Oakland Housing Authority's Background Information:

The Oakland Housing Authority was established on April 28, 1938 to provide low-income residents of the City of Oakland with access to low-cost housing. Currently, the Authority provides Public Housing units at multiple sites within the city limits for large developments, mixed-finance partnerships, and scattered sites.

The Authority has created a number of non-profit affordable housing affiliates to develop and operate affordable housing. The Authority is engaged in affordable housing development with a number of active sites in development. Development activities are carried out directly, and through a variety of affiliates and partnerships.

Oakland Housing Authority is federally funded and regulated primarily under the U.S. Housing Act of 1937 as amended. The majority of our funding is governed by HUD regulations. The Authority was selected to be a "Moving to Work" housing authority by the US Department of Housing and Urban Development and entered into an MTW agreement in 2004. The agreement has since been amended extending the MTW agreement to June 30, 2018.

The Authority is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Oakland, with the approval of the Oakland City Council. The Executive Director, who reports to the Board of Commissioners, has a budgeted staff of approximately 371 employees in four major divisions: The Office of the Executive Director, including the Departments of Human Resources and Police Services, the Office of Real Estate Development, the Office of Finance and Program Administration, and the Office of Property Operations.

The Authority's employees are housed at seven separate facilities, all located within the City of Oakland: 1619 Harrison Street, 1805 Harrison Street, 1801 Harrison Street, 1180 25th Avenue, 935 Union Street, 1327 65th Avenue, and 1540 Webster Street.

2. SCOPE OF WORK:

2.1 Description of Services

The selected vendor will provide the following services:

At the direction of the Authority and based upon an agreed upon scope of work budget, the selected vendor may provide any of the following as needed services:

- As requested, perform an entity-wide risk assessment, which may include qualitative, and quantitative analysis, in-person interviews with relevant management personnel, and the review of available documentation including previous reports of the operations and internal controls in identified operational and programmatic areas to determine the effectiveness and success of such programs, policies, procedures and systems.

1. The Risk Assessment should identify key processes within the Authority and identify potential risks associated with each process;
 2. The Risk Assessment report will be submitted to the Authority for review, concurrence and approval prior to being finalized; and
 3. The Risk Assessment report should prioritize the areas for internal audit work based on risk and exposure.
- Based on the results of the Risk Assessment and other factors as requested by the Authority, create a multi-year internal audit schedule that identifies the anticipated timing of internal audits.
 - For each audit requested by the Authority, develop an internal audit plan to be approved by the Authority prior to commencement that may include the anticipated date of commencement, completion, and any additional relevant milestone dates.
 - As instructed by the Authority and based on the approved internal audit plan, perform internal audits, which may include any of the following actions:
 1. Analyze the data obtained in order to identify deficiencies in controls, duplicative effort, wasteful or unnecessary spending, fraud, and lack of compliance with federal, state or local laws or failure to follow management policies/practices.
 2. Conduct an evaluation of various administrative, support, and program departments, analyzing any previously compiled data within the business unit, conducting a review of the departmental activities, assessing applicable Federal or State rules, regulations, and indicators. Perform operational reviews of key business processes, policies and procedures to identify deficiencies, weakness, and make recommendations to enhance and improve performance and/or methods to meet the department's and agency's mission and objectives.
 3. Review, and where appropriate, revise, the applicable section(s) of OHA's Internal Controls Manual, policies and procedures, as necessary.
 4. Provide an analysis of existing initiatives, management priorities, and external factors impacting the agency's work based on the analysis, to prepare and implement a comprehensive strategic plan which should include goals, objectives, and milestones for the short and long term.
 5. Assist with the long-term Moving to Work strategy and reporting, including analysis and recommending strategies to ensure OHA meets or exceeds MTW statutory requirements through its MTW activities and flexibilities.

6. Research and evaluate activities, programs, initiatives, and national best practices and provide recommendations for policy and programmatic methods to be adopted by OHA. Provide recommendations to strengthen internal controls in order to lower internal risk.
7. Provide recommendations for implementing “best practices” and create local impactful programs under MTW Authority to improve lifetime outcomes for participants, improve cost effectiveness of programs and administration, and recommend financial operational changes to better meet the agency objectives and mission.

- Have the capacity to review other areas as deemed necessary or as requested by OHA.
- As needed and directed, work with external auditors and staff to ensure minimal duplication of effort.
- Provide assistance and creation of agency strategic planning efforts with staff or Board members, facilitate discussions, conduct interviews, and meet with individual staff members, other stakeholders and interest groups. Compile and interpret those discussions and meetings into a planning document covering the work areas requested.

The Authority will initiate an Internal Audit, Risk Assessment, or Strategic Planning or other task under this agreement by issuing a signed engagement letter for each task requested under this agreement. The engagement letter will include the objective, scope and proposed timeline/schedule of the task requested. The selected vendor shall then provide a written estimate and work plan based on the hourly rates established in vendor’s submitted proposal and any reimbursable costs

within ten (10) business days, for Authority review and approval or denial. The detailed budget shall reflect the scope, services, and deliverables required for the assignment issued by the Authority. The number of hours and other costs included in the budget may be negotiated. Prior to commencement of any work, the Authority must agree to the work plan and detailed budget. The Authority will not pay for corrections that are due to errors made by the vendor.

The selected vendor shall be required to provide the Services and Deliverables within the scope and timeline specified in each internal audit assignment, in conformance with the Code of Ethics and the International Standards for the Professional Practice of Internal Auditing promulgated by The Institute of Internal Auditors, as well as other professional auditing standards which may be applicable to the performance of work assignments.

Submission Responsibilities

It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the Oakland Housing Authority, including the RFP document, and the documents listed within Section 4.1 and any addenda and required attachments submitted by the proposer. Written notice from the proposer not authorized in writing by CCGS to exclude any of the Oakland Housing Authority's requirements contained within the documents may cause that proposer to not be considered for award.

4.5 Selection Process

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, rated and ranked, and the most qualified proposers may be required to be interviewed by a selection committee that will complete a final evaluation. Proposals with a final total score of 70 points or more will be placed on a qualified list. The selections will be the sole responsibility of the Oakland Housing Authority. The Oakland Housing Authority reserves the right to reject any and all proposals, and shall select the firm(s) based on the most advantageous conditions for the Oakland Housing Authority.

A. Initial Evaluation for Responsiveness

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The Oakland Housing Authority reserves the right to reject any proposals deemed by the Oakland Housing Authority not minimally responsive and to waive any minor informality the Oakland Housing Authority deems so. (The Oakland Housing Authority will notify such firms in writing of any such rejection).

B. Evaluation Committee

Internally, an evaluation packet will be prepared for each evaluator. The Oakland Housing Authority anticipates that it will select a minimum of three people to serve on a committee to evaluate each of the responsive "hard copy" proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS staff is the only person at the Oakland Housing Authority that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. Evaluation

CCGS will evaluate and award points pertaining to the Proposed Cost. The appointed evaluation committee, independent of CCGS, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Criteria other than costs. Proposals with a minimum of 70 points may be placed on the qualified list. Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CCGS Contracting Officer.

Proposals with a minimum of 70 points may be evaluated a second time, and may be invited to give a presentation (The Oakland Housing Authority reserves the right not to conduct interviews) if a second stage is conducted. The evaluation will be based on the presentation and supplemental information submitted. Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CCGS Contracting Officer.

D. Potential "Competitive Range" and "Best and Finals" Negotiations

The Oakland Housing Authority reserves the right to conduct "Best and Finals" Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range (70 points or more) shall be notified of such, in writing, by the Oakland Housing Authority in as timely a manner as possible, but in no case will it be longer than 15 days after the beginning of such negotiations with the firms deemed to be in the competitive range.

1. Determination of Top Ranked Proposer

All points, excluding those for cost, are awarded by the evaluation committee. The committee's scores (points) will be combined with the objective points for cost, awarded by CCGS, to determine the final ranking. The final ranking is then forwarded by CCGS to the Chief Executive Officer for approval. If the evaluation was performed to the satisfaction of the Chief Executive Officer, the final ranking may be forwarded to the Oakland Housing Authority's Board at a scheduled meeting for approval. Contract negotiations may, at the

Oakland Housing Authority's option, be conducted prior to or after the Board approval.

2. Notice of Results of Evaluation

Upon completion of the evaluation and internal approval processes (even if the contract has not yet been awarded or board approval is pending), all proposers will receive, by e-mail, a Notice of (tentative) Results of Evaluation.

3. Restrictions

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the evaluation committee. The Proposer selected must comply with all the Oakland Housing Authority's contract requirements.

Prior to award, the *successful proposer* will be required to submit documentation that it possesses the required licenses.

It shall be the responsibility of each bidder to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the Oakland Housing Authority, including the RFP document, the documents listed within the following section, and any addenda and required attachments submitted by the bidder. By virtue of completing, signing and submitting the completed documents, the bidder is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the bidder not authorized in writing by the Contracting Officer (CO) to exclude any of the Oakland Housing Authority requirements contained within the documents may cause that bidder to not be considered for award.

6. CONTRACT AWARD

A. **Negotiations.** Once proposals have been evaluated and ranked, the Oakland Housing Authority will use the contract negotiation process to obtain the most highly qualified Proposer(s) at a fair and mutually agreed-to price. The proposed contract will include tasks with a Scope of Services and a Fee-Schedule.

The Oakland Housing Authority reserves the right to enter into discussions with the firm whose proposal is deemed most advantageous and in best interest of the Oakland Housing Authority for the purpose of negotiations. The Oakland Housing Authority reserves the right to enter into negotiations with the responsible and responsive firms within the competitive range without the need to repeat the formal solicitation process. The Oakland Housing Authority reserves the right to develop a qualified list if deemed advantageous to the Authority.

The Oakland Housing Authority reserves the right to award without discussions.

B. **Meetings.** Once the contract is awarded, the Proposer will meet with the Project Manager for this RFP and key staff to discuss the needs, method, and timeline of this requirement/service.

Contract Award Procedure:

If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

- The selected vendor(s) will receive a Purchase Order and/or a Contract. For contract amounts above \$50,000, Board approval must be obtained. Therefore, there may be a period of time between the bid due date and issuance of the Purchase Order. Work may NOT commence without a Purchase Order.
- By completing, executing and submitting the Bid Form and required documents, the bidder is thereby agreeing to "abide by all terms and conditions pertaining to this RFP as issued by the Oakland Housing Authority, either in hard copy or on the noted Internet System, including any applicable contract agreement. Accordingly, the Oakland Housing Authority has no responsibility to conduct negotiations pertaining to the contract clauses already published after the submittal deadline. Oakland Housing Authority has no power or authority to negotiate any clauses contained within any attached HUD documents.

Contract Terms and Conditions:

The following provisions are considered mandatory conditions of any contract award made by the Oakland Housing Authority pursuant to this RFP:

Contract Form: As the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, the contract must comply with all applicable HUD requirements specified in the attached HUD documents. The Contractor must also comply with all Authority requirements as applicable based on contract size which will be incorporated into any contracts awarded.

The Oakland Housing Authority will not execute a contract solely on the successful bidder's form--contracts will only be executed on the required Oakland Housing Authority and/or HUD documents; and by submitting a bid, the successful bidder agrees to do so (please note that the Housing Authority reserves the right to amend the form(s) as the Oakland Housing Authority deems necessary). However, the Oakland Housing Authority will during the RFP process (prior to the submittal deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request for the Housing Authority to do so; but the failure of the Housing Authority to include such clauses does not give the successful bidder the right to refuse to execute the Housing Authority's contract form. It is the responsibility of each prospective bidder to notify the Oakland Housing Authority, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Oakland Housing Authority will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide by the Oakland Housing Authority's response (decision), then that prospective bidder shall be deemed ineligible to submit a bid.

Please note that the Housing Authority has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

Workmanship Warranty: The contractor shall warrant that the material provided will conform to the contract requirements, industry standards, and manufacturer product standards for a period of two (2) years from the final acceptance of the work. The contractor shall remedy, at the contractor's expense, any failure to conform, or any defect of equipment or workmanship furnished by the contractor. Failure to correct the defect will result in the contractor being determined to be "non-responsible" and may be disqualified by the Oakland Housing Authority for future projects.

Warranty/Guarantee: All work provided by any contractor pursuant to any contract that ensues from this RFP shall be warranted or guaranteed by that Contractor for a period of time of not less than two (2) years.

Assignment of Personnel:

The Housing Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Oakland Housing Authority believes that such change is in the best interest of the Oakland Housing Authority and the completion of the contracted work.

Unauthorized Sub-Contracting Prohibited:

The successful bidder shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the Contracting Officer. Any purported assignment of interest or delegation of duty, without the prior written consent of the contracting shall be void and may result in the cancellation of the contract with the Oakland Housing Authority, or may result in the full or partial forfeiture of funds paid to the successful bidder as a result of the proposed contract; either as determined by the Contracting Officer.

Licensing and Insurance Requirements:

Prior to award (but not as a part of the bid submission) the *successful bidder* will be required to provide:

Oakland Housing
Authority

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy (EOP)** to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority.** This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact OHA at S3hire@oakha.org or 510-587-2176 for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

The form provides the means to determine Section 3 eligibility of the employee. The forms should be submitted to OHA as soon as possible after hiring for verification of Section 3 status.

Phone: 510.587.2176
Email: rdavis@oakha.org

Record Maintenance and Documentation

All projects and activities that are subject to Section 3 requirements shall maintain comprehensive documentation of their Section 3 outreach efforts and implementation activities. Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

“Greatest Extent Feasible”

For instance, this may mean going a step beyond normal notification procedures for employment and contracting opportunities by developing strategies that will specifically target Section 3 residents and businesses for these new economic opportunities.

Household Income Levels

Low and very-low income limits are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. HUD income limits can be obtained from www.huduser.org/portal/datasets/il.html.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies

through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

Second priority - other residents of Oakland Housing Authority properties.

Third priority - other residents of Oakland who are participants of HUD Youth build programs being carried out in the City of Oakland.

Fourth priority - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Employment:

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

Preference for Section 3 business concerns:

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

Small Purchases:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): (IFB=Invitation For Bids)

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP) (RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems. Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

- (ii) *(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) *With regard to the section 3 strategy, the RFP shall require the disclosure of the contractor’s section 3 strategy to comply with the Section 3 training and employment*

preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.

The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. (b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

RECITALS

WHEREAS, [In paragraph style tell a brief story of the background, necessity and purpose of the Contract. This is the appropriate place to recite (hence, the title "recitals") any special circumstances or consideration related to the Contract.]; and

WHEREAS, [For example, you may want to say that the Contractor is particularly well suited to undertake the work for some reason.]; and

WHEREAS, [Or, you may want to describe an emergency situation which gives rise to the need to enter into the Contract.]; and

WHEREAS, [Or, you may want to cite the program which the Contract is helping us implement; e.g., "the Authority is implementing a program for the Section 8 Housing Choice Voucher Program."]; and

WHEREAS, [The point is that here you provide a readable narrative which explains the Contract quickly to someone who picks it up and/or cover any external factors which are important to it.].

NOW, THEREFORE, the Authority and the Contractor agree as follows:

1. SCOPE OF SERVICES

Contractor shall provide the services described on Exhibit A, "Scope of Services."

[If the scope is short (3 or 4 lines) the appropriate language can be inserted here, otherwise use an attachment – the work required, including deliverable items, should be described clearly enough that someone else could administer the Contract without excessive guess work. Your expectations of the Contractor should be stated with as much particularity as needed—arguments later about whether or not we got what we wanted will focus on what we asked for here.]

2. TIME OF PERFORMANCE

[Use one or an appropriate combination of the following:]

The term of this Contract shall begin on **[starting date]** and end on **[Contract ending date]**.

Contractor's Schedule of Performance is set forth on Exhibit .

Contractor will begin work within _____ () days after receipt of an Authority Notice to Proceed.

Time for completion of this Contract will be _____ () days after receipt of an Authority Notice to Proceed to the Contractor.

[The start of work should be by a Notice to Proceed, but the Contract itself can serve as such notice by saying "The work under this Contract shall commence as of the effective date of the Contract." If there are interim dates for deliverables, or a time line for tasks, that should be called out here. If that is lengthy and likely to be amended often, use an attachment.]

[For Option Years use below]

a. **Initial Term.** The Initial term of this Contract will begin on _____, and end on _____, unless earlier terminated as provided herein.

b. **First Option Term.** The Authority, at its sole discretion, may elect to extend the term of the Contract for the period of _____ through _____ ("First Option Term") by giving written notice to the Contractor prior to the expiration of the Initial Term, unless earlier terminated as provided herein.

c. **Second Option Term.** The Authority, at its sole discretion, may elect to extend the term of the Contract for the period of _____ through _____ ("Second Option Term") by giving written notice to the Contractor prior to the expiration of the First Option Term, unless earlier terminated as provided herein.

d. **Third Option Term.** The Authority, at its sole discretion, may elect to extend the term of the Contract for the period of _____ through _____ ("Third Option Term") by giving written notice to the Contractor prior to the expiration of the Second Option Term, unless earlier terminated as provided herein.

3. COMPENSATION AND METHOD OF PAYMENT

The maximum amount payable under this Contract is _____ Dollars (\$_____).

A. Compensation.

[Insert appropriate additional language – including the basis for payment, e.g., hourly, by task, upon completion; how and when payment is made – monthly, at completion, upon invoices submitted no more frequently than every thirty (30) days (there should always be a requirement that the Contractor submit a piece of paper that can be processed, even if it is only a one-line bill saying "For Services Rendered"); some mention should be made of expenses, that is, whether or not they are reimbursable or included and, if allowed, what kind and how much.

For example: "The maximum amount payable under this Contract is Twenty-Five Thousand Dollars (\$25,000). Payment shall be made according to the schedule and terms described on Exhibit B, "Payment Schedule." All expenses of Contractor are included in the amounts payable pursuant to Exhibit B, and no expenses shall be reimbursed separately."]
