Housing Act Requirements	Fair Housing Act & 504/UFAS Requirements
Projects built from 7/11/1988 to 3/13/1991	None	None	504/UFAS Requirements
Sub Rehab of projects built after 7/11/1988	None	None	504/UFAS Requirements (load bearing wall exception)
Refinance of projects built prior to 7/11/1988***	None	None	504/UFAS Requirements (load bearing wall and financial/administrative burden exceptions)
All Public Accommodation	ADA	ADA	ADA & 504 UFAS

*1st occupancy means a building occupied for any purpose, not just for housing.

***"Federally assisted" projects include those financed or assisted by Project Based Vouchers, 202/811, HOME, HOPWA, Rent Supplements, 236, TCAP, BMIR, etc.

5. State and Local Accessibility Laws. The Fair Housing Act does not preempt state and local government measures affording persons with disabilities greater access than is required by the Fair Housing Act and some state and local governments do apply more stringent requirements. When state or local requirements exceed the Fair Housing Act design and construction requirements, the former prevail to the extent of such excess.

6. Adaptable Does Not Mean Deferrable. A common misinterpretation of the Fair Housing Act design and construction requirements holds that the term "adaptable" contemplates a delay or deferral of the time when "features of adaptable design" required by the statute or regulations may be completed. This is inaccurate. The "features of adaptable design" described in the Fair Housing Act design and construction standards are required at original design and construction. Adaptable for purposes of Section 504 is defined at 24 CFR 8.3 and contemplates

limited future physical changes to meet specific needs of particular persons with disabilities.

- b. **Repair/Rehab items (Short Term Physical Needs):** Identify and estimate the cost of the repairs, replacements, and significant deferred and other maintenance items that will need to be addressed within 12 months of closing (do not include items that are not broken but may need replacement in the near future). The items evaluated (both recommended and not recommended) are explained in the narrative report and the recommended items are documented in the Cap Needs Input worksheet of the RPCA model. That data input automatically generates the rehab escrow needs that appear in column B of the 20 Year Schedule worksheet of the RPCA model. Review column B of that worksheet to ensure the data input generated the correct result.

- c. **Market Comparable Improvements:** After discussion with the Lender/Owner and the Lender's appraiser, the inspector may include repairs or improvements that are necessary for marketability in the list of Repair/Rehab needs. The repairs/improvements identified should be those necessary for the project to retain its original market position as an affordable project in a decent, safe and sanitary condition (recognizing any evolution of standards appropriate for such a project). The project should be able to compete in the non-subsidized market on the basis of rents rather than amenities. Where a range of options exists, the least costly options for repair or rehabilitation should be chosen, when both capital and operating costs are taken into consideration.

- d. **Long-term Physical Needs/ Reserve Items:** Identify and provide an estimate of the major maintenance and replacement items that are required to maintain the project's physical integrity over the next twenty (20) years. (Note that the Fannie Mae Guidance to the Property Evaluator only requires an 18-year assessment maximum). The items evaluated (both recommended and not recommended) are explained in the narrative report and the recommended items are documented in the Cap Needs Input worksheet of the RPCA model. That data input automatically generates the 20 Year Schedule worksheet of the RPCA model. Review that worksheet to ensure the data input generated the correct result.

- e. **Reserve Costs:** The Contractor shall estimate the Initial Deposit to the Reserve for Replacement Account and the Annual Deposit to the Reserve for Replacement Account based on the cost of "Near Term" replacement and major maintenance needs of the Project.

- f. **Environmental Concerns:** This applies to all existing properties constructed prior to 1978 which have not been demonstrated to be LBP- and/or asbestos-free. For projects that contain LBP and/or asbestos, the Contractor is responsible for engaging the services of a qualified LBP and/or asbestos abatement contractor(s) to prepare a scope of work for the abatement of LBP and/or asbestos. Where the scope of abatement work consists of permanent enclosure or encapsulation, but not removal, of LBP and/or asbestos, the qualified abatement contractor(s) must also prepare, separate from the scope of abatement work, an Operations and Maintenance (O&M) Plan for LBP and/or asbestos. The O&M Plan contains ongoing maintenance activities for LBP and/or asbestos, to be followed for as long as the LBP and/or asbestos remains in place. All abatement work and ongoing maintenance activities for LBP and/or asbestos shall conform to the following Regulatory requirements:

- (1) For LBP, 24 CFR Part 35;
- (2) For asbestos, 40 CFR Part 61.

The report shall provide a description of directly observed potential on-site environmental hazards and include a completed Form 4.4 Environmental Restrictions Checklist (Exhibit C).

- g. **Green Building Principles:** An objective of the report is to identify all opportunities to improve energy efficiency, maximize water efficiency, use reused and recycled materials where practical, safeguard the indoor air quality of the property, be of less harm to the environment generally, and remove/ re-use replaced materials and construction debris appropriately. The Contractor is required to evaluate all components in the building, all building systems, and all components on the property, and the property itself, to identify all opportunities to achieve the stated objective.

The Contractor is expected to consider the most promising types of improvements being used generally in applicable green buildings, to identify all alternatives considered, to provide a justification for the green alternative recommended and a brief explanation of why the non-selected alternatives are less appropriate for the subject property.

Each line item must identify the:

1. Costs of the traditional repair/replacement to meet local building code, as applicable, and the alternative using green building principles;
2. Cost estimate for both the traditional and green approaches; and
3. Expected benefits of the green alternative, both financial and non-financial.

viii. The report shall identify any physical deficiencies as a result of:

1. A visual survey;
2. A review of any pertinent documentation; and
3. Interviews with the property owner, management staff, tenants, interested local community groups and government officials, where appropriate.

ix. The report shall include the Contractor's professional opinion as to whether tenant relocation is necessary to complete the recommended scope of work for rehabilitation.

B. The RPCA must also include the following subcomponents:

- i. Acknowledgements (who prepared report, the preparer's qualifications or a certification that the preparer meets the qualifications required in Part 1.1, when report was prepared, who received report, and when report was reviewed).
- ii. Appendices (color photographs, site plans, maps, etc.).

C. In addition, the contractor must:

- i. Recommend any additional professional reports needed, for example, to determine the presence or degree of structural defects, or to complete additional investigation into an environmental issue. The Lender/Owner will be responsible for obtaining such reports.

- ii. If requested by the Lender/HUD, the RPCA Contractor will review the requirements of a particular “green building standard” (Must be an industry-recognized standard for green building, such as the Enterprise Green Communities Criteria, LEED-H, LEED-H Midrise, LEED-NC, ENERGY STAR New Homes, ENERGY STAR Multifamily High Rise, EarthCraft House, EarthCraft Multifamily, Earth Advantage New Homes, Greenpoint Rated New Home, Greenpoint Rated Existing Home (Whole House or Whole Building label), and the National Green Building Standard (NGBS) or other industry-recognized green building standard in HUD’s sole discretion.) and include in the RPCA its professional opinion on whether the rehabilitation recommended in the RPCA will meet the requirements of the particular “green building standard”.
- iii. If the services of a subcontractor were secured to inspect the property and complete the report, the contractor shall review the inspection for quality, consistency, and agreed upon format and conformance with these requirements.
- iv. If requested by the Lender/Owner, attend a formal kick-off meeting to clarify the requirements and scope of the work to be performed.

3. Deliverables:

- A. A draft narrative report and RPCA model (with completion of these worksheets: Component Replacement Summary, Utility Types and Rates, Cap Needs Input, 20 Year Schedule, Detailed 20 Year Schedule, Rehab Escrow Needs, Utility Savings, **at least cell D28** of Water Savings, Utility Data Collection, and the Reserves 20 Year Schedule) shall be submitted electronically, as instructed by the Lender/Owner, for review prior to completion of the final report.
- B. The Lender/Owner will review the draft deliverables and discuss any necessary corrections with the Contractor that are necessary for the drafts to be finalized.
- C. The final narrative report shall be completed in the number of originals and copies requested by the Lender/Owner. It will also be submitted electronically along with the RPCA model, as instructed by the Lender/Owner.

NOTE: The final deliverable from the RPCA contractor shall consist of two files:
1- PDF file, including the narratives from all three parts of this statement of work (PCA, Energy Audit and Utility Consumption Baseline.)
2- EXCEL file of the completed RPCA model.

PART 2.

ENERGY AUDIT

1. Qualifications: The contractor must:

- A. Be certified to complete building energy audits by RESNET or BPI (or their training providers), or be a Certified Energy Manager (CEM), or be a State equivalent certified energy auditor, or be a professional architect, or be a registered professional engineer, or be a RESNET certified Home Energy Rater or BPI Certified Building Analyst.
- B. Not be under suspension or debarment by HUD, or involved as a defendant in criminal or civil action with HUD.
- C. Produce reports that are well regarded in the marketplace in terms of content, timeliness and responsiveness. The contractor should have this personal experience, not just the company.
- D. Have the capacity to complete the project inspection and prepare the report in a time frame acceptable to the Lender/Owner.

2. Statement of Work:

These requirements are intended to fully satisfy and exceed the requirements in the American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc. (ASHRAE) Procedures for Commercial Building Energy Audits, Second Edition 2011, Level II guidelines.

- A. An energy audit identifies how energy and water is used in a facility.
 - i. Data is collected on energy and water use and costs and a physical inspection of the property and energy-related equipment is performed.
 - ii. The physical inspection reviews equipment and space conditions, past maintenance schedules, remaining useful life, and system performance, along with building envelope characteristics and conditions.
 - iii. Physical inspection may also consider indicators of performance issues such as leaking or soiled heat exchangers, high humidity, poor space temperature control, and comfort concerns. Some of these characteristics may be indicators of improperly sized heating or cooling equipment.

- B. An energy audit analyzes utility costs of the existing property, including separate rates, if any, for owner and tenant accounts, such as for electricity. Utility data is trended and benchmarked against similar properties with like heating and cooling requirements, and used to provide estimates of energy and water savings that may be gained by implementing cost effective conservation measures.
- C. An energy audit provides a prioritized list of recommended cost-effective energy and water efficiency improvements to reduce utility costs.
 - i. Cost-effective energy and water efficiency improvements are energy or water conserving measures whose estimated utility savings exceed the installed cost of the improvement over the measure's useful life.
 - ii. Recommendations are based on engineering and economic analysis and consider factors such as operating hours, equipment efficiency, and building and occupant energy and water demand characteristics.
 - iii. Costs are generally developed through industry norms or available historical project information.
- D. Insulation in attics, walls, basements, floors, and ducts for heating and cooling circulation, should, at a minimum, be upgraded to current local building code for new construction, unless prevented by physical obstructions. Additional insulation beyond code should be recommended if cost-justified.
- E. In addition, the energy audit includes a recommendation on whether additional caulking and sealing is a cost-justified expenditure.
- F. An energy audit report includes the following:
 - i. Current energy, water and sewerage usage and costs (kilowatt-hour, therms, ccf, utility cost) input in the RPCA model. NOTE: This requirement includes all utility usage at the property, both tenant-paid and owner-paid, and all common areas.
 - ii. Evidence that the Contractor used the Air Conditioning Contractors of America (ACCA) Manual J guide or another recognized methodology to size the recommended heating and cooling systems. The sizing shall consider other energy-related improvements being made to the property, including additional insulation, energy-efficient windows, etc. The Lender/Owner may request the Contractor prepare several calculations based on possible improvements or may contact the Contractor

subsequent to the completion of the initial calculation and ask for a revision based on a specific set of improvements.

Exception: There are two exceptions to the requirement to complete a load calculation to appropriately size the heating and cooling systems:

- a. When the existing units are already the smallest available and there are no known property management or tenant complaints indicating that the existing systems may be inadequate. To justify this exception, the Contractor must inquire of the site property management and of any tenants encountered during the inspection of units, and not receive comments that would cause the Contractor to question the adequacy of the existing systems.
 - b. When the existing units use electric baseboard heat and conversion to another heat system has been determined to be infeasible. To justify this exception, the Contractor must consider any comments about unit heating received from inquiring of the site property management and of any tenants encountered during the inspection of units and state why conversion to another source is infeasible.
- iii. Evidence that the contractor analyzed the existing size of hot water heaters and analyzed the appropriate efficient replacement size using First Hour Rating (primarily for individual tenant hot water heaters) or other professionally recognized sizing tools with a goal of providing sufficient but not excess capacity.
 - iv. Evidence that the contractor inspected the ductwork for leakage and recommended and priced appropriate repairs. HUD's objective is to identify energy-saving opportunities and is relying on the contractor's professional judgment as to the extent of inspection, testing, cleaning and repair that is warranted for the specific property. If the ducts are accessible, the contractor is to conduct a visual inspection and make recommendations for repair of any loose/ broken connections or other leaks. If the ducts are not accessible, the contractor is to provide an opinion on the likely cost-benefit analysis of repairing the ducts and the approach recommended to do so (including use of an aerosol-based product).
 - v. Completed "Utility Types and Rates" worksheet in the RPCA model provided by the Lender/Owner.

- vi. Completed "Utility Savings" worksheet in the RPCA model provided by the Lender/Owner.
- vii. Completed "Water Savers" worksheet with **at least cell D28** being populated (otherwise this worksheet is an optional approach to estimating water savings);
- viii. Prioritized list of recommended energy efficiency improvements. At a minimum, in evaluating recommended improvements, the contractor evaluates and comments on:
 - a. Wall, ceiling and basement (if applicable) insulation – describe existing, cite the local code for new construction
 - b. Exterior doors – weather stripping, caulking, insulation characteristics, possible needed replacement and standards
 - c. Storm doors (where they currently exist) – weather stripping, caulking, insulation characteristics, possible needed replacement and standards
 - d. Dishwashers (where they currently exist) – efficiency standard, age, replacement options
 - e. Windows/sliding glass doors – considering age, weather stripping, caulking, air conditioning sleeves
 - f. HVAC (Heating, ventilation, and air conditioning) – age, size and rated efficiency of units, age and type of thermostat
 - g. DHW (Domestic hot water) – age, size and rated efficiency of units, insulation, temperature setting and set-backs, appropriate efficiency and size for replacement units
 - h. Refrigerators – age, size, rated efficiency of units, potential replacements
 - i. Water – flow rate of shower and faucets, hot water temp at tap, hot water pipe insulation, toilet tank size
 - j. Ventilation – kitchen and bath ventilation (recirculating or outside), appropriate size for replacement units
 - k. Apartment lighting – existing lighting methods, over-lighted conditions, conversion to CFL bulbs or fixtures
 - l. Lobby, common area, corridor – exterior doors (see above), existing lighting methods, lighting (sufficiency/excess, conversion to CFL bulbs and/or fixtures, T-8 (or smaller) electronic ballast fluorescent, LED exit light and automatic control potential)
 - m. Exterior lighting (including parking area) – existing number, type, sufficiency/ excess illumination levels and efficiency of lighting type, conversion potential to more efficient lighting type, automatic controls

- n. Central Plant Boilers/Hot water - efficiency, age, potential for combined heat and power (CHP), set backs
 - o. Laundry Area – identify if leased or owned, number and type of appliances, size, age, efficiency rating
 - p. Other commercial or office space – same evaluation
 - q. Possibility of cost effective change in fuel/ heating system type
 - r. Evaluation of rate options, if any, with the utility companies for different site uses, e.g., residential/ commercial rates, peak load management rates.
- ix. An initial assessment of the potential feasibility of installing alternative technologies for electricity, heating and cooling systems, and hot water heating (collectively called Green Energy Technologies) at the property. The auditor is to comment specifically on each of the following:
- a. Photovoltaic for electricity
 - b. Solar thermal for hot water heating
 - c. Wind turbine
 - d. Combined heat and power
 - e. Geothermal heat pumps, and
 - f. Fuel cells.

As an initial assessment of potential feasibility, the auditor's comments are to conclude and justify, for each of the six technologies, whether further study is recommended. Specifically, the auditor is to state that the property: is a potentially viable candidate and a feasibility study is recommended or is not a viable candidate and further study is not recommended.

NOTE: HUD expects a few sentences of discussion for each of the six technologies. For example, "Combined heat and power: The property has less than 80 units (a rule of thumb for minimum number of units for feasibility) and does not have a central power source. Further study is not recommended." Another example, "Geothermal heat pumps: The property has sufficient acreage to drill wells and uses enough energy for heating and cooling that this technology may be feasible. Further study is recommended."

- x. Installed cost estimates for recommended energy and water efficiency measures.

- xii. Annual energy and water saving estimates (consumption and cost reductions). In considering cumulative savings, the auditor should consider how measures may interact and be realistic about the overall portion of existing utility use that might be conserved (The installation of individual components, taken individually, may support a certain level of utility savings that will not be realized when all the recommended components are installed as a package. In addition, some components (e.g., the first-time installation of air conditioning) will serve to increase utility usage.). The utility savings estimates will be contained in the Utility Savings worksheet of the RPCA model (note that the auditor may use the optional "Water Savers" worksheet of the model but **must complete** cell D28 of that worksheet for the total estimate of water savings).
- xiii. Simple payback period in years for each evaluated measure, whether recommended or not. If more than one measure was evaluated, include a brief discussion of all measures evaluated and a justification for the one recommended in the narrative report. Include the recommended measure in the Cap Needs Input worksheet of the RPCA model.

G. The RPCA should also include acknowledgments (who prepared report, the preparer's qualifications or a certification that the preparer meets the qualifications required in Part 2.1, when report was prepared, who received report and when report was reviewed).

H. In addition to the above, the auditor shall:

- i. Recommend any additional professional reports needed (including, for example alternate energy system feasibility studies, air infiltration tests for energy loss and ventilation needs, blower door tests, infrared imaging, duct blasting, etc.). The Lender/Owner will be responsible for obtaining such reports.
- ii. If the services of a subcontractor were secured to perform the RPCA, the Contractor shall review the inspection for quality, consistency and agreed upon format and conformance with the report requirements.

- iii. If requested by the Lender/Owner, attend a formal kick-off meeting to clarify the requirements and scope of the work to be performed.

3. Deliverables:

The report and completed worksheets of the RPCA model are made a part of the overall RPCA deliverables submitted by the RPCA contractor. See Part 1, paragraph 3 for instructions on delivering the draft and final narrative reports and RPCA model to the Lender/Owner.

PART 3. **UTILITY CONSUMPTION BASELINE**

1. Introduction:

- A. Overview: The goal of this statement or work is to establish a twelve month consumption baseline for normalized heating, cooling, lighting, and other electric, gas and water usage (not cost) by property.
- B. Consumption Period for Demonstration Due Diligence: The contractor, in consultation with the owner, will establish a twelve-month consumption period, generally ending just prior to the application to the RAD program and maximizing availability of actual data. The twelve month period covered should be recent and similar for each utility and should conclude prior to any rehabilitation beginning at the property.
- C. Consumption Data Collection: The result will be to understand and document what types of utilities are used, from what sources, how they are used and in what amounts they are used. Information on how utilities are used will come from the owner and RAD Physical Condition Assessment (RPCA) through the Energy Audit. In order to obtain the data, the contractor will receive releases from the owner, including releases the owner has obtained from tenants for tenant accounts so that the contractor can obtain consumption data directly from each utility provider. The owner may also provide actual billing data.
 - i. For each property paid utility, the releases will be executed by the owner and obtained from the owner by the Contractor.
 - ii. For tenant paid utilities, the releases will be executed by tenants, obtained from the tenants by the owner, and obtained from the owner by the Contractor. Releases will be requested from tenants who have been in residence 12 months or more and new entrants. For non-metered fuel sources, such as propane or heating oil, the Contractor will obtain releases from the owner to obtain 14 months of billing history from the supplier(s), or if suppliers are not willing/

capable of providing histories, the Contractor will obtain copies of bills from the owner.

D. Data Ownership: All energy usage data and analysis is the property of HUD.

2. Qualifications: The contractor shall:

- A. Have experience in collecting utility consumption data and in using industry-recognized methods for estimating missing data and normalizing it for weather occurrences and property vacancies.
- B. Not be under suspension or debarment by HUD, or involved as a defendant in criminal or civil action with HUD.
- C. Produce baselines that are well regarded in the marketplace in terms of content, timeliness and responsiveness.
- D. Have the capacity to complete the project inspection and prepare the report in a time frame acceptable to the Lender/ Owner.

3. Statement of Work: A contractor shall construct a Consumption Narrative Report containing at a minimum:

- A. Project identifiers - PIC Number , property name, property location, name of contractor, ownership name and contact information, management agent contact information, if any, etc.
- B. For all utilities associated with the property:
 - i. Identify vendors/sources.
 - ii. Identify use for residential: heat, hot water, lighting, a/c.
 - iii. Identify use (generally on separate meters) for non-residential: common/exterior lighting, laundry, office, maintenance shop, commercial (some projects have commercial leases).
 - iv. Identify how the utility is used, for example, central steam boiler, forced air furnaces, heat pumps, window type air conditioners, central air, electric baseboard heat, common area lighting (incandescent or fluorescent, other) exterior lighting (type of lighting device).
 - v. Identify party responsible for payment, owner or tenant.
 - vi. Note any non-metered fuel source usage such as heating oil or propane.
 - vii. Note any observed anomalies regarding rate structure, metering, on-site generating via solar panels, wind turbines, etc.; and
 - viii. To the extent possible and applicable, estimate the commercial and nonresidential portion of the use versus the residential use.

- C. The Narrative is submitted as a PDF file.
- D. Completed Utility Baseline – Summary and Utility Baseline – Monthly worksheets in the RPCA model, including:
- i. General property information, utility provider information, and a property profile that includes the number of buildings, square footage, vacancy, and number of units.
 - ii. An overall summary of annual utility consumption across the entire property by utility type.
 - iii. An overall summary of annual utility consumption for each utility type and each meter at the property.
 - iv. Monthly utility consumption for each meter at the property.
 - v. For non-metered fuel sources such as heating oil or propane, attach detail for 14 months of consumption, and document how the estimate of twelve month consumption was reached.
 - vi. Adjust the actual consumption (usage) to produce weather-normalized summary consumption (usage). Use appropriate localized weather pattern data. Document the weather-normalization calculation in the Narrative. Note that HUD requires both raw and weather-normalized data.
 - vii. Adjust usage, based on available data, to a pro-forma 100 % occupancy by estimating additional use for unoccupied units. (This is in addition to, and complements, estimation for data gaps on occupied units.) This may affect some utilities, like water or electric, more than others, for example if heat is centrally provided.
 - viii. Establish an optional pro-forma adjustment factor to the consumption for cases where the RAD transaction involves changes in services provided at the property, for example the addition of air conditioning. If requested, supply estimate of utility consumption for the added service.
 - ix. Supply the completed RAD Utility Consumption workbook in Microsoft Excel, in the format required by HUD.

NOTE: The RPCA model also includes instructions for completion of the two utility consumption worksheets in a third worksheet titled, Utility Baseline – Instructions.

4. Deliverables:

The narrative report and completed Utility Consumption – Summary and Utility Consumption – Monthly worksheets in the RPCA model are made a part of the overall RPCA deliverables submitted by the RPCA contractor. See Part 1, paragraph 3 for instructions on delivering the draft and final narrative report and the EXCEL workbook to the Lender/Owner.

3. BID PROCESS:

IFB Timeline. The following are proposed dates relating to this contractor selection process:

June 27, 2014	IFB Issued.
July 14, 2014	Questions in writing via email, due by 10:00 a.m. PDT.
July 21, 2014	Responses to questions, and Addendum issued and posted on the Oakland Housing Authority's website if necessary.
August 4, 2014	Proposals due by 10:00 a.m. PDT. To be submitted to Contract Compliance and General Services (CCGS) at 1801 Harrison Street, Oakland, CA 94612. Proposals must be delivered by the deadline. Postmarks will not be accepted.

Questions:

There will be no pre-proposal conference held for this bid. If you have any questions regarding this bid please submit them in writing no later than the specified date and time on the cover, preferably via email to **CCGS@oakha.org** (Please indicate the IFB# in the "Subject" line).

Addendum:

All questions will be answered and responded to in writing by the date specified on the cover. The addendum will be posted on the Authority's Vendor Center website at **www.oakha.org/** Select Business Opportunities/Procurement/Current Bid Openings/Active Bids, Select the desired Bid#. No questions will be responded to after the question and answer period has expired.

During the IFB solicitation process, the CO will NOT conduct any *ex parte* (substantive) conversation. "Substantive" meaning, when discussions pertaining to the IFB are made between the Authority and a prospective bidder and other prospective bidders are not present, the conversation may give one prospective bidder an advantage over other prospective

bidders. This does not mean that prospective bidders may not call the CO; it simply means that, other than making replies to direct the prospective bidder where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective bidder's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective bidders in writing by addendum.

4. BID SUBMISSION REQUIREMENTS

It shall be the responsibility of each bidder to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the Authority, including the IFB document, the documents listed within the following section, and any addenda and required attachments submitted by the bidder. By virtue of completing, signing and submitting the completed documents, the bidder is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the bidder not authorized in writing by the CO to exclude any of the Authority's requirements contained within the documents may cause that bidder to not be considered for award.

So that the Authority can properly evaluate the offers received, all bids submitted in response to this IFB must be formatted in accordance with the following guidelines:

The following items must be submitted with your bid in the following order:

Required Forms / Documents (under "Attachments" section):

- A. Cost Form – Exhibit A
- B. Profile and Certification Form
The form must be completed and signed.
- C. Section 3 Business Certification and Action Plan
The **Section 3 Certification and Action Plan** attached must be completed and signed.

The Authority expects the selected firm to comply with the Section 3 policy. Refer to Attachment "**Section 3 Requirements - Oakland Housing Authority Economic Opportunities Policy**" attached in this IFB. The firm(s) must describe proposed compliance with Section 3 of the Housing Act of 1968, as amended, regarding the provision of training and employment opportunities for low-income persons, with priority to residents of the Oakland Housing Authority's public housing. The

Authority's Project Manager and Labor Compliance/Section 3 Officer will monitor Contractor's compliance with Section 3 requirements.

D. Subcontractor Form

The Subcontractor Form must be completed to identify the tasks performed by Contractor and if applicable, subcontractor(s).

E. HUD Form 5369-A

Bidder must complete the U.S. Department of Housing and Urban Development – Representations, Certifications, and Other Statements of Bidders (Form **HUD-5369-A**) form furnished in this IFB.

F. Addendum Acknowledgement Form (if applicable)

All applicable addendum acknowledgement form(s) must be submitted with the bid.

Bid Submittal Binding Method:

It is preferable and recommended that the bidder bind the bid submittals in such a manner that the Authority can, if needed, remove the binding or remove the pages from the cover to make copies then conveniently return the bid submittal to its original condition if necessary.

Bid Submission:

Responses to this solicitation will be accepted at the following location:

Contract Compliance and General Services (CCGS) Office
Oakland Housing Authority
1801 Harrison Street, First Floor
Oakland, CA 94612

Respondents must provide **one (1) original copy**, clearly marked "ORIGINAL," and **one (1) copy**, clearly marked "COPY," of the required submission. These must be submitted in envelopes or boxes marked with the appropriate IFB number and description. Failure to submit the specified copies and/or to clearly mark the bid may result in delay of bid acceptance.

Late bids will not be accepted. Postmarks will not be considered in determining if a proposal is submitted on time. Bids will be date and time stamped by CCGS staff and a receipt provided for the bid. Bids received after the published deadline will not be considered.

The Authority will not provide any reimbursement for the cost of developing, presenting or providing any response to this IFB.

Submission Conditions:

DO NOT MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED. Bidders are not allowed to change any requirements or forms contained herein, and if any additional marks, notations or requirements are entered on any of the documents, that bid may be invalidated. If, after accepting such a bid, the Authority decides that any entry has not changed the intent of the bid that the Authority received, the Authority may accept the bid and the bid shall be considered as if those additional marks, notations or requirements were not entered. By accessing the noted Internet system, registering and downloading these documents, each prospective bidder that does so is thereby agreeing to confirm all notices that the Authority delivers to him/her as instructed, and by submitting a bid, the bidder is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this IFB.

Bidder's Responsibilities—Contact with the Oakland Housing Authority:

It is the responsibility of the bidder to address all communication and correspondence pertaining to this IFB process to the CO only. Bidders must comply with the requirements set forth in the IFB documents and/or any applicable addendum in writing.

5. BID OPENING

Public Opening:

At the set date and time, all bids received will be opened and publicly read aloud by the CO, including the company name of the bidder and the proposed unit cost. At the bid opening the Authority will only disclose the following information: (a) The company name of each bidder; (b) the total amount bid; and (c) the identity of the apparent low bidder. A copy of the bid tabulation or recap recorded may be made available to each member of the public attending such opening and to anyone who requests such afterwards. The bids will not be made available for inspection by anyone at this time; the Authority will, at a later time, review all bids in detail and will, in a timely manner, notify any bidder ruled to be non-responsive or not-responsive (as detailed within Section 8(d) of form HUD-5369 and Section 7(b)(3) of form HUD-5369-B). The Authority reserves the right to waive informalities and minor irregularities in the offers received. The results shall be posted on the Authority's Vendor Center website at www.oakha.org/ Select Business Opportunities/Open RFP's and Bid Status/Active Bids, Select the desired Bid#. Bids will be available for

inspection by the public after the award has been completed. (In the case of ties, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by "drawing lots or other random means of selection").

Responsive Evaluation:

After the public opening the "hard copy" bid submittals received will be evaluated in private for responsiveness (i.e. meets the minimum of the requirements). Firms not meeting the minimum are deemed to be non-responsive and will be notified in writing by the Authority in a timely manner.

Responsible Evaluation:

The Authority will evaluate the responsive bidder(s) to ensure that the bidder(s) is /are responsible (i.e. a firm that is qualified, responsible and able to provide to the Authority the required services). If the Authority ascertains that the firm has the required ability, capability, experience, knowledge, licensing, insurance and resources to provide the required services, the Authority may proceed with award. If the Authority determines that the firm is deemed to be not responsible, the firm will be notified in writing in a timely manner. The Authority will develop a qualified list based on the evaluation.

Depending on the amount of the award (typically for awards greater than \$50,000), the Authority may take such contract award to the Oakland Housing Authority's Board of Commissioners (BOC) for approval of the award prior to executing a contract with the apparent successful bidder.

6. CONTRACT AWARD

Lowest Responsive and Responsible Bidder:

Award of this IFB will be made to the responsive and responsible bidder that submits the lowest bid/cost based on the **Grand Total** amount submitted on in the attached Cost Form (Exhibit A).

Contract Award Procedure:

If a contract is awarded pursuant to this IFB, the following detailed procedures will be followed:

- The selected Contractor will receive a Contract. For contract amounts above \$50,000, Board approval must be obtained. Therefore, there may be a period of time between the bid due date and issuance of the Purchase Order. Work may NOT commence without a Purchase Order and Notice to Proceed, (see "Notice to Proceed" section below).

- By completing, executing and submitting the Bid Form and required documents, the bidder is thereby agreeing to abide by all terms and conditions pertaining to this IFB as issued by the Authority, either in hard copy or on the noted Internet system, including any applicable contract agreement. Accordingly, the Authority has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published; and in any case the Authority has no power or authority to negotiate any clauses contained within any attached HUD documents.

Contract Terms and Conditions:

The following provisions are considered mandatory conditions of any contract award made by the Authority pursuant to this IFB:

Contract Form: As the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, the contract must comply with all applicable HUD requirements specified in HUD-5370 General Conditions for Construction Contracts. The Contractor must also comply with all Authority requirements as applicable based on contract size which will be incorporated into any contracts awarded.

The Oakland Housing Authority will not execute a contract solely on the successful bidder's form. Contracts will only be executed on the required Oakland Housing Authority and/or HUD forms, and by submitting a bid the successful bidder agrees to do so (please note that the Authority reserves the right to amend the form(s) as deemed necessary). However, the Authority will, during the IFB process, (prior to the submittal deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request to do so. Failure of the Oakland Housing Authority to include such clauses does not give the successful bidder the right to refuse to execute the Authority's contract form. It is the responsibility of each prospective bidder to notify the Authority, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Authority will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide by the Authority's response (decision), then that prospective bidder's bid shall be deemed non-responsive.

Workmanship Warranty: The Contractor shall warrant that the work performed will conform to the contract requirements, industry standards, and manufacturer product standards for a period of one (1) year from the final acceptance of the work. The contractor shall remedy, at the contractor's expense, any failure to conform, or any defect of equipment or workmanship furnished by the Contractor. Failure to correct the defect will

result in the Contractor being determined to be “non-responsible” and may be disqualified by the Authority for future projects.

Warranty/Guarantee: All work provided shall be warranted or guaranteed by the Contractor for a period of time of not less than 365 days.

Assignment of Personnel:

The Oakland Housing Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Authority believes that such change is in its best interest and the completion of the contracted work.

Unauthorized Sub-Contracting Prohibited:

The successful bidder shall not assign any right, nor delegate any duty for the work proposed pursuant to this IFB (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without prior written consent of the CO shall be void and may result in the cancellation of the contract with the Authority, or may result in the full or partial forfeiture of funds paid to the successful bidder as a result of the proposed contract; either as determined by the CO.

Licensing and Insurance Requirements:

Prior to award (but not as a part of the bid submission) the *successful bidder* will be required to provide:

- An original certificate evidencing the bidder’s appropriate licensing; current industrial (worker’s compensation) insurance carrier and coverage amount;
- Insurance certificates evidencing all applicable insurance requirements as specified in “OHA’s Insurance Requirements for Contractors”.
- A copy of the bidder’s business license allowing that entity to provide such services within the appropriate jurisdiction (State of California).
- A copy of the bidder's license issued by the State of California licensing authority allowing the bidder to provide the services detailed herein such as the Specialty Contractor license classification.

Contract Service Standards:

All work performed pursuant to this IFB must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

7. NOTICE TO PROCEED

Upon receipt of the Purchase Order, the Contractor will meet with the Project Manager prior to commencing any site work. The Contractor shall not start any project without an approved and signed Purchase Order and "Notice to Proceed" from the Project Manager. The following documents and/or processes will be required prior to obtaining a Purchase Order and Notice to Proceed (if applicable):

1. Insurance Requirements: the Authority will require the selected Contractor to meet statutory insurance requirements and provide proof of insurance in accordance with HUD-5370 as applicable, depending on the size of the contract.
2. Section 3 Reports: Section 3 Reports, if applicable, must be submitted to the CCGS Department on a monthly basis.
3. Subcontractor Form: The Subcontractor List Form (refer to Attachments) must be submitted.
4. Form HUD 5369-A: If not already submitted.
5. Any Other Applicable Required Documents.

8. PAYMENT

All invoices to Authority shall be itemized, with each installment to be on a separate bill. Bills shall be itemized in the following manner:

1. Identify invoice period (example: Jan 1, XX14 to Jan 30, XX14)
2. Identify bid # and address
3. Indicate purchase order number
4. Attach Schedule of Values
5. Unconditional lien releases (for all materials and subs) starting at billing #2 for the previous billing.

Contract Term: The Oakland Housing Authority intends to enter into a two year contract with the selected firm(s), with the option to extend the contract for three, additional one year terms.

Multifamily Assisted Housing Reform and Accountability Act of 1997**

Introduction

While many factors affect the soundness of a mortgage loan over time, one of the most significant is the physical condition of the property - past, present and future. A prudent lender must be concerned with the past maintenance and improvements because they may indicate owner and management practices as well as expenses to be incurred in the future. The lender must be concerned with the condition of the property at the time the loan is made, and over the term of the loan, because property condition may directly impact marketability to prospective tenants and the need for major expenditures may impact the economic soundness and value of the property. The lender must also be concerned with the condition of the property at the end of the loan term. If the property has deteriorated, the owner may not be able to secure sufficient financing to pay off the loan at maturity.

Most lenders have always given some attention to physical conditions and needs of properties in their underwriting. However, the amount of attention, the data secured, the quality and analysis of that data, and the impact of this information on underwriting has varied widely. Indeed, many properties and the loans that they secure are now in trouble because of inadequate consideration of physical needs in the underwriting coupled with inadequate attention to property maintenance which has diminished the marketability and overall value of the property.

The guidance and forms in this package, together with the guidance provided to our lenders in our Delegated Underwriting and Servicing (DUS) and Multifamily Guides, is based upon a desire to see a more standardized approach to assessing the physical needs of properties that will be securing our loans. These documents attempt to respond to stated desires on the part of our lenders for a “level playing field” among competing lenders who may otherwise have different notions of the level of data and analysis required to assess a property’s physical condition. They also attempt to respond to the needs of property evaluators who, desiring to produce the quantity and quality of information deemed necessary, need specific guidance to avoid the appearance of glossing over problems or providing material which is too detailed or complex to be usable by the underwriters.

These documents are meant to provide useful guidance and tools to the evaluators. They cannot cover all situations and are not meant to be inflexible. They are designed to elicit the judgment of the evaluator (in a format which is useful to the underwriter), not to substitute for it. We welcome comments from evaluators in the field, as we did in developing this package, on improving either our forms or guidance so that this package can best serve the needs of both the evaluators and our lenders. If you have such comments, please contact the Office of Affordable Housing Preservation, U.S. Department of Housing and Urban Development, at resourcesdeskweb@oahp.net.

Specific Guidance to the Property Evaluator

Purpose

The purpose of the Physical Needs Assessment is to identify and provide cost estimates for the following key items:

- Immediate Physical Needs - repairs, replacements and significant maintenance items which should be done immediately
- Physical Needs Over the Term - repairs, replacements and significant maintenance items which will be needed over the term of the mortgage and two years beyond.

As part of the process, instances of deferred maintenance are also identified.

The assessment is based on the evaluator's judgment of the actual condition of the improvements and the expected useful life of those improvements. It is understood that the conclusions presented are based upon the evaluator's professional judgment and that the actual performance of individual components may vary from a reasonably expected standard and will be affected by circumstances which occur after the date of the evaluation.

This package explains how to use the set of forms provided by Fannie Mae. It is important to recognize that the forms are intended to help the evaluator conduct a comprehensive and accurate assessment. They also present the results of that assessment in a relatively standard format which will be useful to the lender in making underwriting decisions. However, the forms should not constrain the evaluator from fully presenting his or her concerns and findings. The forms should be used and supplemented in ways which facilitate the preparation and presentation of information useful to the lender regarding the physical needs of the property.

The Systems and Conditions forms may be altered and/or computerized to serve the evaluators' needs so long as information is provided on the condition and Effective Remaining Life of all components and the Effective Remaining Life is compared to the standard Expected Useful Life (EUL). The Summary forms may also be extended or computerized so long as the basic format is maintained.

Terms of Reference Form

The lender completes this form for the evaluator. It serves as a reference point for the assessment and provides the evaluator with basic information about the property and the term of the loan. Four additional topics are covered:

- *Sampling Expectations* - The lender's expectations about the number and/or percentage of dwelling units, buildings and specialized systems to evaluate may be stated. If there is no stated expectation, the evaluator should inspect sufficient units, buildings, and numbers of specialized systems to state *with confidence* the present and probable future condition of each system at the property. The evaluator should provide a separate statement indicating the sampling systems used to ensure a determination of conditions and costs with acceptable accuracy. If a Sampling Expectation is provided by the lender which is not adequate to achieve the requisite level of confidence, the evaluator should so advise the lender.

Considerations in determining an adequate sample size are age and number of buildings (especially if the property was developed in phases), total number of units, and variations in size, type and occupancy of units. Effective sampling is based on observing a sufficient number of each significant category. Using the above criteria, categories could include *buildings by age of each building* (e.g. inspect buildings in the 8 year old phase and in the 11 year old phase), *buildings by type* (e.g. rowhouse, L-shaped rowhouse, walkup, elevator) and/or *buildings by construction materials* (e.g. inspect the garden/flat roof/brick walls section and the garden/pitched roof/clapboard walls section). Dwelling units are separate categories from buildings. At a minimum, sampling is by unit size (0/1/2/3/4 bedrooms). There may be further categories if units are differently configured or equipped, or have different occupants (especially family or elderly). Generally, we would expect the percentage of units inspected to decrease as the total number of units increases. Systems which are not unit specific, such as boilers, compactors, elevators and roofs, will often have a 100% sample.

The overriding objective: SEE ENOUGH OF EACH UNIT TYPE AND SYSTEM TO BE ABLE TO STATE WITH CONFIDENCE THE PRESENT AND PROBABLE FUTURE CONDITON.

- *Market Issues* - In certain instances, market conditions may necessitate action on certain systems. Examples are early appliance replacement or recarpeting, new entry paving, special plantings, and redecorated lobbies. If the owner or lender has identified such an action, the evaluator should include a cost estimation for such action and indicate what, if any, other costs would be eliminated by such action.
- *Work In Progress* - In some instances, work may be underway (which can be observed) or under contract. When known by the lender, this will be noted. For purposes of the report, such work should be assumed to be complete, unless observed to be unacceptable in quality or scope.

- *Management-Reported Replacements* - In some instances, the property ownership or management will provide the lender with information about prior repairs or replacements which have been completed in recent years. The lender may provide this information to the evaluator to assist in the assessment of these components. The evaluator should include enough units, buildings, or systems in the sample to reasonably verify the reported repairs or replacements.

Systems and Conditions Forms

It is the responsibility of the evaluator to assess the condition of every system which is present at a property. All conditions, except as noted below, requiring action during the life of the loan must be addressed regardless of whether the action anticipated is a capital or operating expense.

To assist evaluators in reviewing all systems at a property, four Systems and Conditions Forms are provided. Each lists a group of systems typically related by trade and/or location. The four forms are Site, Architectural, Mechanical and Electrical, and Dwelling Units. While the forms have several columns in which information may be recorded, *in many instances only the first three columns will be completed*. If the condition of a system is acceptable, the Effective Remaining Life exceeds the term of the mortgage by two years, and no action is required, no other columns need to be completed.

The report is not expected to identify minor, inexpensive repairs or other maintenance items which are clearly part of the property owner's current operating pattern and budget so long as these items appear to be taken care of on a regular basis. Examples of such minor operating items are occasional window glazing replacement and/or caulking, modest plumbing repairs, and annual boiler servicing. However, the evaluator *should* comment on such items in the report if they do not appear to be routinely addressed or are in need of immediate repair.

The report is expected to address infrequently occurring "big ticket" maintenance items, such as exterior painting, all deferred maintenance of any kind, and repairs or replacements which normally involve significant expense or outside contracting. While the evaluator should note any environmental hazards seen in the course of the inspection, environment-related actions, such as removal of lead-based paint, will be addressed in a separate report prepared by an environmental consultant.

Using the Systems and Conditions Forms

Purpose

The forms can be used both to record actual observations at a specific location and for an overall summary. For example, the Architectural form can be used for a specific building (or group or identical buildings) as well as for summarizing all information for buildings at a property. The same is true for the Dwelling Unit form. An unlabeled form is included which can be used as a second page for any of the Systems and Conditions Forms.

In some instances, the evaluator will note components which, while they may continue to be functional, may reduce marketability of the property. For example, single-door refrigerators or appliances in outmoded colors may have such an impact in some properties. The evaluator should note these items, discuss them with the lender, and provide separate estimates of the cost to replace such items if requested.

Items (EUL)

Each of the four forms has a number of frequently-occurring systems and components listed. This list represents only the most frequently observed and is not meant to be all inclusive. *Every system present at the property must be observed and recorded.* Any system not listed on the form may be included in the spaces labeled Other. Note that the assessment includes the systems and components in both residential and non-residential structures. Thus, garages, community buildings, management and maintenance offices, cabanas, pools, commercial space, and other non-residential buildings and areas are included.

The Expected Useful Life (EUL) figure which appears in parentheses after the Item is taken from the Expected Useful Life Table provided. This table provides standard useful lives of many components typically found in apartment complexes. Where the parentheses do not contain a number, it is because there are various types of similar components with differing economic lives. The evaluator should turn to the Expected Useful Life Table and select, and insert, the appropriate Expected Useful Life (EUL) number. If the Expected Useful Life (EUL) will, without question, far exceed the term of the mortgage plus two years, the Expected Useful Life (EUL) number need not be inserted.

Note: It is recognized that the Expected Useful Life Tables represents only one possible judgment of the expected life of the various components. If we receive substantial material to the effect that one or more of the estimates are inappropriate, we will make adjustments. Until such changes are made, the Tables provide a useful and consistent standard for all evaluators to use. They avoid debate on what the appropriate expected life is and permit focus on the evaluator's judgment of the effective remaining life of the actual component in place, as discussed below.

Age

The evaluator should insert the actual Age of the component or may insert "OR" for original. If the actual age is unknown, an estimate is acceptable. If there is a range in Age (for example, components replaced over time), the evaluator may note the range (i.e., 5-7 years) or may use several lines for the same system, putting a different Age of that system on each line.

Condition

This space is provided to indicate the Condition of the component, generally excellent, good, fair, or poor, or a similar and *consistent* qualitative evaluation.

Effective Remaining Life

This space is provided for the evaluator to indicate the remaining life of the component as is. For standard components with standard maintenance, the Expected Useful Life Table provided by the Lender could be used to determine Effective Remaining Life by deducting the Age from Expected Useful Life (EUL). However, this should not be done automatically. A component with unusually good original quality or exceptional maintenance could have a longer life. On the other hand, if the component has been poorly maintained or was of below standard original quality, the useful life could be shorter than expected. *The evaluator applies his or her professional judgment in making a determination of the Effective Remaining Life.*

If the Effective Remaining Life *is longer than the term of the loan plus two years, no deferred maintenance exists, and no action needs to be taken during the life of the loan, no other columns need to be filled out.* The only exception may be Diff? (Difference), as discussed below. This should be noted when the evaluator's estimate of the Effective Remaining Life varies by more than two years from the standard estimate.

Diff? (Difference)

The Age of the component should be deducted from the Expected Useful Life (EUL) in parentheses and the answer compared to the Effective Remaining Life estimated by the evaluator. Where there is a difference of over two years, the evaluator should insert a footnote number in the DIFF? (Difference) column and supply, in an attached list of footnotes, a brief statement of why, in his or her judgment, the Effective Remaining Life of the component varies from the standard estimate. This approach provides consistency among evaluators while making best of the evaluators' professional judgment.

Action

If any Action is required - immediately, over the life of the loan, or within two years thereafter - the Action should be recorded as *repair, replace, or maintain.* Repair is used when only a part of an item requires action, such as the hydraulics and/or controls of a

compactor. Replace is used when the entire item is replaced. Maintain is used where special, non-routine maintenance is required, such as the sandblasting of a swimming pool. In cases where a repair or maintenance may be needed now, and replacement or further maintenance may be needed later, separate lines may be used to identify the separate actions and timing.

Now?

If the item involves a threat to the immediate health and safety of the residents, clearly affects curb appeal, will result in more serious problems if not corrected, or should otherwise be accomplished as part of an immediate repair, maintenance or replacement program, this space should be checked. Replacements which may be needed in year one, but do not require immediate attention, need not be checked.

DM (Deferred Maintenance)

The DM (Deferred Maintenance) space is marked in any instances where current management practice is clearly inadequate and the owner's attention should be called to the item, even if no major expenditure or significant labor may be required.

Quantity

For items requiring action, the evaluator should note the Quantity of the system, with the applicable unit of measure entered (each, unit, square feet, square yards, linear feet, lump sum, etc.).

Field Notes

This space, as well as attachments may be used to record the type of component (16cf, fros. free, Hotpoint), the problem (valves leaking) or other information (consider replacement for marketing purposes, replace 30% per year, work in progress, etc.) that the evaluator will need to complete the Evaluator's Summary.

Sample Form

The following example from the Dwelling Unit Systems and Conditions form illustrates how this form is properly used. The example presumes an 11 story building containing 1 and 2 bedroom units. There are 100 units. The age of the building is 9 years. The term of the proposed loan is 7 years.

ITEM (EUL)	AGE	COND	ERL	DIFF ?	ACTION	NOW ?	DM ?	QUANTITY	NOTES
Countertop/Sink (10)	9	EX	10+	1	-	-	-	- ea.	Corian Stainless Steel
Refrigerator (15)	9	Good	6	-	REPL	-	-	100ea	Hot point 16cf. If 20%/yr @ YR 5
Disposal (5)	0-9	Good	0-5	-	REPL	-	-	100ea	20%/yr. @ YR. 1 OPTE
Bath Fixtures (20)	9	Good	11+	-	-	-	-	-	Dated Looking Repair - Now
Ceiling 04 stack ()	9	Water Damage	-	-	Repair	Yes	-	10ca	Plumbing Leak

Countertops/sinks are 9 years old. (The entry could also be "OR"). Condition is excellent, with an Effective Remaining Life of 10 years. This is significantly different from the anticipated Effective Remaining Life of 1 (an EUL of 10 years minus an Age of 9 years). Therefore, there is a footnote entry "1" in the Diff? (Difference) column. The footnote will indicate that this item is made of an exceptionally durable material (Corian), along with a top quality stainless steel sink. The evaluator's estimate of an Effective Remaining Life of 10 years + is beyond the term of +2. No capital need would be reported.

Refrigerators are also original, reported as 16 cf frost free Hotpoints. Replacement is expected around the Effective Remaining Life, noted as 20% annually and beginning in the 5th year of the loan when the refrigerators are 14 years old.

Disposals range from new to original (Age = 0-9). 20% per year replacements will be needed starting in year 1. The evaluator notes that disposals appear to be replaced as part of the project's normal operations.

Bath fixtures are original, and in good condition. No replacement is expected to be required during the term +2 years. The note indicates that they are "dated looking," which may prompt a market consideration for replacement.

Ceiling is a special entry. The "04" stack of units has experienced water damage to ceiling from major plumbing leak. This is noted for repair NOW. As this apparently occurs in all 10 units in this stack and therefore is likely to have more than a modest cost, this action would be reported on the Immediate Physical Needs summary form.

Evaluator's Summary Form

Two separate forms are used to summarize the evaluator's conclusions from the Systems and Conditions Forms. One summarizes Immediate Physical Needs and the other summarizes the Physical Needs Over The Term +2 years.

Evaluator's Summary: Immediate Physical Needs

All of the items for which Now? is checked are transferred to this form. This form provides for the listing of Items, Quantity, Unit Cost and Total Cost of each. The Item and Quantity are transferred directly from the Systems and Conditions Form.

Unit Cost - This is the cost per unit (sf, ea, lf, etc.) in current dollars to implement the required action. The source of the cost estimate should be listed in a separate attachment. The sources may include a third-party estimation service (e.g., R.S. Means: *Repair and Remodeling Cost Data*), actual bid or contract prices for the property, estimates from contractors or vendors, the evaluator's own cost files, or published supplier sources.

Total Cost - This is the result of multiplying the quantity times the unit cost. It is expressed in current year dollars.

DM (Deferred Maintenance) - If the item evidences deferred maintenance, this column is checked.

Comments - the comments column, or an attachment, should clearly provide information on the location and the nature of problem being addressed for each item. The information should be adequate for the owner to begin to implement the action.

Evaluator's Summary: Physical Needs Over the Term

Those items not listed on the Immediate Physical Needs form, but for which action is anticipated during the term of the loan plus two years, are listed on the form. The item and Quantity are transferred directly from the Systems and Conditions Form. The Unit Cost is calculated in the same manner as on the Immediate Physical Needs Form. An attachment should be provided which gives any necessary information on the location of action items and the problem being addressed for each item. The information should be adequate for the owner to begin to implement the action.

Cost by Year - the result of multiplying the quantity times the unit cost, in current dollars, is inserted in the column for the year in which the action is expected to take place. Generally, the Effective Remaining Life estimate provided by the evaluator on the Systems and Conditions will indicate the action year. For example, if the evaluator has indicated that the Effective Remaining Life of the parking lot paving is 4 years, the cost, in current dollars, is inserted in Year 4. If the items are likely to be done over a number of years, the costs, in current dollars should be spread over the appropriate period. For example, if the Effective Remaining Life of the Refrigerators is estimated to be 4 years,

or 3-5 years, one third of the cost of replacing the refrigerators may appear in each of Years 3, 4, and 5.

Total Uninflated - After inserting all of the appropriate action items, the evaluator should total the items for each year.

Total Inflated - The evaluator should multiply the Total Uninflated times the factor provided to produce the Total Inflated.

Total Inflated All Pages - On the last sheet, the evaluator should include the Total Inflated Dollars for that page and all prior pages.

Cumulative Total All Pages - On the last sheet, the evaluator should insert the Total Inflated Dollars of that year and all prior years.

Special Repair and Replacement Requirements

While performing a property inspection, the evaluator must be aware that certain building materials and construction practices may cause properties to experience (or to develop in a short time period) problems that can be corrected only with major repairs or replacements. The following identifies some specific construction related problems; however, the evaluator must be aware that other construction related problems may be found in any property and should be identified. If any of the following requirements are not met or if the evaluator determines that the following conditions (or others) are present, *the evaluator must contact the lender immediately to discuss the timing as well as the cost of the repairs or replacements.* The evaluator should ensure that any of these conditions are thoroughly addressed in the Physical Needs Assessment.

Minimum Electrical Capacity - Each apartment unit must have sufficient electrical capacity (amperage) to handle the number of electrical circuits and their use within an apartment. Therefore, the evaluator must determine, based on referencing the National Electric Code as well as local building codes, what is the minimum electrical service needed. In any event, that service must not be less than 60 amperes.

Electrical Circuit Overload Protection - All apartment unit circuits, as well as electrical circuits elsewhere in an apartment complex, must have circuit breakers as opposed to fuses as circuit overload protection.

Aluminum Wiring - In all cases, where aluminum wiring runs from the panel to the outlets of a unit, the evaluator's inspection should ascertain that the aluminum wiring connections (outlets, switches, appliances, etc.) are made to receptacles rated to accept aluminum wiring or that corrective repairs can be done immediately by the owner.

Fire Retardant Treated Plywood - While performing the roof inspection, the evaluator should investigate whether there is any indication that fire-retardant treated plywood was

used in the construction of the roof (primarily roof sheathing). This inspection should focus on sections of the roof that are subjected to the greatest amount of heat (e.g., areas that are not shaded or that are poorly ventilated) and, if possible, to inspect the attic for signs of deteriorating fire-retardant treated plywood or plywood that is stamped with a fire rating.

Our concern is that certain types of fire-retardant treated plywood rapidly deteriorate when exposed to excessive heat and humidity or may cause nails or other metal fasteners to corrode. Common signs of this condition include a darkening of the wood and the presence of a powder-like substance, warping of the roof and the curling of the shingles. Fire-retardant treated plywood is most likely to be in townhouse properties or other properties with pitched, shingled roofs that were constructed after 1981 and that are located in states east of the Mississippi River and some southwestern states.

Narrative Conclusion and Attachments

A complete narrative summary of the property and its components is not required. However, the evaluator should supply a concise summary of the conclusions reached concerning the overall condition of the property, its future prospects, and the quality of the current maintenance programs. *Any items affecting the health and safety of residents should be clearly flagged.*

The summary should include a discussion of the sampling approach used, discussed above, and any market issues which the evaluator believes it may be appropriate to address or which were noted by the lender.

The narrative, the forms use and the attachments (footnotes explaining Differences, information regarding sources of costs, and, if necessary, information needed to identify the location and type of problem addressed in the Evaluator's Summary: Physical Needs Over the Term) should be supplied.

Rental Assistance Demonstration Program Environmental Restrictions Checklist

Project Name and Location (Street, City, County, ST, Zip Code):	Owner Name, Address (Street, City, ST, Zip Code), and Phone:	
Project Description:		
ENVIRONMENTAL REVIEW FINDINGS	YES	NO
FLOOD PLAIN		
Is the project located in a FEMA Special Flood Hazard Area? (Current flood plain maps should be found in each HUD field office or call FEMA at 1-877-FEMA-MAP, FEMA's web site URL is www.fema.gov/FHM/)		
Identify Map Panel and Date		
Does the project currently carry Flood Insurance?		
Do any structures appear to be within or close to the floodplain? (If yes and if the project does not currently carry flood insurance, flood insurance is required.)		
HISTORIC PRESERVATION (If yes, identify relevant restrictions below.)		
Is the property listed on the National Register of Historic Places?		
Is the property located in a historic district listed on the National Register of Historic Places?		
Is the property located in a historic district determined to be eligible for the National Register?		
AIRPORT HAZARDS		
Is the project located in the clear zone of an airport? (24 CFR Part 51 D. If yes, Notice is required.)		
HAZARDOUS OPERATIONS		
Is there any evidence or indication of manufacturing operations utilizing or producing hazardous substances (paints, solvents, acids, bases, flammable materials, compressed gases, poisons, or other chemical materials) at or in close proximity to the site?		
Is there any evidence or indication that past operations located on or in close proximity to the property used hazardous substances or radiological materials that may have been released into the environment?		
EXPLOSIVE/FLAMMABLE OPERATIONS/STORAGE (24 CFR Part 51C)		
Is there visual evidence or indicators of unobstructed or unshielded above ground storage tanks (fuel oil, gasoline, propane etc.) or operations utilizing explosive/flammable material at or in close proximity to the property?		
FOR YES RESPONSES, SUMMARIZE RESTRICTIONS BELOW:		

RENTAL ASSISTANCE DEMONSTRATION PROGRAM ENVIRONMENTAL RESTRICTIONS CHECKLIST

ENVIRONMENTAL REVIEW FINDINGS	YES	NO
TOXIC CHEMICALS AND RADIOACTIVE MATERIALS		
Petroleum Storage		
Is there any evidence or indication of the presence of commercial or residential heating activities that suggest that underground storage tanks may be located on the property?		
If yes, are any such tanks being used? If yes, indicate below whether the tank is registered, when it was last tested for leaks, the results of that test, and whether there are any applicable state or local laws that impose additional requirements beyond those required under federal law.		
Are there any out-of-service underground fuel storage tanks? If yes, indicate whether the tank was closed out in accordance with applicable state, local and federal laws.		
Is there any evidence or indication that any above ground storage tanks on the property are leaking?		
Polychlorinated Biphenyls (PCB)		
Is there any evidence or indication that electrical equipment, such as transformers, capacitors, or hydraulic equipment (found in machinery and elevators, installed prior to July 1, 1984) are present on the site?		
If yes, is any such equipment (a) owned by anyone other than a public utility company; and (b) not marked with a "PCB Free" sticker?		
If yes, indicate below whether such equipment has been tested for PCBs, the results of those tests, and (if no testing has been performed) the proposed testing approach. (Electrical equipment need not be tested but will be assumed to have PCBs)		
If PCBs are found in non-electrical equipment over 50ppm it must be replaced or retrofitted, otherwise any equipment with PCBs or assumed to have PCBs require an O&M Plan.		
Asbestos Containing Materials (ACM)		
Is there any evidence or indication of ACM insulation or fire retardant materials such as boiler or pipe wrap, ceiling spray, etc. within the buildings on the property? If yes, the property is required to have an Operations and Maintenance Plan for asbestos containing materials.		
Lead Based Paint		
Are there residential structures on the property that were built prior to 1978?		
If yes, has the property been certified as lead-free?		
If property has not been certified as lead-free, has a Risk Assessment been completed?		
If yes, has the owner developed a plan including Interim Controls to address the findings of the Risk Assessment including Tenant notifications and an Operations and Maintenance plan?		
If yes, has a qualified Risk Assessor reviewed the Owner's plan and O&M plan for compliance with 24 CFR 35?		
EASEMENT AND USE RESTRICTIONS		
Are there easements, deed restrictions or other use restrictions on this property? (e.g. oil and gas well pumping, transformer boxes/units, navigation, microwave, rights of way (ROW), for hi-voltage power transmission lines, interstate/intrastate gas and liquid petroleum pipelines, etc.)		
FOR YES RESPONSES, SUMMARIZE RESTRICTIONS BELOW:		
<p>If you have questions, please call or E-mail the HUD Housing Environmental Clearance Officer, Eric Axelrod at Eric.Axelrod@HUD.GOV or 202-708-1104 x 2275.</p>

**Rental Assistance Demonstration Program (RAD)
Integrated Pest Management Inspection Report**

(Date) _____

Project Name: _____

FHA Number: _____

Section 8 Expiration Date: _____

Dear (Property Owner):

At the meeting held on _____ of 20____, we provided the (# of Units) units with Integrated Pest Management (IPM) materials and information to assist in gathering data for the property's IPM review. Below is a report of our glue trap findings, comments, and infestation status (high, moderate, low, none). (Lengthen the table as needed to reflect all units, whether glue traps were returned to IPM inspector or not. Include results from common areas monitored such as laundry, interior trash handling, and storage areas.)

Unit	Visually Inspected	# Traps Collected	Kitchen Trap Count	Bathroom Trap Count	Maintenance Issues	Housekeeping Issues	Other Comments	Status (H, M, L, N)

After analyzing the findings of the glue traps, we conducted a visual inspection of () units (see attached photos) and have concluded that the glue trap findings (do / do not) reflect the current state of infestation in the units and property.

(IF APPLICABLE) Because of the severity of the infestation found during the visible inspection of the () units, we determined that a more extensive visual inspection of the property was required. We inspected () units, in addition to the () units and have determined the following:

The Green Retrofit Physical Condition Assessment scope of work, at Part 3.2.D.ii requires a "... detailed narrative describing the property's pest infestation, if any, and a corrective course of action for each infestation, and if needed, specific actions for serious infestations within individual units." (IPM Inspector – add comments below)

In addition to the inspection of the units, we inspected the interior and exterior areas of the property for evidence of infestations in the trash disposal areas, laundry facilities, storage areas and any other common area where water and/or food storage is present. Additionally, we inspected all areas where the envelope has been penetrated and all points of ingress/egress for any entry points for pests. Below are our findings for these areas, with a status (high, moderate, low, none) noted, and comments for corrective measures, both immediate and long-term. (Lengthen the table as needed to reflect all areas inspected)

Area	Comments	Status

Based on the above findings, interviews with the property managers, maintenance staff, and tenants, and the review of all documentation made available to us regarding past Pest Control effort we conclude the following course of action is required: (The RPCA Scope of Work requires, at Part 3.2.D.IV, "[the report details]... an immediate course of action, which identifies and estimates the cost of the measures required to address the pest infestations for each identified group (see prior paragraph) and an continuing course of action for using IPM principles at the property"). (IPM Inspector - add detailed comments below for the units and the common areas including the recommendations from Exhibit 2)

Sincerely,

(Name of IPM Contractor)

Member of (QualityPro Green, EcoWise, GreenShield, or other certification program accepted by HUD in its sole discretion)

USING GLUE TRAPS

(from the National Center for Healthy Housing)

Cockroaches don't like the light. They prefer the dark. When you see one, the infestation is probably serious. There may be thousands more hidden. Cockroach glue traps left out overnight in the right places are a better way to identify a problem.

Cockroach glue traps are a strip of cardboard with glue on it. The glue traps come in many shapes and styles. The two most basic types come in a triangle or a flattened tube.

Cockroaches on Glue Traps.

They can also be a small, open-face, tray of glue. Avoid these traps since pets and, sometimes, a curious child can get the trap stuck on them. If a mouse gets stuck, it will most likely die after hours of squeaking. People in the area will not be happy. Leave the tray of glue to the professionals.

Please note that glue traps are only useful to monitor for cockroaches. They will not eliminate the cockroaches since only adult cockroaches are likely to be caught.

Setting up the Trap: Each brand is different. Read the instructions. Practice on a few to get it right. Make sure you write the date and location on the trap. Once cockroaches are on the trap, it will be difficult to label. Generally:

- Mark date and location on trap;
- Fold it in the proper shape to get the angles right;
- Open it back up;
- Remove paper that covers glue;
- Fold it into shape using glue to hold it.

You may want to use gloves to avoid getting the glue on your fingers. If you do get glue on you, use a good grease removing detergent such as hand dishwashing soap to get it off. It is not dangerous but it sure is sticky.

Placing the Trap: Cockroaches run along corners. Place the traps in the corner of two walls so the cockroach running along the wall will go through it. Put the trap in places with food, heat and moisture, especially where you see frass (cockroach debris, especially feces). Cockroaches leave it wherever they go.

- Under couch

FOR THE PEST MANAGEMENT PROFESSIONAL

Checking / Collecting the Trap: Make it part of your routine to check the traps for cockroaches. If you find a cockroach in a trap, remove the trap, replace it with a new one, and put the old one in a zip lock bag. You may want to use tongs to pick it up since the cockroaches may be alive.

Write down as clearly as you can where the trap was located on the bag or on paper that you put in the bag. Seal the bag.

It is important to save the trap and its location information. The pest management professional (PMP) needs it to identify the type of cockroach and more quickly find the location of the infestation.

Section 3 Business Certification and Action Plan

IFB #14-007 Rental Assistance
Demonstration (RAD) Physical
Condition Assessment (RPCA)
Report

Oakland Housing
Authority

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy (EOP)** to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority**. This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact OHA at S3hire@oakha.org or 510-587-5160 for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

Employment Development Coordinator
Family & Community Partnerships Department
Phone: 510.587.5160
Fax: 510.587.5141
Email: S3hire@oakha.org

New Hire Section 3 Information Form

General contractors and subcontractors will be provided this form upon award. Every **new hire** should be requested to complete the form. The form provides the means to determine Section 3 eligibility of the employee. The forms should be submitted to OHA as soon as possible after hiring for verification of Section 3 status.

Monthly Reports

OHA requires monthly reports listing all new hires and Section 3 hires from all contractors and subcontractors on Section 3 covered projects. A sample report will be provided. Reports shall be due on the fifth day of each month for the preceding month. These reports shall be submitted to:

Rufus Davis, Labor and Section 3 Compliance Officer
Office of Program Administration
Phone: 510.587.2176
Fax: 510.587.2124
Email: jrdavis@oakha.org

Record Maintenance and Documentation

All projects and activities that are subject to Section 3 requirements shall maintain comprehensive documentation of their Section 3 outreach efforts and implementation activities. Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

Useful Definitions

Business Concern

A business entity formed in accordance with state law, and which is licensed under state, county or municipal law to engage in the type of business activity for which it was formed.

“Greatest Extent Feasible”

Recipients of Section 3 financial assistance must make every effort within their disposal to meet the regulatory requirements. For instance, this may mean going a step beyond normal notification procedures for employment and contracting opportunities by developing strategies that will specifically target Section 3 residents and businesses for these new economic opportunities.

Household Income Levels

Low and very-low income limits are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. HUD income limits can be obtained from www.huduser.org/portal/datasets/il.html.

New Hire

A new hire means a full-time employee for a new permanent, temporary, or seasonal position that is created as a direct result of the expenditure of federal funds on Section 3 covered projects. Any employee that is not on the payroll of a contractor or developer on the day [i.e., that a purchase order is issued or the day a contract is signed or agreed upon] that the Section 3 covered assistance was provided, is considered a new hire.

Section 3 Business Concern

A business concern that meets one or more of the following requirements:

- 51% or more owned by Section 3 residents
- 30% or more of permanent, full-time workforce consists of Section 3 residents
- Provides evidence to subcontract at least 25% of the dollar awarded to qualified Section 3 businesses

Section 3 Resident

- (1) An Oakland Housing Authority public housing resident or Section 8 voucher holder; or
- (2) An individual who resides in the service area (Oakland) in which the Section 3 covered assistance is expended, and whose income status is as follows:

Number of People in Household	Annual Household Income Limits (Source: 24 CFR 570.3)
1	\$45,100 or less
2	\$51,550 or less
3	\$58,000 or less
4	\$64,400 or less
5	\$69,600 or less
6	\$74,750 or less
7	\$79,900 or less
8	\$85,050 or less

(Income limits eff. 12/11/2012)

EFFORTS TO ACHIEVE SECTION 3 COMPLIANCE

Indicate the efforts your organization will take to direct employment and other economic opportunities, to the greatest extent feasible, to low-income residents. Think about how you can leverage your resources and expertise to foster training and employment opportunities for Section 3 residents. **Examples** include, but are not limited to, the following. Check all that apply.

- Refer to any list of pre-screened job-ready applicants provided by OHA's Department of Family and Community Partnerships (FCP) (*REQUEST A LIST from FCP at S3hire@oakha.org or 510-587-5160*).
- Utilize and manage union privileges such as name-call, transfer, rehire, and sponsorship.
- Financially sponsor OHA resident(s) in trainings, certifications, professional mentorships, etc.
- Distribute flyers door-to-door to OHA owned and managed properties.
- Run multiple advertisements in local media such as newspapers and radio stations, and/or Internet-based job-posting websites announcing the hiring and contracting opportunities.
- Contract with certified Section 3 businesses, in construction and non-construction trades (*REQUEST A LIST from Rufus Davis at OHA, rdavis@oakha.org or 510-587-2176*).
- Post signs at the entrance to the job site stating that it is a Section 3 covered project.
- Sponsor (schedule, advertise, finance, or provide in-kind services) a job informational meeting to be conducted by the housing authority or a contractor representative.
- Undertake job counseling, education and related programs in association with local educational institutions.
- Other: _____

I attest that the above information is true and correct.

SECTION 3 CLAUSE (24 CFR 135.38)

This contract is subject to the following conditions under Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3).

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor or organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The contractor will certify that any vacant employment positions, including training positions that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprise. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

1. Certificate of Independent Price Determination

(a) The bidder certifies that--

(1) The prices in this bid have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to (i) those prices, (ii) the intention to submit a bid, or (iii) the methods or factors used to calculate the prices offered;

(2) The prices in this bid have not been and will not be knowingly disclosed by the bidder, directly or indirectly, to any other bidder or competitor before bid opening (in the case of a sealed bid solicitation) or contract award (in the case of a competitive proposal solicitation) unless otherwise required by law; and

(3) No attempt has been made or will be made by the bidder to induce any other concern to submit or not to submit a bid for the purpose of restricting competition.

(b) Each signature on the bid is considered to be a certification by the signatory that the signatory--

(1) Is the person in the bidder's organization responsible for determining the prices being offered in this bid or proposal, and that the signatory has not participated and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above; or

(2) (i) Has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above.

_____ [insert full name of person(s) in the bidder's organization responsible for determining the prices offered in this bid or proposal, and the title of his or her position in the bidder's organization];

(ii) As an authorized agent, does certify that the principals named in subdivision (b)(2)(i) above have not participated, and will not participate, in any action contrary to subparagraphs (a)(1) through (a)(3) above; and

(iii) As an agent, has not personally participated, and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above.

(c) If the bidder deletes or modifies subparagraph (a)2 above, the bidder must furnish with its bid a signed statement setting forth in detail the circumstances of the disclosure.

[] [Contracting Officer check if following paragraph is applicable]

(d) Non-collusive affidavit. (applicable to contracts for construction and equipment exceeding \$50,000)

(1) Each bidder shall execute, in the form provided by the PHA/IHA, an affidavit to the effect that he/she has not colluded with any other person, firm or corporation in regard to any bid submitted in response to this solicitation. If the successful bidder did not submit the affidavit with his/her bid, he/she must submit it within three (3) working days of bid opening. Failure to submit the affidavit by that date may render the bid nonresponsive. No contract award will be made without a properly executed affidavit.

(2) A fully executed "Non-collusive Affidavit" [] is, [] is not included with the bid.

2. Contingent Fee Representation and Agreement

(a) Definitions. As used in this provision:

"Bona fide employee" means a person, employed by a bidder and subject to the bidder's supervision and control as to time, place, and manner of performance, who neither exerts, nor proposes to exert improper influence to solicit or obtain contracts nor holds out as being able to obtain any contract(s) through improper influence.

"Improper influence" means any influence that induces or tends to induce a PHA/IHA employee or officer to give consideration or to act regarding a PHA/IHA contract on any basis other than the merits of the matter.

(b) The bidder represents and certifies as part of its bid that, except for full-time bona fide employees working solely for the bidder, the bidder:

(1) [] has, [] has not employed or retained any person or company to solicit or obtain this contract; and

(2) [] has, [] has not paid or agreed to pay to any person or company employed or retained to solicit or obtain this contract any commission, percentage, brokerage, or other fee contingent upon or resulting from the award of this contract.

(c) If the answer to either (a)(1) or (a)(2) above is affirmative, the bidder shall make an immediate and full written disclosure to the PHA/IHA Contracting Officer.

(d) Any misrepresentation by the bidder shall give the PHA/IHA the right to (1) terminate the contract; (2) at its discretion, deduct from contract payments the amount of any commission, percentage, brokerage, or other contingent fee; or (3) take other remedy pursuant to the contract.

3. Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (applicable to contracts exceeding \$100,000)

(a) The definitions and prohibitions contained in Section 1352 of title 31, United States Code, are hereby incorporated by reference in paragraph (b) of this certification.

(b) The bidder, by signing its bid, hereby certifies to the best of his or her knowledge and belief as of December 23, 1989 that:

(1) No Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on his or her behalf in connection with the awarding of a contract resulting from this solicitation;

(2) If any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on his or her behalf in connection with this solicitation, the bidder shall complete and submit, with its bid, OMB standard form LLL, "Disclosure of Lobbying Activities;" and

(3) He or she will include the language of this certification in all subcontracts at any tier and require that all recipients of subcontract awards in excess of \$100,000 shall certify and disclose accordingly.

(c) Submission of this certification and disclosure is a prerequisite for making or entering into this contract imposed by section 1352, title 31, United States Code. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure form to be filed or amended by this provision, shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

(d) Indian tribes (except those chartered by States) and Indian organizations as defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B) are exempt from the requirements of this provision.

4. Organizational Conflicts of Interest Certification

The bidder certifies that to the best of its knowledge and belief and except as otherwise disclosed, he or she does not have any organizational conflict of interest which is defined as a situation in which the nature of work to be performed under this proposed contract and the bidder's organizational, financial, contractual, or other interests may, without some restriction on future activities:

(a) Result in an unfair competitive advantage to the bidder; or,
(b) Impair the bidder's objectivity in performing the contract work.

[] In the absence of any actual or apparent conflict, I hereby certify that to the best of my knowledge and belief, no actual or apparent conflict of interest exists with regard to my possible performance of this procurement.

5. Bidder's Certification of Eligibility

(a) By the submission of this bid, the bidder certifies that to the best of its knowledge and belief, neither it, nor any person or firm which has an interest in the bidder's firm, nor any of the bidder's subcontractors, is ineligible to:

(1) Be awarded contracts by any agency of the United States Government, HUD, or the State in which this contract is to be performed; or,

(2) Participate in HUD programs pursuant to 24 CFR Part 24.

(b) The certification in paragraph (a) above is a material representation of fact upon which reliance was placed when making award. If it is later determined that the bidder knowingly rendered an erroneous certification, the contract may be terminated for default, and the bidder may be debarred or suspended from participation in HUD programs and other Federal contract programs.

6. Minimum Bid Acceptance Period

(a) "Acceptance period," as used in this provision, means the number of calendar days available to the PHA/IHA for awarding a contract from the date specified in this solicitation for receipt of bids.

(b) This provision supersedes any language pertaining to the acceptance period that may appear elsewhere in this solicitation.

(c) The PHA/IHA requires a minimum acceptance period of [Contracting Officer insert time period] calendar days.

(d) In the space provided immediately below, bidders may specify a longer acceptance period than the PHA's/IHA's minimum requirement. The bidder allows the following acceptance period: calendar days.

(e) A bid allowing less than the PHA's/IHA's minimum acceptance period will be rejected.

(f) The bidder agrees to execute all that it has undertaken to do, in compliance with its bid, if that bid is accepted in writing within (1) the acceptance period stated in paragraph (c) above or (2) any longer acceptance period stated in paragraph (d) above.

7. Small, Minority, Women-Owned Business Concern Representation

The bidder represents and certifies as part of its bid/ offer that it –

(a) [] is, [] is not a small business concern. "Small business concern," as used in this provision, means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding, and qualified as a small business under the criteria and size standards in 13 CFR 121.

(b) [] is, [] is not a women-owned business enterprise. "Women-owned business enterprise," as used in this provision, means a business that is at least 51 percent owned by a woman or women who are U.S. citizens and who also control and operate the business.

(c) [] is, [] is not a minority business enterprise. "Minority business enterprise," as used in this provision, means a business which is at least 51 percent owned or controlled by one or more minority group members or, in the case of a publicly owned business, at least 51 percent of its voting stock is owned by one or more minority group members, and whose management and daily operations are controlled by one or more such individuals. For the purpose of this definition, minority group members are:

(Check the block applicable to you)

[] Black Americans	[] Asian Pacific Americans
[] Hispanic Americans	[] Asian Indian Americans
[] Native Americans	[] Hasidic Jewish Americans

8. Indian-Owned Economic Enterprise and Indian Organization Representation (applicable only if this solicitation is for a contract to be performed on a project for an Indian Housing Authority)

The bidder represents and certifies that it:

(a) [] is, [] is not an Indian-owned economic enterprise. "Economic enterprise," as used in this provision, means any commercial, industrial, or business activity established or organized for the purpose of profit, which is at least 51 percent Indian owned. "Indian," as used in this provision, means any person who is a member of any tribe, band, group, pueblo, or community which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs and any "Native" as defined in the Alaska Native Claims Settlement Act.

(b) [] is, [] is not an Indian organization. "Indian organization," as used in this provision, means the governing body of any Indian tribe or entity established or recognized by such governing body. Indian "tribe" means any Indian tribe, band, group, pueblo, or

community including Native villages and Native groups (including corporations organized by Kenai, Juneau, Sitka, and Kodiak) as defined in the Alaska Native Claims Settlement Act, which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs.

9. Certification of Eligibility Under the Davis-Bacon Act (applicable to construction contracts exceeding \$2,000)

(a) By the submission of this bid, the bidder certifies that neither it nor any person or firm who has an interest in the bidder's firm is a person or firm ineligible to be awarded contracts by the United States Government by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(b) No part of the contract resulting from this solicitation shall be subcontracted to any person or firm ineligible to be awarded contracts by the United States Government by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(c) The penalty for making false statements is prescribed in the U. S. Criminal Code, 18 U.S.C. 1001.

10. Certification of Nonsegregated Facilities (applicable to contracts exceeding \$10,000)

(a) The bidder's attention is called to the clause entitled **Equal Employment Opportunity** of the General Conditions of the Contract for Construction.

(b) "Segregated facilities," as used in this provision, means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, or national origin because of habit, local custom, or otherwise.

(c) By the submission of this bid, the bidder certifies that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The bidder agrees that a breach of this certification is a violation of the Equal Employment Opportunity clause in the contract.

(d) The bidder further agrees that (except where it has obtained identical certifications from proposed subcontractors for specific time periods) prior to entering into subcontracts which exceed \$10,000 and are not exempt from the requirements of the Equal Employment Opportunity clause, it will:

- (1) Obtain identical certifications from the proposed subcontractors;
- (2) Retain the certifications in its files; and
- (3) Forward the following notice to the proposed subcontractors (except if the proposed subcontractors have submitted identical certifications for specific time periods):

Notice to Prospective Subcontractors of Requirement for Certifications of Nonsegregated Facilities

A Certification of Nonsegregated Facilities must be submitted before the award of a subcontract exceeding \$10,000 which is not exempt from the provisions of the Equal Employment Opportunity clause of the prime contract. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e., quarterly, semiannually, or annually).

Note: The penalty for making false statements in bids is prescribed in 18 U.S.C. 1001.

11. Clean Air and Water Certification (applicable to contracts exceeding \$100,000)

The bidder certifies that:

(a) Any facility to be used in the performance of this contract [] is, [] is not listed on the Environmental Protection Agency List of Violating Facilities:

(b) The bidder will immediately notify the PHA/IHA Contracting Officer, before award, of the receipt of any communication from the Administrator, or a designee, of the Environmental Protection Agency, indicating that any facility that the bidder proposes to use for the performance of the contract is under consideration to be listed on the EPA List of Violating Facilities; and,

(c) The bidder will include a certification substantially the same as this certification, including this paragraph (c), in every nonexempt subcontract.

12. Previous Participation Certificate (applicable to construction and equipment contracts exceeding \$50,000)

(a) The bidder shall complete and submit with his/her bid the Form HUD-2530, "Previous Participation Certificate." If the successful bidder does not submit the certificate with his/her bid, he/she must submit it within three (3) working days of bid opening. Failure to submit the certificate by that date may render the bid nonresponsive. No contract award will be made without a properly executed certificate.

(b) A fully executed "Previous Participation Certificate" [] is, [] is not included with the bid.

13. Bidder's Signature

The bidder hereby certifies that the information contained in these certifications and representations is accurate, complete, and current.

Certifications and Representations of Offerors

Non-Construction Contract

U.S. Department of Housing and Urban Development
Office of Public and Indian Housing

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

This form includes clauses required by OMB's common rule on bidding/offering procedures, implemented by HUD in 24 CFR 85.36, and those requirements set forth in Executive Order 11625 for small, minority, women-owned businesses, and certifications for independent price determination, and conflict of interest. The form is required for nonconstruction contracts awarded by Housing Agencies (HAs). The form is used by bidders/offerors to certify to the HA's Contracting Officer for contract compliance. If the form were not used, HAs would be unable to enforce their contracts. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

1. Contingent Fee Representation and Agreement

(a) The bidder/offeror represents and certifies as part of its bid/offer that, except for full-time bona fide employees working solely for the bidder/offeror, the bidder/offeror:

(1) has, has not employed or retained any person or company to solicit or obtain this contract; and

(2) has, has not paid or agreed to pay to any person or company employed or retained to solicit or obtain this contract any commission, percentage, brokerage, or other fee contingent upon or resulting from the award of this contract.

(b) If the answer to either (a)(1) or (a) (2) above is affirmative, the bidder/offeror shall make an immediate and full written disclosure to the PHA Contracting Officer.

(c) Any misrepresentation by the bidder/offeror shall give the PHA the right to (1) terminate the resultant contract; (2) at its discretion, to deduct from contract payments the amount of any commission, percentage, brokerage, or other contingent fee; or (3) take other remedy pursuant to the contract.

2. Small, Minority, Women-Owned Business Concern Representation

The bidder/offeror represents and certifies as part of its bid/offer that it:

(a) is, is not a small business concern. "Small business concern," as used in this provision, means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding, and qualified as a small business under the criteria and size standards in 13 CFR 121.

(b) is, is not a women-owned small business concern. "Women-owned," as used in this provision, means a small business that is at least 51 percent owned by a woman or women who are U.S. citizens and who also control and operate the business.

(c) is, is not a minority enterprise which, pursuant to Executive Order 11625, is defined as a business which is at least 51 percent owned by one or more minority group members or, in the case of a publicly owned business, at least 51 percent of its voting stock is owned by one or more minority group members, and whose management and daily operations are controlled by one or more such individuals.

For the purpose of this definition, minority group members are:

3. Certificate of Independent Price Determination

(a) The bidder/offeror certifies that—

(1) The prices in this bid/offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder/offeror or competitor relating to (i) those prices, (ii) the intention to submit a bid/offer, or (iii) the methods or factors used to calculate the prices offered;

(2) The prices in this bid/offer have not been and will not be knowingly disclosed by the bidder/offeror, directly or indirectly, to any other bidder/offeror or competitor before bid opening (in the case of a sealed bid solicitation) or contract award (in the case of a negotiated solicitation) unless otherwise required by law; and

(3) No attempt has been made or will be made by the bidder/offeror to induce any other concern to submit or not to submit a bid/offer for the purpose of restricting competition.

(b) Each signature on the bid/offer is considered to be a certification by the signatory that the signatory:

(1) Is the person in the bidder/offeror's organization responsible for determining the prices being offered in this bid or proposal, and that the signatory has not participated and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above; or

(2) (i) Has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above (insert full name of person(s) in the bidder/offeror's organization responsible for determining the prices offered in this bid or proposal, and the title of his or her position in the bidder/offeror's organization);

(ii) As an authorized agent, does certify that the principals named in subdivision (b)(2)(i) above have not participated, and will not participate, in any action contrary to subparagraphs (a)(1) through (a)(3) above; and

(iii) As an agent, has not personally participated, and will not participate in any action contrary to subparagraphs (a)(1) through (a)(3) above.

(c) If the bidder/offeror deletes or modifies subparagraph (a)2 above, the bidder/offeror must furnish with its bid/offer a signed statement setting forth in detail the circumstances of the disclosure.

4. Organizational Conflicts of Interest Certification

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under a proposed contract and a prospective contractor's organizational, financial, contractual or other interest are such that:

(i) Award of the contract may result in an unfair competitive advantage;

(ii) The Contractor's objectivity in performing the contract work may be impaired; or

(iii) That the Contractor has disclosed all relevant information and requested the HA to make a determination with respect to this Contract.

(b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the HA which shall include a description of the action which the Contractor has taken or intends to eliminate or neutralize the conflict. The HA may, however, terminate the Contract for the convenience of HA if it would be in the best interest of HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this Contract and intentionally did not disclose the conflict to the HA, the HA may terminate the Contract for default.

(d) The Contractor shall require a disclosure or representation from subcontractors and consultants who may be in a position to influence the advice or assistance rendered to the HA and shall include any necessary provisions to eliminate or neutralize conflicts of interest in consultant agreements or subcontracts involving performance or work under this Contract.

5. Authorized Negotiators (RFPs only)

The offeror represents that the following persons are authorized to negotiate on its behalf with the PHA in connection with this request for proposals: (list names, titles, and telephone numbers of the authorized negotiators):

6. Conflict of Interest

In the absence of any actual or apparent conflict, the offeror, by submission of a proposal, hereby warrants that to the best of its knowledge and belief, no actual or apparent conflict of interest exists with regard to my possible performance of this procurement, as described in the clause in this solicitation titled "Organizational Conflict of Interest."

7. Offeror's Signature

The offeror hereby certifies that the information contained in these certifications and representations is accurate, complete, and current.

General Conditions for Non-Construction Contracts

Section I – (With or without Maintenance Work)

U.S. Department of Housing and Urban Development

Office of Public and Indian Housing
Office of Labor Relations
OMB Approval No. 2577-0157 (exp. 01/31/2014)

Public Reporting Burden for this collection of information is estimated to average 0.08 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Reports Management Officer, Office of Information Policies and Systems, U.S. Department of Housing and Urban Development, Washington, D.C. 20410-3600; and to the Office of Management and Budget, Paperwork Reduction Project (2577-0157), Washington, D.C. 20503. Do not send this completed form to either of these addressees.

Applicability. This form HUD-5370-C has 2 Sections. These Sections must be inserted into non-construction contracts as described below:

- 1) **Non-construction contracts** (*without* maintenance) **greater than \$100,000 - use Section I;**
- 2) **Maintenance contracts** (including nonroutine maintenance as defined at 24 CFR 968.105) **greater than \$2,000 but not more than \$100,000 - use Section II;** and
- 3) **Maintenance contracts** (including nonroutine maintenance), **greater than \$100,000 – use Sections I and II.**

Section F - Clauses for All Non-Construction Contracts greater than \$100,000

1. Definitions

The following definitions are applicable to this contract:

- (a) 'Authority or Housing Authority (HA)' means the Housing Authority.
- (b) 'Contract' means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, these contract clauses, and the scope of work. It includes all formal changes to any of those documents by addendum, Change Order, or other modification.
- (c) 'Contractor' means the person or other entity entering into the contract with the Authority to perform all of the work required under the contract.
- (d) 'Day' means calendar days, unless otherwise stated.
- (e) 'HUD' means the Secretary of Housing and Urban Development, his delegates, successors, and assigns, and the officers and employees of the United States Department of Housing and Urban Development acting for and on behalf of the Secretary.

2. Changes

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a proposal submitted before final payment of the contract.

- (d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.
- (e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

-
- (b) The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding \$10,000.
 - (c) The periods of access and examination in paragraphs (a) and (b) above for records relating to:
 - (i) appeals under the clause titled Disputes;
 - (ii) litigation or settlement of claims arising from the performance of this contract; or,
 - (iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under this contract is performed.

7. Disputes

- (a) All disputes arising under or relating to this contract, *except for disputes arising under clauses contained in Section III, Labor Standards Provisions*, including any claims for damages for the alleged breach there of which are not disposed of by agreement, shall be resolved under this clause.
- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract, except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
 - (i) Award of the contract may result in an unfair competitive advantage; or
 - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.
- (c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.
- (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

15. Limitation on Payments to Influence Certain Federal Transactions

(a) Definitions. As used in this clause:

"Agency", as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

"Covered Federal Action" means any of the following Federal actions:

- (i) The awarding of any Federal contract;
- (ii) The making of any Federal grant;
- (iii) The making of any Federal loan;
- (iv) The entering into of any cooperative agreement; and,
- (v) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan.

"Indian tribe" and "tribal organization" have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

"Influencing or attempting to influence" means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

"Local government" means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

"Officer or employee of an agency" includes the following individuals who are employed by an agency:

- (i) An individual who is appointed to a position in the Government under title 5, U.S.C., including a position under a temporary appointment;
- (ii) A member of the uniformed services as defined in section 202, title 18, U.S.C.;
- (iii) A special Government employee as defined in section 202, title 18, U.S.C.; and,
- (iv) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, appendix 2.

"Person" means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Recipient" includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, or cooperative agreement. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

"State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

(b) Prohibition.

- (i) Section 1352 of title 31, U.S.C. provides in part that no appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(b) For purposes of subdivision (b)(ii)(2)(a) of clause, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(i) and (ii) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

16. Equal Employment Opportunity

During the performance of this contract, the Contractor agrees as follows:

- (a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.
- (b) The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to (1) employment; (2) upgrading; (3) demotion; (4) transfer; (5) recruitment or recruitment advertising; (6) layoff or termination; (7) rates of pay or other forms of compensation; and (8) selection for training, including apprenticeship.
- (c) The Contractor shall post in conspicuous places available to employees and applicants for employment the notices to be provided by the Contracting Officer that explain this clause.
- (d) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- (e) The Contractor shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Contractor's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.
- (f) The Contractor shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.
- (g) The Contractor shall furnish all information and reports required by Executive Order 11246, as amended and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto. The Contractor shall permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.
- (i) The Contractor shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Contractor shall take such action with respect to any subcontractor or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the

Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

17. Dissemination or Disclosure of Information

No information or material shall be disseminated or disclosed to the general public, the news media, or any person or organization without prior express written approval by the HA.

18. Contractor's Status

It is understood that the Contractor is an independent contractor and is not to be considered an employee of the HA, or assume any right, privilege or duties of an employee, and shall save harmless the HA and its employees from claims suits, actions and costs of every description resulting from the Contractor's activities on behalf of the HA in connection with this Agreement.

19. Other Contractors

HA may undertake or award other contracts for additional work at or near the site(s) of the work under this contract. The contractor shall fully cooperate with the other contractors and with HA and HUD employees and shall carefully adapt scheduling and performing the work under this contract to accommodate the additional work, heeding any direction that may be provided by the Contracting Officer. The contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or HA employee.

20. Liens

The Contractor is prohibited from placing a lien on HA's property. This prohibition shall apply to all subcontractors.

21. Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 135)

- (a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- (f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

22. Procurement of Recovered Materials

- (a) In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.
- (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

OHA Economic Opportunities Policy

Oakland Housing Authority Economic Opportunities Policy

Background:

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C, 1701U (hereinafter referred to as "Section 3") requires that economic opportunities generated by certain U.S. Department of Housing and Urban Development financial assistance for housing and community development programs shall, to the greatest extent feasible, be given to low - and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

The U.S. Department of Housing and Urban Development's regulations implementing Section 3 are found at 24 CFR Part 135. It is the intent of OHA policy to comply fully with Section 3; and by publication of this policy, the OHA provides direction for application of this policy.

This policy shall remain in effect for all covered activities so long as this policy remains consistent with federal regulations or until changed by the Authority. In any case where it is found that any provision of this policy or of a procedure or program undertaken in furtherance of this policy is found to be inconsistent with Section 3 or 24 CFR Part 135, Section 3 or 24 CFR Part 135 shall prevail.

Policy Statement:

It is the policy of the Oakland Housing Authority to provide to the greatest extent feasible economic opportunities to low- and very low-income persons residing in Oakland metropolitan area (as defined in § 135.5 of 24 CFR Part 135 and to businesses meeting the definition of "Section 3 business concern" as defined by 24 CFR Part 135.

A Section 3 resident is:

- A Public housing resident and/or
- An individual who lives in the area where a HUD-assisted project is located and who is either low-or very-low income person as determined by HUD

• Determining Income Levels:

- Low income is defined as 80% or below the median income of that area.
- Very low income is defined as 50% or below the median income of that area.

(Income Limits are subject to change. Current Income Limits may be accessed on the OHA website at www.oakha.org.)

Section 3 business concern is a business that:

- Is 51 percent or more owned by Section 3 residents;
- Whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25 percent or more of the dollar amount of the awarded contract.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

First priority - residents of the development where the work is to be performed.

Second priority - other residents of Oakland Housing Authority properties.

Third priority - other residents of Oakland who are participants of HUD Youthbuild programs being carried out in the City of Oakland.

Fourth priority - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Furthermore, for all construction contracts in excess of \$100,000, contractors and their subcontractors are required to utilize appropriate State-approved apprenticeship programs that have graduated apprentices as a means to meet the Section 3 employment goals.

Employment:

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

Preference for Section 3 business concerns:

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

Small Purchases:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): (IFB=Invitation For Bids)

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
 - A. is within the maximum total contract price established in the Authority's budget for the specific project for which bids are being taken; and
 - B. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,00010% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,0009% of that bid or \$16,000

At least \$200,000, but less than \$300,0008% of that bid or \$21,000

At least \$300,000, but less than \$400,0007% of that bid or \$24,000

At least \$400,000, but less than \$500,0006% of that bid or \$25,000

At least \$500,000, but less than \$1 million5% of that bid or \$40,000

At least \$1 million, but less than \$2 million. .4% of that bid or \$60,000

At least \$2 million, but less than \$4 million. .3% of that bid or \$80,000

At least \$4 million, but less than \$7 million. .2% of that bid or \$105,000

\$7 million or more 1 1/2% of the lowest responsive bid, with no dollar limit.

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP)(RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. **In accordance to 24CFR135**, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems.

Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).

- (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) One of the evaluation factors shall address both the preference for Section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (Section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-Section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) With regard to the Section 3 strategy, the RFP shall require the disclosure of the contractor’s Section 3 strategy to comply with the Section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor’s responsibility will include the submission of an acceptable Section 3 strategy. The contract award shall be made to the responsible firm (either Section 3 or non-Section 3) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.*

Other Provisions:

1. Federal labor standards requirements: Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a--276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines.
2. A Section 3 business concern seeking a contract or a subcontract must submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract.

3. OHA will ensure compliance with Section 3 requirements through efforts that may include the following:
 - A. Requiring that contractors submit relevant documentation certifying their eligibility for preference under the Section 3 program, and/or demonstrating their compliance with Section 3 requirements.
 - B. Conducting ongoing Section 3 compliance review of applicable contractors and take appropriate action when they are found to be noncompliant with Section 3 requirements.
 - C. Refraining from entering into a contract with any contractor after notification by HUD that the contractor has been found in violation of Section 3 regulations.
 - D. Implementing procedures designed to notify Section 3 residents about training and employment opportunities generated by Section 3 covered assistance and Section 3 business concerns about contracting opportunities generated by Section 3 covered assistance;
 - E. Notifying potential contractors for Section 3 covered projects of the requirements of this part.

4. All OHA Section 3 covered contracts shall include the following clause set forth in 24 CFR 135.38:
 - A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
 - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
 - C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site

where both employees and for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Definitions:

The Oakland Housing Authority incorporates into this policy the definitions contained in § 135.5 of 24 CFR Part 135. Further, the Oakland Housing Authority makes no representation concerning interpretation and meaning of Section 3 of the Housing Act of 1968, as amended, and of 24 CFR Part 135 beyond this policy. It is recommended that interest parties refer directly to the law and regulations for a complete understanding of their meaning.

1. Bid Preparation and Submission

(a) Bidders are expected to examine the specifications, drawings, all instructions, and, if applicable, the construction site (see also the contract clause entitled **Site Investigation and Conditions Affecting the Work** of the *General Conditions of the Contract for Construction*). Failure to do so will be at the bidders' risk.

(b) All bids must be submitted on the forms provided by the Public Housing Agency/Indian Housing Authority (PHA/IHA). Bidders shall furnish all the information required by the solicitation. Bids must be signed and the bidder's name typed or printed on the bid sheet and each continuation sheet which requires the entry of information by the bidder. Erasures or other changes must be initialed by the person signing the bid. Bids signed by an agent shall be accompanied by evidence of that agent's authority. (Bidders should retain a copy of their bid for their records.)

(c) Bidders must submit as part of their bid a completed form HUD-5369-A, "Representations, Certifications, and Other Statements of Bidders."

(d) All bid documents shall be sealed in an envelope which shall be clearly marked with the words "Bid Documents," the Invitation for Bids (IFB) number, any project or other identifying number, the bidder's name, and the date and time for receipt of bids.

(e) If this solicitation requires bidding on all items, failure to do so will disqualify the bid. If bidding on all items is not required, bidders should insert the words "No Bid" in the space provided for any item on which no price is submitted.

(f) Unless expressly authorized elsewhere in this solicitation, alternate bids will not be considered.

(g) Unless expressly authorized elsewhere in this solicitation, bids submitted by telegraph or facsimile (fax) machines will not be considered.

(h) If the proposed contract is for a Mutual Help project (as described in 24 CFR Part 905, Subpart E) that involves Mutual Help contributions of work, material, or equipment, supplemental information regarding the bid advertisement is provided as an attachment to this solicitation.

2. Explanations and Interpretations to Prospective Bidders

(a) Any prospective bidder desiring an explanation or interpretation of the solicitation, specifications, drawings, etc., must request it at least 7 days before the scheduled time for bid opening. Requests may be oral or written. Oral requests must be confirmed in writing. The only oral clarifications that will be provided will be those clearly related to solicitation procedures, i.e., not substantive technical information. No other oral explanation or interpretation will be provided. Any information given a prospective bidder concerning this solicitation will be furnished promptly to all other prospective bidders as a written amendment to the solicitation, if that information is necessary in submitting bids, or if the lack of it would be prejudicial to other prospective bidders.

(b) Any information obtained by, or provided to, a bidder other than by formal amendment to the solicitation shall not constitute a change to the solicitation.

3. Amendments to Invitations for Bids

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Bidders shall acknowledge receipt of any amendment to this solicitation (1) by signing and returning the amendment, (2) by identifying the amendment number and date on the bid form, or (3) by letter, telegram, or facsimile, if those methods are authorized in the solicitation. The PHA/IHA must receive acknowledgement by the time and at the place specified for receipt of bids. Bids which fail to acknowledge the bidder's receipt of any amendment will result in the rejection of the bid if the amendment(s) contained information which substantively changed the PHA's/IHA's requirements.

(c) Amendments will be on file in the offices of the PHA/IHA and the Architect at least 7 days before bid opening.

4. Responsibility of Prospective Contractor

(a) The PHA/IHA will award contracts only to responsible prospective contractors who have the ability to perform successfully under the terms and conditions of the proposed contract. In determining the responsibility of a bidder, the PHA/IHA will consider such matters as the bidder's:

- (1) Integrity;
- (2) Compliance with public policy;
- (3) Record of past performance; and
- (4) Financial and technical resources (including construction and technical equipment).

(b) Before a bid is considered for award, the bidder may be requested by the PHA/IHA to submit a statement or other documentation regarding any of the items in paragraph (a) above. Failure by the bidder to provide such additional information shall render the bidder nonresponsible and ineligible for award.

5. Late Submissions, Modifications, and Withdrawal of Bids

(a) Any bid received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it:

(1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

(2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the PHA/IHA that the late receipt was due solely to mishandling by the PHA/IHA after receipt at the PHA/IHA; or

(3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and observed holidays.

(b) Any modification or withdrawal of a bid is subject to the same conditions as in paragraph (a) of this provision.

(c) The only acceptable evidence to establish the date of mailing of a late bid, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the bid, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, bidders should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(d) The only acceptable evidence to establish the time of receipt at the PHA/IHA is the time/date stamp of PHA/IHA on the proposal wrapper or other documentary evidence of receipt maintained by the PHA/IHA.

(e) The only acceptable evidence to establish the date of mailing of a late bid, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, bidders should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and Failure by a bidder to acknowledge receipt of the envelope or wrapper.

(f) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful bid that makes its terms more favorable to the PHA/IHA will be considered at any time it is received and may be accepted.

(g) Bids may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before the exact time set for opening of bids; provided that written confirmation of telegraphic or facsimile withdrawals over the signature of the bidder is mailed and postmarked prior to the specified bid opening time. A bid may be withdrawn in person by a bidder or its authorized representative if, before the exact time set for opening of bids, the identity of the person requesting withdrawal is established and the person signs a receipt for the bid.

6. Bid Opening

All bids received by the date and time of receipt specified in the solicitation will be publicly opened and read. The time and place of opening will be as specified in the solicitation. Bidders and other interested persons may be present.

7. Service of Protest

(a) Definitions. As used in this provision:

"Interested party" means an actual or prospective bidder whose direct economic interest would be affected by the award of the contract.

"Protest" means a written objection by an interested party to this solicitation or to a proposed or actual award of a contract pursuant to this solicitation.

(b) Protests shall be served on the Contracting Officer by obtaining written and dated acknowledgement from —

[Contracting Officer designate the official or location where a protest may be served on the Contracting Officer]

(c) All protests shall be resolved in accordance with the PHA's/IHA's protest policy and procedures, copies of which are maintained at the PHA/IHA.

8. Contract Award

(a) The PHA/IHA will evaluate bids in response to this solicitation without discussions and will award a contract to the responsible bidder whose bid, conforming to the solicitation, will be most advantageous to the PHA/IHA considering only price and any price-related factors specified in the solicitation.

(b) If the apparent low bid received in response to this solicitation exceeds the PHA's/IHA's available funding for the proposed contract work, the PHA/IHA may either accept separately priced items (see 8(e) below) or use the following procedure to determine contract award. The PHA/IHA shall apply in turn to each bid (proceeding in order from the apparent low bid to the high bid) each of the separately priced bid deductible items, if any, in their priority order set forth in this solicitation. If upon the application of the first deductible item to all initial bids, a new low bid is within the PHA's/IHA's available funding, then award shall be made to that bidder. If no bid is within the available funding amount, then the PHA/IHA shall apply the second deductible item. The PHA/IHA shall continue this process until an evaluated low bid, if any, is within the PHA's/IHA's available funding. If upon the application of all deductibles, no bid is within the PHA's/IHA's available funding, or if the solicitation does not request separately priced deductibles, the PHA/IHA shall follow its written policy and procedures in making any award under this solicitation.

(c) In the case of tie low bids, award shall be made in accordance with the PHA's/IHA's written policy and procedures.

(d) The PHA/IHA may reject any and all bids, accept other than the lowest bid (e.g., the apparent low bid is unreasonably low), and waive informalities or minor irregularities in bids received, in accordance with the PHA's/IHA's written policy and procedures.

(e) Unless precluded elsewhere in the solicitation, the PHA/IHA may accept any item or combination of items bid.

(f) The PHA/IHA may reject any bid as nonresponsive if it is materially unbalanced as to the prices for the various items of work to be performed. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated for other work.

(g) A written award shall be furnished to the successful bidder within the period for acceptance specified in the bid and shall result in a binding contract without further action by either party.

9. Bid Guarantee (applicable to construction and equipment contracts exceeding \$25,000)

All bids must be accompanied by a negotiable bid guarantee which shall not be less than five percent (5%) of the amount of the bid. The bid guarantee may be a certified check, bank draft, U.S. Government Bonds at par value, or a bid bond secured by a surety company acceptable to the U.S. Government and authorized to do business in the state where the work is to be performed. In the case where the work under the contract will be performed on an Indian reservation area, the bid guarantee may also be an irrevocable Letter of Credit (see provision 10, Assurance of Completion, below). Certified checks and bank drafts must be made payable to the order of the PHA/IHA. The bid guarantee shall insure the execution of the contract and the furnishing of a method of assurance of completion by the successful bidder as required by the solicitation. Failure to submit a bid guarantee with the bid shall result in the rejection of the bid. Bid guarantees submitted by unsuccessful bidders will be returned as soon as practicable after bid opening.

10. Assurance of Completion

(a) Unless otherwise provided in State law, the successful bidder shall furnish an assurance of completion prior to the execution of any contract under this solicitation. This assurance may be [Contracting Officer check applicable items] —

[] (1) a performance and payment bond in a penal sum of 100 percent of the contract price; or, as may be required or permitted by State law;

[] (2) separate performance and payment bonds, each for 50 percent or more of the contract price;

[] (3) a 20 percent cash escrow;

[] (4) a 25 percent irrevocable letter of credit; or,

[] (5) an irrevocable letter of credit for 10 percent of the total contract price with a monitoring and disbursements agreement with the IHA (applicable only to contracts awarded by an IHA under the Indian Housing Program).

(b) Bonds must be obtained from guarantee or surety companies acceptable to the U.S. Government and authorized to do business in the state where the work is to be performed. Individual sureties will not be considered. U.S. Treasury Circular Number 570, published annually in the Federal Register, lists companies approved to act as sureties on bonds securing Government contracts, the maximum underwriting limits on each contract bonded, and the States in which the company is licensed to do business. Use of companies listed in this circular is mandatory. Copies of the circular may be downloaded on the U.S. Department of Treasury website <http://www.fms.treas.gov/c570/index.html>, or ordered for a minimum fee by contacting the Government Printing Office at (202) 512-2168.

(c) Each bond shall clearly state the rate of premium and the total amount of premium charged. The current power of attorney for the person who signs for the surety company must be attached to the bond. The effective date of the power of attorney shall not precede the date of the bond. The effective date of the bond shall be on or after the execution date of the contract.

(d) Failure by the successful bidder to obtain the required assurance of completion within the time specified, or within such extended period as the PHA/IHA may grant based upon reasons determined adequate by the PHA/IHA, shall render the bidder ineligible for award. The PHA/IHA may then either award the contract to the next lowest responsible bidder or solicit new bids. The PHA/IHA may retain the ineligible bidder's bid guarantee.

11. Preconstruction Conference (applicable to construction contracts)

After award of a contract under this solicitation and prior to the start of work, the successful bidder will be required to attend a preconstruction conference with representatives of the PHA/IHA and its architect/engineer, and other interested parties convened by the PHA/IHA. The conference will serve to acquaint the participants with the general plan of the construction operation and all other requirements of the contract (e.g., Equal Employment Opportunity, Labor Standards). The PHA/IHA will provide the successful bidder with the date, time, and place of the conference.

12. Indian Preference Requirements (applicable only if this solicitation is for a contract to be performed on a project for an Indian Housing Authority)

(a) HUD has determined that the contract awarded under this solicitation is subject to the requirements of section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). Section 7(b) requires that any contract or subcontract entered into for the benefit of Indians shall require that, to the greatest extent feasible

(1) Preferences and opportunities for training and employment (other than core crew positions; see paragraph (h) below) in connection with the administration of such contracts or subcontracts be given to qualified "Indians." The Act defines "Indians" to mean persons who are members of an Indian tribe and defines "Indian tribe" to mean any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and,

(2) Preference in the award of contracts or subcontracts in connection with the administration of contracts be given to Indian organizations and to Indian-owned economic enterprises, as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452). That Act defines "economic enterprise" to mean any Indian-owned commercial, industrial, or business activity established or organized for the purpose of profit, except that the Indian ownership must constitute not less than 51 percent of the enterprise; "Indian organization" to mean the governing body of any Indian tribe or entity established or recognized by such governing body; "Indian" to mean any person who is a member of any tribe, band, group, pueblo, or community which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs and any "Native" as defined in the Alaska Native Claims Settlement Act; and Indian "tribe" to mean any Indian tribe, band, group, pueblo, or community including Native villages and Native groups (including

corporations organized by Kenai, Juneau, Sitka, and Kodiak) as defined in the Alaska Native Claims Settlement Act, which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs.

(b) (1) The successful Contractor under this solicitation shall comply with the requirements of this provision in awarding all subcontracts under the contract and in providing training and employment opportunities.

(2) A finding by the IHA that the contractor, either (i) awarded a subcontract without using the procedure required by the IHA, (ii) falsely represented that subcontracts would be awarded to Indian enterprises or organizations; or, (iii) failed to comply with the contractor's employment and training preference bid statement shall be grounds for termination of the contract or for the assessment of penalties or other remedies.

(c) If specified elsewhere in this solicitation, the IHA may restrict the solicitation to qualified Indian-owned enterprises and Indian organizations. If two or more (or a greater number as specified elsewhere in the solicitation) qualified Indian-owned enterprises or organizations submit responsive bids, award shall be made to the qualified enterprise or organization with the lowest responsive bid. If fewer than the minimum required number of qualified Indian-owned enterprises or organizations submit responsive bids, the IHA shall reject all bids and readvertise the solicitation in accordance with paragraph (d) below.

(d) If the IHA prefers not to restrict the solicitation as described in paragraph (c) above, or if after having restricted a solicitation an insufficient number of qualified Indian enterprises or organizations submit bids, the IHA may advertise for bids from non-Indian as well as Indian-owned enterprises and Indian organizations. Award shall be made to the qualified Indian enterprise or organization with the lowest responsive bid if that bid is -

(1) Within the maximum HUD-approved budget amount established for the specific project or activity for which bids are being solicited; and

(2) No more than the percentage specified in 24 CFR 905.175(c) higher than the total bid price of the lowest responsive bid from any qualified bidder. If no responsive bid by a qualified Indian-owned economic enterprise or organization is within the stated range of the total bid price of the lowest responsive bid from any qualified enterprise, award shall be made to the bidder with the lowest bid.

(e) Bidders seeking to qualify for preference in contracting or subcontracting shall submit proof of Indian ownership with their bids. Proof of Indian ownership shall include but not be limited to:

(1) Certification by a tribe or other evidence that the bidder is an Indian. The IHA shall accept the certification of a tribe that an individual is a member.

(2) Evidence such as stock ownership, structure, management, control, financing and salary or profit sharing arrangements of the enterprise.

(f) (1) All bidders must submit with their bids a statement describing how they will provide Indian preference in the award of subcontracts. The specific requirements of that statement and the factors to be used by the IHA in determining the statement's adequacy are included as an attachment to this solicitation. Any bid that fails to include the required statement shall be rejected as nonresponsive. The IHA may require that comparable statements be provided by subcontractors to the successful Contractor, and may require the Contractor to reject any bid or proposal by a subcontractor that fails to include the statement.

(2) Bidders and prospective subcontractors shall submit a certification (supported by credible evidence) to the IHA in any instance where the bidder or subcontractor believes it is infeasible to provide Indian preference in subcontracting. The acceptance or rejection by the IHA of the certification shall be final. Rejection shall disqualify the bid from further consideration.

(g) All bidders must submit with their bids a statement detailing their employment and training opportunities and their plans to provide preference to Indians in implementing the contract; and the number or percentage of Indians anticipated to be employed and trained. Comparable statements from all proposed subcontractors must be submitted. The criteria to be used by the IHA in determining the statement(s)'s adequacy are included as an attachment to this solicitation. Any bid that fails to include the required statement(s), or that includes a statement that does not meet minimum standards required by the IHA shall be rejected as nonresponsive.

(h) Core crew employees. A core crew employee is an individual who is a bona fide employee of the contractor at the time the bid is submitted; or an individual who was not employed by the bidder at the time the bid was submitted, but who is regularly employed by the bidder in a supervisory or other key skilled position when work is available. Bidders shall submit with their bids a list of all core crew employees.

(i) Preference in contracting, subcontracting, employment, and training shall apply not only on-site, on the reservation, or within the IHA's jurisdiction, but also to contracts with firms that operate outside these areas (e.g., employment in modular or manufactured housing construction facilities).

(j) Bidders should contact the IHA to determine if any additional local preference requirements are applicable to this solicitation.

(k) The IHA [] does [] does not [Contracting Officer check applicable box] maintain lists of Indian-owned economic enterprises and Indian organizations by specialty (e.g., plumbing, electrical, foundations), which are available to bidders to assist them in meeting their responsibility to provide preference in connection with the administration of contracts and subcontracts.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

CONSULTANT AGREEMENT

This CONSULTANT CONTRACT ("Contract") is entered into as of [Date], by and between the OAKLAND HOUSING AUTHORITY, a public body, corporate and politic (the "Authority"), and [Enter Consultant Name] ("Contractor").

RECITALS

A. Whereas, the Authority has retained Contractor to provide consulting services,

NOW, THEREFORE, the Authority and the Contractor agree as follows:

SCOPE OF SERVICES

Contractor shall provide the services described on Exhibit A, "Scope of Services."

TIME OF PERFORMANCE

The term of this Contract shall begin on [starting date] and end on [Contract ending date].

Contractor's Schedule of Performance is set forth on Exhibit A.

Contractor will begin work within _____ () days after receipt of an Authority Notice to Proceed.

Time for completion of this Contract will be _____ () days after receipt of an Authority Notice to Proceed to the Contractor.

COMPENSATION AND METHOD OF PAYMENT

A. Compensation. The maximum amount payable under this Contract is _____ Dollars (\$_____).

B. Taxes. No payroll or employment taxes of any kind will be withheld or paid by Authority on behalf of Contractor. Authority will not treat Contractor as an employee with respect to the contract services for any purpose, including federal and state tax purposes. Contractor understands and agrees that it is Contractor's responsibility to pay all taxes required by law, including self-employment social security tax. Authority will issue an IRS 1099 Form, or other appropriate tax reporting document, to Contractor for the Contract services.

C. Benefits. Contractor will not be eligible for, and will not participate in, any health, pension, or other benefit of Authority which exists solely for the benefit of Authority employees during the Contract Term.

D. Billings. Billings are to be directed to:
Accounts Payable
Finance Department
Oakland Housing Authority
1619 Harrison Street
Oakland, CA 94612
Attention: Finance Director

NO PERSONAL LIABILITY

No member, official or employee of the Authority shall be liable personally to Contractor or any successor in interest in the event of any default or breach by the Authority or for any amount which may become due to Contractor or any successor or on any obligation under the terms of this Contract.

ASSIGNMENT OF CONTRACT

Contractor shall not assign this Contract, or any part thereof, without the prior express written consent of the Authority.

STANDARD OF PERFORMANCE

The work provided hereunder shall be performed and completed in an accurate and professional manner. All services shall be performed in the manner and according to the standards observed by the competent practitioner of the profession in which Contractor and any subcontractors are engaged.

HUD REQUIREMENTS

Contractor agrees to comply with all applicable HUD requirements, including but not limited to the Section 3 Clause, attached hereto as **Exhibit C** and HUD Form 5370-C (10/2006), attached hereto as **Exhibit D**. In the event there is a conflict between this Contract and the HUD requirements set forth in Exhibits C and D, the HUD requirements shall prevail.

INDEMNIFICATION

Contractor shall defend, hold harmless and indemnify the Authority, and its respective commissioners, members, officers, agents and employees of and from all claims, loss, damage, injury, actions, causes of action and liability of every kind, nature and description directly or indirectly arising out of or connected with the performance of this Contract and any of Contractor's operations or activities related thereto, excluding the willful misconduct or the gross negligence of the person or entity seeking to be defended, indemnified or held harmless.

INDEPENDENT CONTRACTOR

Contractor hereby declares that it is engaged in an independent business and agrees to perform its services as an independent contractor and not as the agent or employee of the Authority. Contractor has and hereby retains the right to exercise full control and supervision of the services and work to be provided under this Contract and full control over the employment, direction, compensation and discharge of all persons assisting it in the performance of the services and work hereunder. Contractor agrees to be solely responsible for all matters relating to payment of employees, including, but not limited to, compliance with all federal, state and local payroll tax and withholding requirements, workers' compensation requirements and all regulations governing such matters. Contractor agrees to be solely responsible for its own acts and those of its subordinates and employees during the term of this Contract.

INSURANCE

Contractor must comply with OHA's "Insurance Requirements for Consultants" attached hereto as **Exhibit E**.

RECORDS, REPORTS AND AUDITS

A. Records

(1) Records shall be established and maintained in accordance with Authority requirements, and U.S. Department of Housing and Urban Development ("HUD") requirements with respect to all matters covered by this Contract. Except as otherwise authorized by the Authority, such records shall be maintained for a period of four (4) years from the date of the termination of the Contract; except that records that are the subject of audit findings shall be retained for four (4) years or until such audit findings have been resolved, whichever is later.

(2) All costs shall be supported by properly executed payrolls, time records, invoices, contracts, vouchers or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Contract shall be clearly identified and readily accessible.

B. Reports and Information

At such times and in such forms as the Authority may require, there shall be furnished to the Authority or its designated representative such statements, records, reports, data and information as the Authority may request pertaining to matters covered by this Contract.

CONFLICTS

No employee, agent, contractor, officer or official of the Authority who exercises any functions or responsibilities with respect to this Contract or who is in a position to participate in a decision-making process or gain inside information with regard to it, shall obtain a personal or financial interest in or benefit from any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom they have family or business ties, during his or her tenure or for one (1) year thereafter. The term "contractor" also includes the employees, officers (including board members), agents and subcontractors of a Contractor under this Contract. In order to carry out the purposes of this section, Contractor shall incorporate, or cause to be incorporated, in all contracts and subcontracts relating to activities pursuant to this Contract, a provision similar to that of this section.

CONFIDENTIALITY/PROPERTY OF AUTHORITY

All of the reports, information, data or other materials prepared or assembled by Contractor under this Contract, including Contractor's opinions and conclusions based upon such items, are confidential. Contractor agrees that such reports, information, opinions or conclusions shall not be made available to or discussed with any individual or organization, including the news media, without the prior written approval of the

Authority. Unless otherwise stated in the Scope of Services, all such reports, information, data or other materials and work product shall become the property of the Authority.

COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE

It is understood and agreed that Contractor shall comply with California Government Code Section 7550. Government Code Section 7550 provides in part that when the total cost for work performed for a local Authority by nonemployees of such Authority exceed Five Thousand Dollars (\$5,000), any document or written report prepared in whole or in part by nonemployees for such Authority shall contain, in a separate section, the numbers and dollar amount of all contracts and subcontracts relating to the preparation of such document or written report.

NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY AND MINORITY AND WOMAN-OWNED BUSINESS ENTERPRISES

- A. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of this Contract. Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status). Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations to clients or the general public.
- B. Contractor will, in all solicitations or advertisements for employees placed by it or on its behalf, state it is an equal opportunity employer.
- C. Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Contract so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
- D. Contractor shall provide all services to the public under this Contract in facilities that are accessible to persons with disabilities as required by state and federal law.

TERMINATION

Authority may, by written notice, at any time prior to the completion of the term, terminate this Contract for any reason, including, but not limited to, convenience of Authority, default by the Contractor, or circumstances beyond the control of the

Contractor. In the event of such termination, Authority shall compensate the Contractor for work completed to the satisfaction of Authority as of the date of such notice or the date of termination specified in and directed by such notice. Upon payment of the amount due, Authority shall be under no further obligation to the Attorney, financial or otherwise.

MISCELLANEOUS PROVISIONS

A. Notices. All notices, demands, consents, or approvals required under this Contract shall be in writing and shall be deemed given when delivered personally, by Email, or by facsimile transmission or three (3) business days after being deposited in the U.S. Mail, first class postage prepaid, return receipt requested, addressed as follows:

If to the Authority: Oakland Housing Authority
 1619 Harrison Street
 Oakland, CA 94612
 Contact Name:
 Email:
 Phone/Fax:

If to Contractor: **[name]**
 [mailing address]
 Attention: [contact]
 Email:
 Phone/Fax:

or to such other addresses as the parties may designate by notice as set forth above.

B. Time of Performance

- (1) Time is of the essence in the performance of all the terms and conditions of this Contract.
- (2) All performance and cure periods expire at 5:00 p.m., Oakland, California, time, on the applicable date.
- (3) A performance or cure date which otherwise would be a Saturday, Sunday or Authority holiday shall be extended to the next Authority working day.

C. Successors and Assigns. This Contract shall be binding upon and inure to the benefit of the successors and assigns of the Authority and the Contractor. Where the term "Contractor" or "Authority" is used in this Contract, it shall mean and include their respective successors and assigns; provided, however, that the Authority shall have no obligation under this Contract to, nor shall any benefit of this Contract accrue to, any

unapproved successor or assign of Contractor where Authority approval of a successor or assign is required by this Contract.

D. Modification, Waiver and Amendment. Any modification, waiver or amendment of any of the provisions of this Contract must be in writing and signed by both the Authority and Contractor.

E. Entire Contract. This Contract represents the complete agreement between the parties as to the matters described herein, and there are no oral understandings between Contractor and the Authority affecting this Contract not set forth herein. This Contract supersedes all previous negotiations, arrangements, agreements and understandings between Contractor and the Authority with respect to the subject matter hereof.

F. Severability. If any provision of this Contract shall be determined to be illegal or unenforceable, such determination shall not affect any other provision and all such other provisions shall remain in full force and effect.

G. Governing Law. This Contract shall be governed by the laws of the State of California. It is the responsibility of Contractor to be informed of local, state and federal laws and requirements applicable to this Contract and to perform all work in compliance with those laws and requirements.

H. Headings. Titles of parts or sections of this Contract are inserted for convenience only and shall be disregarded in construing or interpreting its provisions.

I. Attorneys' Fees. In any action or proceeding arising out of this Contract, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

J. Authority. The undersigned represents and warrants that he or she has full power and authority to enter into this Contract and to bind the Contractor in accordance with its terms.

K. Designated Representative. The initial designated representative for the Authority for this Contract is _____. The initial Contractor-designated representative for this Contract is _____.

SECTION 3 CLAUSE

Section 3 Clause (12 U.S.C. 1701u) (24 CFR Part 135)

A. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section3 shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this Contact agree to comply with HUD's regulations in 24 CFR part 135, which implements section 3. As evidenced by their execution of this contract, the parties to the contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor will send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the said labor organization or workers' representative of the contractors commitments under this Section 3 clause and will post copies of the notice in conspicuous places at the work site where both employees and applicants for employment or training positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number of job titles subject to hire, availability of apprenticeship and training positions, the qualifications of each; and the name and location of the person(s) taking applications of each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulation in 24 CFR part 135.

E. The contractor will certify that any vacant employment position, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CR part 135 require employment opportunities to

be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25U.S.C. 450e) also applies to the work performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organization and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

HUD Form 5370-C (10/2006)

(See attached document)

EXHIBIT E
INSURANCE REQUIREMENTS

INSURANCE REQUIREMENTS FOR CONSULTANTS

Consultant shall procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

Minimum Scope of Insurance

Coverage shall be as least as board as:

1. Insurance Services Office Commercial General Liability coverage (occurrence Form CG 0001).
2. Insurance Services Office Form Number CA 0001 covering Automobile Liability, Code 1 (any auto).
3. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.
4. Errors and Omissions Liability insurance appropriate to the consultant's profession. Architects' and engineers' coverage is to be endorsed to include contractual liability.

Minimum Limits of Insurance

Consultant shall maintain limits no less than:

1. General Liability: **\$1,000,000** per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either (Including operations, products and completed operations, as applicable.) the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability: **\$1,000,000** per accident for bodily injury and property damage.
3. Workers' Compensation and Employer's Liability: **\$1,000,000** per accident for bodily injury and property damage.
4. Errors and Omissions Liability: **\$1,000,000** per occurrence.

Deductible and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by the Authority. At the option of the Authority, either; the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Authority, its officers, officials, employees and volunteers; or the Consultant shall provide a financial guarantee satisfactory to the Authority guaranteeing payment of losses and related investigations, claim administration and defense expenses.

Other Insurance Provisions

The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions.

1. The Authority, its commissioners, members, officers, agents, employees and volunteers are to be covered as insureds as respects: liability arising out of work or operations performed by or on behalf of the Consultant; or automobiles owned, leased, hired or borrowed by the Consultant.
2. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance as respects the Authority, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the Authority, its commissioners, members, officers, agents, employees or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after (30) days' prior written notice by certified mail, returned receipt requested, has been given to the Authority.
4. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Authority, its commissioners, members, officers, agents, employees and volunteers.
5. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

Workers' Compensation and Employers Liability Coverage. Insurer shall agree to waive all rights of subrogation against the Authority and its respective commissioners, members, officers, agents and employees for losses arising from work performed by Contractor or for the Authority.

Claims Made Coverage. If General Liability and/or Errors and Omissions coverage are written on a claims-made form:

1. The "Retro Date" must be shown, and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a "Retro Date" prior to the contract effective date, the Contractor must purchase "extended reporting"

coverage for a minimum of five (5) years after completion of contract work.

4. A Copy of the claims reporting requirements must be submitted to the Authority for review.

Subcontractors. Contractor shall include all subcontractors as insured under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all the requirements stated herein.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VI, unless otherwise acceptable to the Authority. Exception may be made for the State Compensation Insurance Fund when not specially rated.

Verification of Coverage

Consultant shall furnish the Authority with certificates of insurance and with original endorsements evidencing coverage required by this clause. All certificates and endorsements are to be received and approved by the Authority before work commences. The Authority reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.

Report

VENDOR PROTESTS AND CLAIMS PROCEDURES

(As extracted and revised
from Oakland Housing Authority
Contracting and Purchasing Procedures)

SECTION 1.19 VENDOR PROTESTS AND CLAIMS PROCEDURES

The following are the definitions of terms used in this section.

Definitions:

OHA: The abbreviation for the Housing Authority of the City of Oakland, California.

Contracting

Officer: The Executive Director of OHA or the person designated by the Executive Director in writing.

Vendor: The person or firm that is involved in bidding, proposing, or quoting on an OHA material or service requirement, or has contracted with OHA to provide material or perform a service, or a person who has an interest in such matters.

Claim: The assertion of facts which serves as the basis for a demand of payment, reimbursement, or compensation believed by the vendor to be due the vendor. The claim must be submitted in writing, by the affected vendor, on the "Notice of Protest or Claim" form (MMO9501) furnished by OHA (copy attached).

Protest: A written complaint about, or an objection to, an administrative action or decision by OHA. The protest must be submitted, including any and all facts on which it is based, by the affected vendor, on the "Notice of Protest or Claim" form (MMO-9501) provided by OHA (copy attached).

Response to

Solicitation: The vendor's written bid, quotation or proposal submitted in response to OHA's call for bids, quotations or request for proposals.

Who May Submit A Protest or Claim:

Any person as defined above in "Vendor" may submit a protest or claim.

Vendor protests, claims, or disputes shall be resolved using the following procedures:

A. Vendor protests prior to bid, quote or proposal opening:

1. Vendor must submit a written notice of protest to OHA's Contracting Officer eight or more calendar days prior to the date set for the bid, proposal, or quotation opening.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within if required time period. A late notice is not eligible for consideration under this procedure. Any protest received after eight days prior to the date set for the bid, proposal, or quotation opening may be rejected without further consideration or may be considered under paragraph B below at the direction of the Contracting Officer.
3. Contracting Officer shall review the solicitation record to ensure the information provided by the protesting vendor is accurate. Based on a review of the vendor's protest and other relevant information, the Contracting Officer shall prepare a "Finding of Fact."
4. Based upon the "Finding of Fact," the Contracting Officer may elect to:
 - a. Amend the Invitation to Bid by addendum to all prospective vendors. Addendum is to be mailed by registered mail, four or more days prior to the date of scheduled bid opening.
 - b. Terminate the current Invitation to Bid, Quote, or Request for Proposal.
 - c. Reject the claim in writing, detailing reason(s) for the rejection.

B. Protests after the bid, quote, or proposal opening, but prior to award of contract:

1. Vendor must submit a written notice of protest to the Authority's Contracting Officer within three calendar days of the bid opening date.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within the required time period. A late notice is not eligible for consideration under this procedure.
3. The vendor's protest, along with the solicitation's tabulation sheet, scope of work, copies of all responses received, and any other relevant documents shall be provided to the Contracting Officer. The Contracting Officer shall review the vendor's protest and the circumstances and prepare a "Finding of Fact."

CONTRACTING & PURCHASING PROCEDURES

4. Based upon the "Finding of Fact;" the Contracting Officer may take any of (but is not limited to) the following actions:
 - a. Allow the vendor to withdraw the vendor's response to the solicitation.
 - b. Reject one or more vendor(s) response(s) to the solicitation for failing to be complete, lacking the required guarantee, or failing to conform to the solicitation's instructions.
 - c. Reject all of the responses to the solicitation.
 - d. Disqualify one or more vendor (s) as non-responsible and therefore ineligible for an award of contract.

Note: If the dollar amount of the lowest responsible response to the solicitation is such that the Board of Commissioners must approve the award of the contract, the Contracting Officer shall make a recommendation of action to the Board ratifying this finding (a-d above).

C. Protests or claims after the award of contract (to be utilized in the absence of contractual language governing protests or claims):

1. The vendor must, submit a written notice of protest or claim to OHA's Contracting Officer within seven calendar days. The time period shall start the day immediately following the date of the incident on which the notice is based.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within the required time period. A late notice is not eligible for consideration under this procedure.
3. The Contracting Officer, with reasonable promptness (after obtaining the approval of HUD, if required), shall render a written decision to the vendor. Unless the vendor, within seven calendar days after the receipt of the decision, notifies the Contracting Officer in writing that it takes exception to such decision, the decision shall be final and conclusive.
4. The Contracting Officer's decision shall be final unless the vendor has accomplished all of the following:
 - a. Given the notice of protest or claim within the proper time period, and
 - b. Signed a final release of all claims, other than those unsettled claims listed on the final release with their separately stated amounts, and
 - c. Brought suit against OHA (not later than one year after final payment, or in the absence of a final payment, within one year after a written request by OHA to the vendor to submit a final invoice or release) for a disposition of the protest or claim by a court of appropriate jurisdiction.

CONTRACTING & PURCHASING PROCEDURES

5. Whether or not the vendor presents a protest or claim to the Contracting Officer or takes exception to a decision of the Contracting Officer, the vendor, unless directed otherwise by the Contracting Officer, shall proceed with the work as directed.

D. OHA record requirement:

1. OHA shall maintain a complete and detailed record of all protests and claims. The record shall include all pertinent correspondence, the written or recorded minutes of any meetings with the vendors making the protests or claims, and any information used in determining OHA's actions in the disposition of protests or claims.
