The Oakland Housing Authority was established on April 28, 1938 to provide low-income residents of the City of Oakland with access to low-cost housing. Currently, the Oakland Housing Authority provides Public Housing units at multiple sites within city limits for large developments, mixed-finance partnerships, and scattered sites.

The Oakland Housing Authority has created a number of non-profit affordable housing affiliates to develop and operate affordable housing. The Oakland Housing Authority is engaged in affordable housing development with a number of active sites in development. Development activities are carried out directly and through a variety of affiliates and partnerships. All current developments make use of, or are expected to apply for, funding from US tax credits.

The Oakland Housing Authority is federally funded and regulated primarily under the U.S. Housing Act of 1937, as amended. The majority of our funding is governed by the United States Department of Housing and Urban Development (HUD) regulations. The Oakland Housing Authority was selected to be a "Moving to Work" (MTW) housing authority by HUD and entered into an MTW agreement in 2004. The agreement has since been amended, extending the MTW agreement to June 30, 2018.

The Oakland Housing Authority is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Oakland, with the approval of the Oakland City Council. The Executive Director, who reports to the Board of Commissioners, has a budgeted staff of approximately 380 employees in four major divisions: the Office of the Executive Director, including the Departments of Human Resources and Police Services, the Office of Real Estate Development, the Office of Finance and Program Administration, and the Office of Property Operations.

The Oakland Housing Authority employees are housed at six separate facilities all located within the City of Oakland: 1619 Harrison Street, 1805 Harrison Street, 1801 Harrison Street, 1180 25th Avenue, 935 Union Street, and 1327 65th Avenue.

4.5 **Evaluation Criteria**

Proposers scoring 70 points or more will be considered for providing graphic design services to the Oakland Housing Authority. The following criteria will be used to evaluate all proposals:

No.	Criteria	Points
1.	<u>Experience:</u> Proposer(s) demonstrated experience and past performance with the areas of expertise outlined in Sections 2.2, 2.3, and 2.4 of this RFP.	40
2.	<u>Quality of Service:</u> Capacity to provide professional services in a timely and quality manner as evidenced by references provided. Provide three (3) completed references.	25
3.	<u>Approach to the Project:</u> Relevance of respondent's project approach and narrative summary of delivering anticipated services, and responses to scenarios.	25
4.	<u>Fees:</u> Proposed price structure including employee hourly rates, mark up fees, over-time rates, method and material and equipment costs. In response to this criterion, the proposals must include "Attachment One – Fee/Price Form." Fees will be weighted and based on the lowest price at 20 points using the following formula: $\text{Score} = \frac{\text{Lowest bidder's price}}{\text{Bidder's price}} \times 20 \text{ (points)}$	10
	Total	100

4.6 **Selection Process**

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, and the most qualified proposer(s) may be required to be interviewed by a selection committee that will complete a final evaluation. Proposals with a final total score of 70 points or more will be placed on a qualified list. All proposers on the qualified list will be given the opportunity to bid on all upcoming projects. The Oakland Housing Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Oakland Housing Authority.

A. **Initial Evaluation for Responsiveness**

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The Oakland Housing Authority reserves the right to reject any proposals deemed by the Oakland Housing Authority not minimally responsive and to waive any minor informalities they deem so (the Oakland Housing Authority will notify such firms in writing of any such rejection).

B. **Evaluation Committee**

Internally, an evaluation packet will be prepared for each evaluator. The Oakland Housing Authority anticipates that it will select a minimum of three people to serve on a committee to evaluate each of the responsive "hard copy" proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL

NOT make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS staff is the only person at the Oakland Housing Authority that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. **Evaluation**

CCGS will evaluate and award points pertaining to the Proposed Cost. The appointed evaluation committee, independent of CCGS, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Criteria other than costs. Proposals with a minimum of 70 points will be placed on the qualified list. Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CCGS Contracting Officer.

D. **Potential “Competitive Range” and “Best and Final” Negotiations**

The Oakland Housing Authority reserves the right to conduct “Best and Final” Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such, in writing, by the Oakland Housing Authority in as timely a manner as possible, but in no case will it be longer than ten (10) days after the beginning of such negotiations with the firms deemed to be in the competitive range.

1. **Determination of Top Ranked Proposer**

Typically all points, excluding those for cost, are awarded by the evaluation committee. The committee’s scores (points) will be combined with the objective points for cost, awarded by CCGS, to determine the final ranking. The final ranking is then typically forwarded by CCGS to the Executive Director for approval.

2. **Notice of Results of Evaluation**

Upon completion of the evaluation and internal approval processes (even if the contract has not yet been awarded), all proposers will receive, by email, a Notice of (tentative) Results of Evaluation.

3. **Restrictions**

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the evaluation committee.

Oakland Housing Authority reserves the right to reject any and all proposals, and shall select service provider(s) based on the most advantageous conditions for Oakland Housing Authority.

If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

By completing, executing and submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the Oakland Housing Authority, including the contract clauses already attached in the **Sample Personal Services Contract** under the Attachment section of the Table of Contents. Accordingly, the Oakland Housing Authority has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.4 **Contract Conditions**

The following provisions are considered mandatory conditions of any contract award made by the Oakland Housing Authority pursuant to this RFP:

A. **Contract Form**

The Oakland Housing Authority will not execute a contract on the successful proposer's form. Contracts will only be executed on the Oakland Housing Authority form (please see **Sample Personal Services Contract**) and by submitting a proposal the successful proposer agrees to do so (please note that the Oakland Housing Authority reserves the right to amend this form as the Oakland Housing Authority deems necessary). However, the Oakland Housing Authority will during the RFP process prior to the submittal deadline, consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the Oakland Housing Authority to do so; but the failure of the Oakland Housing Authority to include such clauses does not give the successful proposer the right to refuse to execute the Oakland Housing Authority's contract form. It is the responsibility of each prospective proposer to notify the Oakland Housing Authority, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Oakland Housing Authority will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the Oakland Housing Authority's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal. **Please note: Oakland Housing Authority has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.**

B. **Assignment of Personnel**

The Oakland Housing Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Oakland Housing Authority believes that such change is in the best interest of the Oakland Housing Authority and the completion of the contracted work.

C. **Unauthorized Sub-Contracting Prohibited**

The successful proposer(s) shall not assign any right, nor delegate any duty, for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the Contracting Officer. Any purported assignment of interest or delegation of duty, without the prior written consent of the

Contracting Officer shall be void and may result in the cancellation of the contract with the Oakland Housing Authority, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the Contracting Officer.

5.5 Contract Terms

The Oakland Housing Authority intends to enter into a three-year agreement with the selected consultant, with the option to extend for two one-year terms.

5.6 Contractor's Breach

Failure of the consultant to provide services in accordance with the RFP and terms of the contract will constitute a breach of the agreement between the Oakland Housing Authority and the firm. Additional breach conditions include the failure of the consultant to maintain insurance requirements that are outlined in the Insurance Requirements attachment of this RFP.

5.7 Remedies in Case of Breach

If at the end of five (5) service days from the date of a written notice, the contractor has not taken the necessary corrective action, the Oakland Housing Authority will send notification to the contractor of its intent to proceed with termination of the contract. Termination will occur thirty (30) calendar days from the date of the termination notice. The termination notice will not be rescinded without the written authorization of the Contract Compliance and General Services Division Manager.

OHA Economic Opportunities Policy

Oakland Housing Authority Economic Opportunities Policy

Background:

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C, 1701U (hereinafter referred to as "Section 3") requires that economic opportunities generated by certain U.S. Department of Housing and Urban Development financial assistance for housing and community development programs shall, to the greatest extent feasible, be given to low - and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

The U.S. Department of Housing and Urban Development's regulations implementing Section 3 are found at 24 CFR Part 135. It is the intent of OHA policy to comply fully with Section 3; and by publication of this policy, the OHA provides direction for application of this policy.

This policy shall remain in effect for all covered activities so long as this policy remains consistent with federal regulations or until changed by the Authority. In any case where it is found that any provision of this policy or of a procedure or program undertaken in furtherance of this policy is found to be inconsistent with Section 3 or 24 CFR Part 135, Section 3 or 24 CFR Part 135 shall prevail.

Policy Statement:

It is the policy of the Oakland Housing Authority to provide to the greatest extent feasible economic opportunities to low- and very low-income persons residing in Oakland metropolitan area (as defined in § 135.5 of 24 CFR Part 135 and to businesses meeting the definition of "Section 3 business concern" as defined by 24 CFR Part 135.

A Section 3 resident is:

- A Public housing resident and/or
- An individual who lives in the area where a HUD-assisted project is located and who is either low-or very-low income person as determined by HUD

• **Determining Income Levels:**

- Low income is defined as 80% or below the median income of that area.
- Very low income is defined as 50% or below the median income of that area.

(Income Limits are subject to change. Current Income Limits may be accessed on the OHA website at www.oakha.org.)

Section 3 business concern is a business that:

- Is 51 percent or more owned by Section 3 residents;
- Whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25 percent or more of the dollar amount of the awarded contract.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

First priority - residents of the development where the work is to be performed.

Second priority - other residents of Oakland Housing Authority properties.

Third priority - other residents of Oakland who are participants of HUD Youthbuild programs being carried out in the City of Oakland.

Fourth priority - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Furthermore, for all construction contracts in excess of \$100,000, contractors and their subcontractors are required to utilize appropriate State-approved apprenticeship programs that have graduated apprentices as a means to meet the Section 3 employment goals.

Employment:

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

Preference for Section 3 business concerns:

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

Small Purchases:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): (IFB=Invitation For Bids)

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
 - A. is within the maximum total contract price established in the Authority's budget for the specific project for which bids are being taken; and
 - B. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,000 . . . 10% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,000 . . . 9% of that bid or \$16,000

At least \$200,000, but less than \$300,000 . . . 8% of that bid or \$21,000

At least \$300,000, but less than \$400,000 . . . 7% of that bid or \$24,000

At least \$400,000, but less than \$500,000 . . . 6% of that bid or \$25,000

At least \$500,000, but less than \$1 million . . . 5% of that bid or \$40,000

At least \$1 million, but less than \$2 million. .4% of that bid or \$60,000

At least \$2 million, but less than \$4 million. .3% of that bid or \$80,000

At least \$4 million, but less than \$7 million. .2% of that bid or \$105,000

\$7 million or more . . . 1 1/2% of the lowest responsive bid, with no dollar limit.

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP)(RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems.

Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).

- (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) One of the evaluation factors shall address both the preference for Section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (Section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-Section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) With regard to the Section 3 strategy, the RFP shall require the disclosure of the contractor’s Section 3 strategy to comply with the Section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor’s responsibility will include the submission of an acceptable Section 3 strategy. The contract award shall be made to the responsible firm (either Section 3 or non-Section 3) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.*

Other Provisions:

1. Federal labor standards requirements: Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a--276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines.
2. A Section 3 business concern seeking a contract or a subcontract must submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract.

3. OHA will ensure compliance with Section 3 requirements through efforts that may include the following:
 - A. Requiring that contractors submit relevant documentation certifying their eligibility for preference under the Section 3 program, and/or demonstrating their compliance with Section 3 requirements.
 - B. Conducting ongoing Section 3 compliance review of applicable contractors and take appropriate action when they are found to be noncompliant with Section 3 requirements.
 - C. Refraining from entering into a contract with any contractor after notification by HUD that the contractor has been found in violation of Section 3 regulations.
 - D. Implementing procedures designed to notify Section 3 residents about training and employment opportunities generated by Section 3 covered assistance and Section 3 business concerns about contracting opportunities generated by Section 3 covered assistance;
 - E. Notifying potential contractors for Section 3 covered projects of the requirements of this part.

4. All OHA Section 3 covered contracts shall include the following clause set forth in 24 CFR 135.38:
 - A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
 - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
 - C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site

where both employees and for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Definitions:

The Oakland Housing Authority incorporates into this policy the definitions contained in § 135.5 of 24 CFR Part 135. Further, the Oakland Housing Authority makes no representation concerning interpretation and meaning of Section 3 of the Housing Act of 1968, as amended, and of 24 CFR Part 135 beyond this policy. It is recommended that interest parties refer directly to the law and regulations for a complete understanding of their meaning.

Authority

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy** (EOP) to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority**. This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. During the performance of this contract, the Contractor agrees as follows:
