1.3 The Authority Information

The Authority was established on April 28, 1938 to provide low-income residents of the City of Oakland with access to low-cost housing. Currently, the Authority provides public housing units at multiple sites within the city limits for large developments, mixed-finance partnerships, and scattered sites.

The Authority has created a number of non-profit affordable housing affiliates to develop and operate affordable housing. The Authority is engaged in affordable housing development with a number of active sites in development. Development activities are carried out directly, and through a variety of affiliates and partnerships.

The Authority is federally funded and regulated primarily under the U.S. Housing Act of 1937 as amended. The majority of OHA's funding is governed by HUD regulations. The Authority was selected to be a "Moving to Work" housing authority by the US Department of Housing and Urban Development and entered into an MTW agreement in 2004. The agreement has since been amended extending the MTW agreement to 2028.

The Authority is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Oakland, with the approval of the Oakland City Council. The Executive Director, who reports to the Board of Commissioners, has a budgeted staff of approximately 371 employees in seven major divisions: The Office of the Executive Director, including the Departments of Human Resources and Police Services, the Office of Real Estate Development, the Office of Finance and Program Administration, and the Office of Property Operations, which includes the Housing Choice Voucher (HCV), public housing, and resident services programs.

The Authority's employees are housed at six separate facilities, all located within the City of Oakland: 1805 Harrison Street, 1801 Harrison Street, 1180 25th Avenue, 935 Union Street, 1540 Webster Street, and 1327 65th Avenue.

2 SCOPE OF WORK

Objective:

The Authority plans to conduct a market analysis of Oakland neighborhoods as well as an area-wide Fair Market Rent (FMR) study to gain a better understanding of rental market conditions in the Oakland metropolitan area. The HCV program is funded by the United States Department of Housing and Urban Development (HUD). The Authority administers assistance to roughly 14,373 voucher households, representing 38% of the FMR areas voucher population.

Section 8 of the United States Housing Act authorizes the HCV program to provide housing assistance to eligible low-income families. The FMRs established by HUD set the limits for the amount of housing assistance for a family as the maximum monthly gross rent, including utilities for privately owned, decent, and safe rental

housing of a modest (non-luxury) nature with suitable amenities. Typically, FMR represents the 40th percentile of the distribution of gross rents.

Since 2015, the Oakland-Fremont HUD Metro FMR Area has experienced rapid shifts in rental housing costs as well as low vacancy rates in many parts of the area. Oakland was the center of these shifts with a 21.6% increase in market rents demonstrating a remarkable escalation in 2016. In response to these challenges, a collection of agencies supported two FMR surveys to provide HUD with the most accurate, current data to calculate the annual FMR. Even after receiving approval of the most recently completed 2019 rent survey and reevaluation request, area agencies have struggled to remain competitive with unassisted tenants in a market that has low vacancy and increasing housing costs.

The Authority has used creativity and its financial and regulatory flexibility to counter the FMR challenges proactively. As a participant in HUD's Moving to Work (MTW) demonstration and as part of the Authority's efforts to expand the pool of participant landlords in the HCV program, the Authority developed a suite of MTW incentives to attract and retain property owners in the HCV program. Included in these incentives is an "Automatic Rent Increase" activity designed to offer Authority-initiated rent increases to voucher property owners in targeted geographic areas as a means of minimizing potential displacement of low-income residents.

Scope of Work:

Using data available via internal Authority business systems or external sources, the Authority has developed a predictive model that identifies properties and neighborhoods prime for rent increases. This solicitation seeks a consultant to conduct an in-depth analysis and survey to add supplemental information to the model that will further pinpoint optimal areas for as well as levels of incentives and potential rent increases. The Authority expects a consultant to assist with research and analysis of market conditions, both in Oakland and in the broader metropolitan area, in order to inform the development of its Owner Incentives Program and Automatic Rent Increases for HCV MTW activities.

Part A: Market Assessment

Conduct a market analysis of Oakland, CA, which may include:

- Housing market information such as definitions and characteristics for neighborhood markets and submarkets;
- Mapping, analysis of information on general occupancy, age of rental housing, neighborhood conditions, infrastructure, location and condition of public amenities, demographics, etc.;
- Analysis data on rent levels, unit size, unit distribution, and occupancy rates;
- Windshield survey or other survey observations; and
- An analysis of supply and demand of rental housing units by neighborhood.

In addition to rental amounts, the analysis should include characteristics, amenities, and features of typical units that lead to the current market value. The condition of a neighborhood is a key component of a rent reasonable analysis since it is a significant factor in determining the price or the comparability of rental housing units.

Part B: Fair Market Rent Survey

The selected vendor will be required to implement a standardized survey method to estimate HCV Fair Market Rents for the entire Oakland-Fremont HUD Metro FMR Area. Proposals should consider various documents including:

- Fair Market Rent Survey Design: Results of Methodological Experiment
- Revised Area Survey Procedures and Principles for Conducting Area Rent Surveys
- Federal Register Vol. 83, No.170 printed Friday, August 31, 2018
- 24 CFR 888.113
- All other applicable HUD guidance on conducting rent surveys

The objective, using the most effective methodology, is to generate a valid sample of at least 225 recent mover households who have moved within the 12- to 24-month period prior to the start of the contract into two-bedroom units in Alameda County and in Contra Costa County. One-bedroom and three-bedroom survey information may also be included in the survey. Results should also be proportionate to the relative occupied rental units in Alameda and Contra Costa Counties.

Note: OHA is willing to consider the use of financial incentives to increase the response rates of surveys. If the vendor recommends such incentives, please include this fee within your proposed cost in Exhibit A and include it in your proposal under a section labeled "reimbursable expenses".

Vendors are asked to provide separate pricing for mail and phone surveys within Exhibit A (Cost Form). If the timeline is different for mail versus phone, vendors should note the distinction as well in their proposal. Additionally, the Oakland-Fremont FMR area is racially, ethnically and linguistically diverse. The successful proposal will include strategies for engaging our diverse population, and reflect an understanding of equity and inclusion principles.

Expected Deliverables

- A Research Plan that describes the approach and research methods that will be used to conduct the engagement.
- A final assessment/analytical report that details observations based on fieldwork, interviews, and research and that includes a review of neighborhood characteristics, a review and map of markets and submarkets by zip code, Census Tract (CT), and neighborhood designation; the Oakland neighborhood boundaries may not align with either CT or zip codes and one of the tasks of the successful Vendor is to study the mapping and overlay of the CT, zip codes and

neighborhood to determine if the City neighborhood boundaries can be used, alone or in small groupings, to define a sub-market; in considering the use of the City neighborhoods the successful Vendor will provide a recommendation on how, or if, the City neighborhood boundaries can be used to set payment standards.

- A socioeconomic and demographic analysis, based in part on Census data, that examines population growth, growth projections, and household characteristics including racial and ethnic demographics, English proficiency, family type, tenure, age, family size, etc.
- A description and supporting data for any recommendations.
- Data cleaning and internal/external validation.
- In addition to anything which may be needed to meet HUD's requirement, Vendor will provide in a "submission ready" Excel format to be approved by HUD, at least 225 valid, completed surveys of one-, two-, and three-bedroom recent movers throughout the entire Oakland-Fremont FMR Area. Survey information should reflect relative population of Alameda and Contra Costa Counties. Requirements for the rent survey include:
 1. The list of addresses used for the survey;
 2. The total sample size and list of addresses where survey was sent;
 3. The number of completed one-, two-, and three-bedroom surveys their individualized identification code plus city, county and zip code;
 4. The survey's response rates;
 5. The Utility Allowance used in the survey, if any; and
 6. The Vendor's estimate of the 40th percentile gross rent for two-bedroom equivalent eligible recent mover units.
- OHA may require briefing meetings every other week, as needed, to ensure consistency, progress, and for the Vendor to provide routine project updates to OHA staff.
- Deliverables are due to OHA within four months of the contract start date and no later than any required submission deadline imposed by HUD for FMR reevaluations.
- OHA will own the results of the Fair Market Rent Survey and Market Assessment.

4.4 **Selection Process**

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, and the most qualified Contractors may be required to be interviewed by a selection committee that will complete a final evaluation. The selection will be the sole responsibility of the Authority. The Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Authority.

A. **Initial Evaluation for Responsiveness**

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The OHA reserves the right to reject any proposals deemed by the OHA not minimally responsive and to waive any minor informalities they deem so (the OHA will notify such firms in writing of any such rejection).

B. **Evaluation Committee**

Internally, an evaluation packet will be prepared for each evaluator. OHA anticipates that it will select a minimum of three people to serve on a committee to evaluate each of the responsive "hard copy" proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she **SHALL NOT** make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS staff is the only person at the OHA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. **Evaluation**

The appointed evaluation committee, independent of CCGS, shall evaluate the responsive proposals submitted and award points pertaining to the Evaluation Criteria.

D. **Potential "Competitive Range" and "Best and Finals" Negotiations**

The OHA reserves the right to conduct "Best and Finals" Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such, in writing, by the OHA in as timely a manner as possible.

1. **Determination of Top Ranked Proposer**

All points are awarded by the Evaluation Committee. The committee's scores (points) will be combined and averaged to determine the final ranking. The final ranking is then typically forwarded by CCGS to the Executive Director for approval. If the evaluation was performed to the satisfaction of the Executive Director, the final ranking may be forwarded to the

Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval (if necessary). Contract negotiations may, at the OHA's option, be conducted prior to or after the BOC approval.

2. Restrictions

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the evaluation committee.

In addition, as the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, any required documents generated by the Contractor and / or the Authority must comply with all applicable HUD regulations specified in HUD-5370-C General Conditions of the contract for non-construction. The firm must also comply with all the Authority contract requirements.

Prior to award, the *successful proposer* will be required to provide the proper license documents and insurance certificates. See **The Authority Insurance Requirements** under *Attachment section of the Table of Contents*.

All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

5.2 Contract Award

A. Negotiations. Once proposals have been evaluated and ranked, the Authority may use the contract negotiation process to obtain the most highly qualified Contractor(s) at a fair and mutually agreed-to price. The proposed contract will include tasks with a Scope of Services and a Fee-Schedule.

The Authority reserves the right to enter into discussions with the firm(s) whose proposal is deemed most advantageous and in the Authority's best interest for the purpose of negotiations. The Authority reserves the right to enter into negotiations with the responsible and responsive firms within the competitive range without the need to repeat the formal solicitation process.

The Authority reserves the right to award without discussions.

B. Meetings. Once the contract is awarded, the Contractor(s) will meet with the Project Manager for this RFP and key staff to discuss the needs, method, and timeline of this requirement/service.

C. Contract Award Procedure: If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

1. Accordingly, the Authority has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.3 Contract Conditions

The following provisions are considered mandatory conditions of any contract award made by the Authority pursuant to this RFP:

1. **Contract Form:** The Authority will not execute a contract on the successful proposer's form. Contracts will only be executed on OHA's form (please see Sample Consultant Agreement) and by submitting a proposal the successful proposer agrees to do so (please note that the Authority reserves the right to amend this form as OHA deems necessary). However, the Authority will, during the question and answer period (request must be submitted before the question deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for OHA to do so. **IF THE PROPOSED CLAUSES ARE NOT ACCEPTED BY THE AUTHORITY, THEN THE PROPOSER MUST EXECUTE THE CONTRACT FORM AS IS.** Failure of the Authority to include such clauses does not give the successful proposer the right to refuse to execute OHA's contract form. It is the responsibility of each prospective proposer to notify OHA, in writing, before the question deadline, of any contract clause that he/she is not willing to include and abide by in the final executed contract. OHA will consider and respond to such written correspondence in the addendum, and if the prospective proposer is not willing to abide by OHA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

Please note: OHA has no legal right or ability to (and will not) at any time, negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

2. **Assignment of Personnel:** The Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Authority believes that such change is in the best interest of the Authority and the completion of the contracted work.
3. **Unauthorized Sub-Contracting Prohibited:** The successful proposer(s) shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the Authority. Any purported assignment of interest or delegation of duty, without the prior written consent of the Authority shall be void and may result in the cancellation of the contract with the Authority, or may result in the full or partial forfeiture of funds paid to the successful proposer(s) as a result of the proposed contract; either as determined by the Authority.

5.4 Contract Terms

The Authority intends to enter into a one year agreement with the selected vendor, with four (4) one year options to renew.

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy (EOP)** to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority**. This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact OHA at S3hire@oakha.org or 510-587-2176 for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

New Hire Section 3 Information Form

General contractors and subcontractors will be provided this form upon award. Every **new hire** should be requested to complete the form. The form provides the means to determine Section 3 eligibility of the employee. The forms should be submitted to OHA as soon as possible after hiring for verification of Section 3 status.

Monthly Reports

OHA requires monthly reports listing all new hires and Section 3 hires from all contractors and subcontractors on Section 3 covered projects. A sample report will be provided. Reports shall be due on the fifth day of each month for the preceding month. These reports shall be submitted to:

Rufus Davis, Labor and Section 3 Compliance Officer
Phone: 510.587.2176
Email: rdavis@oakha.org

Record Maintenance and Documentation

All projects and activities that are subject to Section 3 requirements shall maintain comprehensive documentation of their Section 3 outreach efforts and implementation activities. Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

Useful Definitions

A business entity formed in accordance with state law, and which is licensed under state, county or municipal law to engage in the type of business activity for which it was formed.

“Greatest Extent Feasible”

Recipients of Section 3 financial assistance must make every effort within their disposal to meet the regulatory requirements. For instance, this may mean going a step beyond normal notification procedures for employment and contracting opportunities by developing strategies that will specifically target Section 3 residents and businesses for these new economic opportunities.

Household Income Levels

Low and very-low income limits are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. HUD income limits can be obtained from www.huduser.org/portal/datasets/il.html.

New Hire

A new hire means a full-time employee for a new permanent, temporary, or seasonal position that is created as a direct result of the expenditure of federal funds on Section 3 covered projects. Any employee that is not on the payroll of a contractor or developer on the day [i.e., that a purchase order is issued or the day a contract is signed or agreed upon] that the Section 3 covered assistance was provided, is considered a new hire.

- 51% or more owned by Section 3 residents

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): (IFB=Invitation For Bids)

If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

Competitive Proposals (RFP) (RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems. Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).

- (i) *For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) *(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) *With regard to the section 3 strategy, the RFP shall require the disclosure of the contractor’s section 3 strategy to comply with the Section 3 training and employment*

preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. **(As extracted and revised
from Oakland Housing Authority
Contracting and Purchasing Procedures)**

SECTION 1.19 VENDOR PROTESTS AND CLAIMS PROCEDURES

The following are the definitions of terms used in this section.

Definitions:

OHA: The abbreviation for the Housing Authority of the City of Oakland, California.

Contracting

Officer: The Executive Director of OHA or the person designated by the Executive Director in writing.

Vendor. The person or firm that is involved in bidding, proposing, or quoting on an OHA material or service requirement, or has contracted with OHA to provide material or perform a service, or a person who has an interest in such matters.

Claim: The assertion of facts which serves as the basis for a demand of payment, reimbursement, or compensation believed by the vendor to be due the vendor. The claim must be submitted in writing, by the affected vendor, on the "Notice of Protest or Claim" form (MMO9501) furnished by OHA (copy attached).

Protest: A written complaint about, or an objection to, an administrative action or decision by OHA. The protest must be submitted, including any and all facts on which it is based, by the affected vendor, on the "Notice of Protest or Claim" form (MMO-9501) provided by OHA (copy attached).

Response to

Solicitation: The vendor's written bid, quotation or proposal submitted in response to OHA's call for bids, quotations or request for proposals.

Who May Submit A Protest or Claim:

Any person as defined above in "Vendor" may submit a protest or claim.

Vendor protests, claims, or disputes shall be resolved using the following procedures:

A. Vendor protests prior to bid, quote or proposal opening:

1. Vendor must submit a written notice of protest to OHA's Contracting Officer eight or more calendar days prior to the date set for the bid, proposal, or quotation opening.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within if required time period. A late notice is not eligible for consideration under this procedure. Any protest received after eight days prior to the date set for the bid, proposal, or quotation opening may be rejected without further consideration or may be considered under paragraph B below at the direction of the Contracting Officer.
3. Contracting Officer shall review the solicitation record to ensure the information provided by the protesting vendor is accurate. Based on a review of the vendor's protest and other relevant information, the Contracting Officer shall prepare a "Finding of Fact."
4. Based upon the "Finding of Fact," the Contracting Officer may elect to:
 - a. Amend the Invitation to Bid by addendum to all prospective vendors. Addendum is to be mailed by registered mail, four or more days prior to the date of scheduled bid opening.
 - b. Terminate the current Invitation to Bid, Quote, or Request for Proposal.
 - c. Reject the claim in writing, detailing reason(s) for the rejection.

B. Protests after the bid, quote, or proposal opening, but prior to award of contract:

1. Vendor must submit a written notice of protest to the Authority's Contracting Officer within three calendar days of the bid opening date.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within the required time period. A late notice is not eligible for consideration under this procedure.
3. The vendor's protest, along with the solicitation's tabulation sheet, scope of work, copies of all responses received, and any other relevant documents shall be provided to the Contracting Officer. The Contracting Officer shall review the vendor's protest and the circumstances and prepare a "Finding of Fact."

4. Based upon the "Finding of Fact;" the Contracting Officer may take any of (but is not limited to) the following actions:
 - a. Allow the vendor to withdraw the vendor's response to the solicitation.
 - b. Reject one or more vendor(s) response(s) to the solicitation for failing to be complete, lacking the required guarantee, or failing to conform to the solicitation's instructions.
 - c. Reject all of the responses to the solicitation.
 - d. Disqualify one or more vendor (s) as non-responsible and therefore ineligible for an award of contract.

Note: If the dollar amount of the lowest responsible response to the solicitation is such that the Board of Commissioners must approve the award of the contract, the Contracting Officer shall make a recommendation of action to the Board ratifying this finding (a-d above).

C. Protests or claims after the award of contract (to be utilized in the absence of contractual language governing protests or claims):

1. The vendor must, submit a written notice of protest or claim to OHA's Contracting Officer within seven calendar days. The time period shall start the day immediately following the date of the incident on which the notice is based.
2. Immediately upon receipt of the vendor's notice, the Contracting Officer shall date-stamp the notice and send a letter to the vendor acknowledging receipt of the notice. The Oakland Housing Authority acknowledgement shall indicate if the notice was filed within the required time period. A late notice is not eligible for consideration under this procedure.
3. The Contracting Officer, with reasonable promptness (after obtaining the approval of HUD, if required), shall render a written decision to the vendor. Unless the vendor, within seven calendar days after the receipt of the decision, notifies the Contracting Officer in writing that it takes exception to such decision, the decision shall be final and conclusive.
4. The Contracting Officer's decision shall be final unless the vendor has accomplished all of the following:
 - a. Given the notice of protest or claim within the proper time period, and
 - b. Signed a final release of all claims, other than those unsettled claims listed on the final release with their separately stated amounts, and
 - c. Brought suit against OHA (not later than one year after final payment, or in the absence of a final payment, within one year after a written request by OHA to the vendor to submit a final invoice or release) for a disposition of the protest or claim by a court of appropriate jurisdiction.

CONTRACTING & PURCHASING PROCEDURES

5. Whether or not the vendor presents a protest or claim to the Contracting Officer or takes exception to a decision of the Contracting Officer, the vendor, unless directed otherwise by the Contracting Officer, shall proceed with the work as directed.

D. OHA record requirement:

1. OHA shall maintain a complete and detailed record of all protests and claims. The record shall include all pertinent correspondence, the written or recorded minutes of any meetings with the vendors making the protests or claims, and any information used in determining OHA's actions in the disposition of protests or claims.
