## Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit [www.hud.gov/section3](http://www.hud.gov/section3).**

### **Oakland Housing Authority's Section 3 Economic Opportunities Policy** (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy** (EOP) to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website [www.oakha.org/procurement/sec3EcoOpportPolicy.pdf](http://www.oakha.org/procurement/sec3EcoOpportPolicy.pdf).

### **Section 3 Requirement for All Bidders**

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

### **Section 3 Requirements for Awardees**

#### **Baseline Reporting and Hiring Projections Form**

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

#### **Hiring Goals**

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority**. This includes residents in both the public housing and Section 8 programs.

## Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed  
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties  
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

## Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

**Union Contractors:** OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact OHA at [S3hire@oakha.org](mailto:S3hire@oakha.org) or 510-587-5160 for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

## New Hire Section 3 Information Form

General contractors and subcontractors will be provided this form upon award. Every **new hire** should be requested to complete the form. The form provides the means to determine Section 3 eligibility of the employee. The forms should be submitted to OHA as soon as possible after hiring for verification of Section 3 status.

## Monthly Reports

OHA requires monthly reports listing all new hires and Section 3 hires from all contractors and subcontractors on Section 3 covered projects. A sample report will be provided. Reports shall be due on the fifth day of each month for the preceding month. These reports shall be submitted to:

Rufus Davis, Labor and Section 3 Compliance Officer  
Office of Program Administration  
Phone: 510.587.7131  
Fax: 510.587.2124  
Email: [rdavis@oakha.org](mailto:rdavis@oakha.org)

## Record Maintenance and Documentation

All projects and activities that are subject to Section 3 requirements shall maintain comprehensive documentation of their Section 3 outreach efforts and implementation activities. Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

## Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

## Useful Definitions

### **Business Concern**

A business entity formed in accordance with state law, and which is licensed under state, county or municipal law to engage in the type of business activity for which it was formed.

### **“Greatest Extent Feasible”**

Recipients of Section 3 financial assistance must make every effort within their disposal to meet the regulatory requirements. For instance, this may mean going a step beyond normal notification procedures for employment and contracting opportunities by developing strategies that will specifically target Section 3 residents and businesses for these new economic opportunities.

### **Household Income Levels**

Low and very-low income limits are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. HUD income limits can be obtained from [www.huduser.org/portal/datasets/il.html](http://www.huduser.org/portal/datasets/il.html).

### **New Hire**

A new hire means a full-time employee for a new permanent, temporary, or seasonal position that is created as a direct result of the expenditure of federal funds on Section 3 covered projects. Any employee that is not on the payroll of a contractor or developer on the day [i.e., that a purchase order is issued or the day a contract is signed or agreed upon] that the Section 3 covered assistance was provided, is considered a new hire.

### **Section 3 Business Concern**

A business concern that meets one or more of the following requirements:

- 51% or more owned by Section 3 residents
- 30% or more of permanent, full-time workforce consists of Section 3 residents
- Provides evidence to subcontract at least 25% of the dollar awarded to qualified Section 3 businesses

### **Section 3 Resident**

- (1) An Oakland Housing Authority public housing resident or Section 8 voucher holder; or
- (2) An individual who resides in the service area (Oakland) in which the Section 3 covered assistance is expended, and whose income status is as follows:

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor or organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The contractor will certify that any vacant employment positions, including training positions that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. # Instructions to Offerors Non-Construction

U.S. Department of Housing  
and Urban Development  
Office of Public and Indian Housing

- 03291 -

## 1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

## 2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

## 3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
  - (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
  - (3) letter or telegram, or
  - (4) facsimile, if facsimile offers are authorized in the solicitation.
- The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

## 4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

## 5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

## 6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

#### 7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

#### 8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

#### 9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. **Oakland Housing  
Authority**

## **OHA Economic Opportunities Policy**

## Oakland Housing Authority Economic Opportunities Policy

### **Background:**

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C, 1701U (hereinafter referred to as "Section 3") requires that economic opportunities generated by certain U.S. Department of Housing and Urban Development financial assistance for housing and community development programs shall, to the greatest extent feasible, be given to low - and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

The U.S. Department of Housing and Urban Development's regulations implementing Section 3 are found at 24 CFR Part 135. It is the intent of OHA policy to comply fully with Section 3; and by publication of this policy, the OHA provides direction for application of this policy.

This policy shall remain in effect for all covered activities so long as this policy remains consistent with federal regulations or until changed by the Authority. In any case where it is found that any provision of this policy or of a procedure or program undertaken in furtherance of this policy is found to be inconsistent with Section 3 or 24 CFR Part 135, Section 3 or 24 CFR Part 135 shall prevail.

### **Policy Statement:**

*It is the policy of the Oakland Housing Authority to provide to the greatest extent feasible economic opportunities to low- and very low-income persons residing in Oakland metropolitan area (as defined in § 135.5 of 24 CFR Part 135 and to businesses meeting the definition of "Section 3 business concern" as defined by 24 CFR Part 135.*

#### *A Section 3 resident is:*

- A Public housing resident and/or
- An individual who lives in the area where a HUD-assisted project is located and who is either low-or very-low income person as determined by HUD

#### • **Determining Income Levels:**

- Low income is defined as 80% or below the median income of that area.
- Very low income is defined as 50% or below the median income of that area.

*(Income Limits are subject to change. Current Income Limits may be accessed on the OHA website at [www.oakha.org](http://www.oakha.org).)*

#### **Section 3 business concern** is a business that:

- Is 51 percent or more owned by Section 3 residents;
- Whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25 percent or more of the dollar amount of the awarded contract.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

**Goals:**

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

*First priority* - residents of the development where the work is to be performed.

*Second priority* - other residents of Oakland Housing Authority properties.

*Third priority* - other residents of Oakland who are participants of HUD Youthbuild programs being carried out in the City of Oakland.

*Fourth priority* - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Furthermore, for all construction contracts in excess of \$100,000, contractors and their subcontractors are required to utilize appropriate State-approved apprenticeship programs that have graduated apprentices as a means to meet the Section 3 employment goals.

**Employment:**

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

**Preference for Section 3 business concerns:**

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

**Small Purchases:**

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): *(IFB=Invitation For Bids)*

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
  - A. is within the maximum total contract price established in the Authority's budget for the specific project for which bids are being taken; and
  - B. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,000 . . . .10% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,000 . . . .9% of that bid or \$16,000

At least \$200,000, but less than \$300,000 . . . .8% of that bid or \$21,000

At least \$300,000, but less than \$400,000 . . . .7% of that bid or \$24,000

At least \$400,000, but less than \$500,000 . . . .6% of that bid or \$25,000

At least \$500,000, but less than \$1 million . . .5% of that bid or \$40,000

At least \$1 million, but less than \$2 million. .4% of that bid or \$60,000

At least \$2 million, but less than \$4 million. .3% of that bid or \$80,000

At least \$4 million, but less than \$7 million. .2% of that bid or \$105,000

\$7 million or more . . . . 1 1/2% of the lowest responsive bid, with no dollar limit.

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP)(RFP=Request For Proposals)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems.

Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

*“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).*

- (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) (ii) One of the evaluation factors shall address both the preference for Section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (Section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-Section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) With regard to the Section 3 strategy, the RFP shall require the disclosure of the contractor’s Section 3 strategy to comply with the Section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor’s responsibility will include the submission of an acceptable Section 3 strategy. The contract award shall be made to the responsible firm (either Section 3 or non-Section 3) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.*

Other Provisions:

1. Federal labor standards requirements: Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a--276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines.
2. A Section 3 business concern seeking a contract or a subcontract must submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract.

3. OHA will ensure compliance with Section 3 requirements through efforts that may include the following:
  - A. Requiring that contractors submit relevant documentation certifying their eligibility for preference under the Section 3 program, and/or demonstrating their compliance with Section 3 requirements.
  - B. Conducting ongoing Section 3 compliance review of applicable contractors and take appropriate action when they are found to be noncompliant with Section 3 requirements.
  - C. Refraining from entering into a contract with any contractor after notification by HUD that the contractor has been found in violation of Section 3 regulations.
  - D. Implementing procedures designed to notify Section 3 residents about training and employment opportunities generated by Section 3 covered assistance and Section 3 business concerns about contracting opportunities generated by Section 3 covered assistance;
  - E. Notifying potential contractors for Section 3 covered projects of the requirements of this part.
  
4. All OHA Section 3 covered contracts shall include the following clause set forth in 24 CFR 135.38:
  - A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
  - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
  - C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site

where both employees and for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
