1. **GENERAL INFORMATION**

1.1 **RFP Introduction**

The Housing Authority of the City of Oakland (“the Authority”) invites proposals to seek an experienced firm to provide “Trauma Informed Care” organizational assessment and staff training.

Trauma Informed Care (TIC) is an approach that explicitly acknowledges the role trauma plays in people’s lives. It is the intent of the Authority that every department of this organization understands the impact of trauma on the individuals served and promotes cultural and organizational change in responding to and providing support of staff and assistance to members of the public, external stakeholders, and the community at large.

Through the use of TIC the Authority hopes to achieve:

- Better outcomes for individuals and families impacted by trauma;
- Marked reduction in staff/staff and client/ staff engagements which lead to unsatisfactory customer satisfaction, and staff feeling unsafe while at work;
- Increased customer and employee satisfaction;
- Increased staff patience and consistency in the approach to their work;
- Increased ability to de-escalate crisis situations; and
- Decreased counter-aggressive actions between staff, and clients and staff

In keeping with its goals to provide comprehensive, professional and effective services, OHA is soliciting proposals from qualified, experienced, licensed and insured firms to provide services as described under the Scope of Work within this RFP. All proposals submitted in response to this solicitation must conform to all of the requirements and specifications outlined within this document and any designated attachments in its entirety.

For further information and/or updates on this RFP or any other OHA projects, you may go to the OHA website at www.oakha.org Select Procurement/ Current Bid Openings or visit Housing Agency Marketplace through the following link:

https://ha.economicengine.com/requests.html?company_id=50863.

Proposers MUST register with Housing Agency Marketplace in order to submit a proposal.

1.3 The Authority Information

The Housing Authority of the City of Oakland was established in 1938 to assure the availability of quality housing for low-income persons. The Authority operates federally funded and other low-income housing programs and assists over 16,000 of Oakland's lowest-income families, elderly and persons with disabilities. The Authority serves and embodies a diverse community; therefore, it is crucial that contractors understand the effects of race, class, ethnicity, income, and other issues of difference in our society, and display a high level of cultural competency throughout their interactions with the Authority. Currently, the Authority's diverse workforce is comprised of 370 full-time employees.

As essential service providers, the Authority's mission and vision are more important now than ever before. Its employees remain committed to helping each resident, as well as prospective residents find the best pathway for individual success and long-term resiliency. Working together, the Authority can strengthen community bonds by providing engagement and access to valuable services to families that support their goals and to shape the future of Oakland. The Authority seeks a Contractor that understands and embraces its diversity, equity and inclusion vision and who will work in partnership with employees at all levels and facilitate the training and growth of staff competencies.

The mission of the Housing Authority of the City of Oakland is:

To assure the availability of quality housing for low-income persons and to promote the civic involvement and economic self-sufficiency of residents and to further the expansion of affordable housing within Oakland.

The end result will be better outcomes for clients, ultimately leading to more families being successful while engaging in the programs offered by the Authority.

All questions will be answered in writing in an Addendum issued and posted on the Authority's website. No questions will be responded to after the question and answer period has expired.

Please Note: The Authority will, during the question and answer period (request must be submitted before the question deadline) consider any Contract clauses that the proposer wishes to include therein and submit in writing a request for the Authority to do so. If the proposed clauses are not accepted by the Authority, then the proposer must execute the Contract Form as is, and by submitting a Proposal the successful Proposer agrees to do so.

4.3 Proposal Due Date

Responses to this solicitation will be accepted online until 10:00 AM (PST) on the due date specified above.

Late proposals will not be considered.

4.4 Selection Process

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, and the most qualified Proposers may be required to be interviewed by a selection committee that will complete a final evaluation. The selection will be the sole responsibility of the Authority. The Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Authority. If multiple contracts are awarded, projects will be assigned based on bid cost and vendor availability for the project.

A. Initial Evaluation for Responsiveness

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The OHA reserves the right to reject any proposals deemed by the OHA not minimally responsive and to waive any minor informalities they deem so (the OHA will notify such firms in writing of any such rejection).

B. Evaluation Committee

Internally, an Evaluation Packet will be prepared for each Evaluator. The OHA anticipates that it will select a minimum of three (3) people to serve on a committee to evaluate each of the responsive Proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any Evaluation Committee Member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS Staff is the only person at the OHA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. Evaluation

The appointed Evaluation Committee, independent of CCGS, shall evaluate the responsive Proposals submitted and award points pertaining to the Evaluation Criteria.

D. Potential “Competitive Range” and “Best and Finals” Negotiations

The OHA reserves the right to conduct “Best and Finals” Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such, in writing, by the OHA in as timely a manner as possible.

- A. Determination of Top Ranked Proposer
Typically, all points are awarded by the Evaluation Committee. The Committee's scores (points) will determine the final ranking. The final ranking is then typically forwarded by CCGS to the Executive Director for approval. If the evaluation was performed to the satisfaction of the Executive Director, the final ranking may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the OHA's option, be conducted prior to or after the BOC approval.
- B. Restrictions
All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the Evaluation Committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the Evaluation Committee.

No.	Criteria	Points
1.	<u>Experience:</u> Contractor's demonstrated experience and past performance as described in Section 3.1.B.	25
2.	<u>Approach to the Project:</u> Technical approach and demonstrated understanding of the requirement as described in Section 3.1.C.	25
3.	<u>Technical Capabilities:</u> Technical, financial, and management capabilities and capacities as described in Section 3.1D.	25

	Total	100

4.6 Selection Process

All responses will be reviewed for completeness and responsiveness. Proposals that score within the competitive range (**80 points** or higher) may be required to be interviewed by a selection committee that will complete a final evaluation. The selection will be the sole responsibility of the Authority. The Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Authority.

4.7 Initial Evaluation for Responsiveness

Each proposal received will first be evaluated for completeness and responsiveness (e.g., submits all required documents). OHA reserves the right to reject any proposals deemed by OHA not minimally responsive and to waive any minor informalities if deemed so. OHA will notify such firms in writing of any such rejection.

4.8 Evaluation Committee

Internally, an evaluation packet will be prepared for each evaluator. OHA anticipates that it will select a minimum of three (3) people to serve on a committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP.

PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP.

As indicated in this document, the designated CCGS staff member is the only person at the Authority that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

4.9 Evaluation

The appointed evaluation committee shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Criteria. All applicants invited to participate in the oral interviews will be ranked after the interview process.

The Authority will, at its discretion, contact one or more of the provided References for the Respondents deemed to be within the competitive range. Any negative References will be taken into consideration before proceeding with a final approval by the Board of Commissioners.

Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CCGS Contracting Officer.

Restrictions

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the evaluation committee.

4.10 Potential “Competitive Range” and “Best and Final” Negotiations

The OHA reserves the right to conduct “Best and Finals” Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. Any firm

deemed not to be in the competitive range shall be notified of such, in writing, by the OHA in as timely a manner as possible.

A. Determination of Top Ranked Proposer

Typically, all points are awarded by the Evaluation Committee. The Committee's scores (points) will determine the final ranking. The final ranking is then typically forwarded by CCGS to the Executive Director for approval. If the evaluation was performed to the satisfaction of the Executive Director, the final ranking may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the OHA's option, be conducted prior to or after the BOC approval.

B. Restrictions

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the Evaluation Committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the Evaluation Committee.

5. CONTRACT REQUIREMENTS

5.1 Contractor Requirements

The Proposer(s) selected must be fully qualified to perform the services described above and must possess the appropriate licensing. In addition, as the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, any required documents generated by the Proposer and/or the Authority must comply with all applicable HUD regulations specified in HUD-5370-C General Conditions of the contract for non-construction. The firm must also comply with all the Authority contract requirements.

Prior to award, the *successful proposer(s)* will be required to provide the proper license documents and insurance certificates. See **The Authority Insurance Requirements** under *Attachment section of the Table of Contents*.

All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

5.2 Contract Award

A. Negotiations. Once Proposals have been evaluated and ranked, the Authority may use the contract negotiation process to obtain the most highly qualified Proposer(s) at a fair and mutually agreed-to price. The proposed Contract will include tasks with a Scope of Services and a Fee-Schedule.

The Authority reserves the right to enter into discussions with the firm(s) whose Proposal is deemed most advantageous and in the Authority's best interest for the purpose of negotiations. The Authority reserves the right to enter into

negotiations with the responsible and responsive firms within the competitive range without the need to repeat the formal solicitation process.

The Authority reserves the right to award without discussions.

- B. Meetings.** Once the Contract is awarded, the Contractor(s) will meet with the Project Manager for this RFP and key staff to discuss the needs, method, and timeline of this requirement/service.
- C. Contract Award Procedure:** If a Contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
 - 1. By completing, executing and submitting a Proposal, the proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the Authority, including the Contract clauses already attached in the 'Sample Contractor Agreement' under the Attachment section of the Table of Contents. Accordingly, the Authority has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.3 Contract Conditions

The following provisions are considered mandatory conditions of any Contract Award made by the Authority pursuant to this RFP:

- 1. **Contract Form:** The Authority will not execute a Contract on the successful Proposer's Form. Contracts will only be executed on OHA's Form (please see **Sample Contract Agreement**) and by submitting a Proposal the successful proposer agrees to do so (please note that the Authority reserves the right to amend this form as OHA deems necessary). However, the Authority will, during the question and answer period (request must be submitted before the question deadline) consider any Contract clauses that the proposer wishes to include therein and submits in writing a request for OHA to do so. **IF THE PROPOSED CLAUSES ARE NOT ACCEPTED BY THE AUTHORITY, THEN THE PROPOSER MUST EXECUTE THE CONTRACT FORM AS IS.** Failure of the Authority to include such clauses does not give the successful proposer the right to refuse to execute OHA's Contract Form. It is the responsibility of each prospective proposer to notify OHA, in writing, before the question deadline, of any Contract clause that he/she is not willing to include and abide by in the final executed Contract. OHA will consider and respond to such written correspondence in the Addendum, and if the prospective proposer is not willing to abide by OHA's response (decision), then that prospective proposer shall be deemed ineligible to submit a Proposal.

Please note: OHA has no legal right or ability to (and will not) at any time, negotiate any clauses contained within ANY of the HUD Forms included as a part of this RFP.

2. **Assignment of Personnel:** The Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Authority believes that such change is in the best interest of the Authority and the completion of the contracted work.
3. **Unauthorized Sub-Contracting Prohibited:** The Proposer shall identify hereunder whether or not he/she intends to use any subcontractors for this job, if awarded, and/or if the Proposal is a joint venture with another firm. The successful Proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the Contract) without the prior written consent of the Authority. Any purported assignment of interest or delegation of duty without the prior written consent of the Authority shall be void and may result in the cancellation of the Contract with the Authority, or may result in the full or partial forfeiture of funds paid to the successful Proposer as a result of the proposed Contract; either as determined by the Authority.

5.4 Contract Terms

The Authority intends to enter into a 3 (three) year agreement with the selected firm(s).

5.5 Contractor's Breach

Failure of the Contractor to provide services in accordance with the RFP and terms of the contract will constitute a breach of the agreement between OHA and the firm. Additional breach conditions include the failure of the Contractor to maintain insurance requirements which are outlined in the Insurance Requirements attachment of this RFP.

5.6 Remedies in Case of Breach

If at the end of five (5) service days from the date of a written notice, the Contractor has not taken the necessary corrective action, the Authority will send notification to the Contractor of its intent to proceed with termination of the contract. Termination will occur 30 calendar days from the date of the termination notice. The termination notice will not be rescinded without the written authorization of the Contract Compliance and General Services Division Manager.

5.7 Record and Financial Accounts

The Authority reserves the right to audit the financial records of the Contractor and its subcontractor(s) related to the contract to determine the competence and financial stability of the Contractor.
