The Authority Information

The Oakland Housing Authority was established in 1938 to assure the availability of quality housing for low-income persons. The Authority operates federally funded and other low-income housing programs and assists over 16,000 of Oakland's lowest-income families, elderly, and persons with disabilities. The Authority serves and embodies a diverse community; therefore, it is crucial that contractors understand the effects of race, class, ethnicity, income, and other issues of difference in our society, and display a high level of cultural competency throughout their interactions with the Authority. The Authority's mission and vision are more important now than ever before as essential service providers. Its employees remain committed to helping each resident find the best pathway for individual success and long-term resiliency. Working together, the Authority can strengthen community bonds by uplifting and engaging families to help them shape not only their future but the future of Oakland as it intentionally ensures diversity, equity and inclusion is woven through all that it does. The Authority seeks a Contractor that understands and can foster its diversity, equity, and inclusion vision and who will work in partnership with employees at all levels and facilitate the training and growth of staff competencies.

The mission of the Oakland Housing Authority is:

To assure the availability of quality housing for low-income persons and to promote the civic involvement and economic self-sufficiency of residents and to further the expansion of affordable housing within Oakland.

OHA also has a goal of promoting growth and development of small businesses (which includes minority, women-owned and veteran-owned firms). OHA is committed to having a diversified vendor base. Thus, OHA requires vendors to "undertake good faith efforts to ensure that Minority Business Enterprises and Woman Business Enterprises are provided opportunities to contract with the Authority for the delivery of goods and services." Please refer to the Profile and Certification form for further details.

2. SCOPE OF WORK

Oakland Housing Authority is seeking bids from qualified, licensed, and bonded entities to provide the requested services. It is expected that the scope of services under any contract awarded pursuant to this IFB will include the services described in Exhibit A and may include tasks or services described in subcategories of this IFB. The Contractor may provide the following services, but not necessarily be limited to the scope of work contained in this IFB (see attached "**Scope of Work**" in Exhibit A).

Subcontractors

The selected Contractor may require the services of sub-contractors. The Authority will reserve the right to audit the financial records of the contractors and its sub-contractors. (Please submit the **Sub-Contractor Form** in the attached forms *if applicable*).

A copy of the bid tabulation or recap recorded may be made available to each member of the public attending such opening and to anyone who requests such afterwards. The bids will not be made available for inspection by anyone at this time; OHA will, at a later time, review all bids in detail and will, in a timely manner, notify any bidder ruled to be non-responsive or not-responsible (as detailed within Section 8(d) of form HUD-5369 and Section 7(b)(3) of form HUD-5369-B). Responsible Evaluation:

OHA will evaluate the apparent lowest responsive bidder to ensure that he/she is responsible (i.e., a firm that is qualified, responsible and able to provide to the Authority the required services). If OHA ascertains that the firm has the required ability, capability, experience, knowledge, licensing, insurance, and resources to provide the required services, OHA may proceed with award. If OHA determines that the firm is deemed to be not responsible, the firm will be notified in writing in a timely manner. OHA will then proceed with the next lowest bidder.

Depending on the amount of the award (typically for awards greater than \$150,000), OHA may take such contract award to OHA Board of Commissioners (BOC) for approval of the award prior to executing a contract with the apparent successful bidder.

6. CONTRACT AWARD

Lowest Responsive and Responsible Bidder:

Award of an IFB is made to the responsive and responsible bidder that submits the lowest bid/cost.

Contract Award Procedure:

If a contract is awarded pursuant to this IFB, the following detailed procedures will be followed:

- The selected Contractor will receive a Purchase Order/Contract. For contract amounts above \$150,000, Board approval must be obtained. Therefore, there may be a period of time between the bid due date and issuance of the Purchase Order. Work may NOT commence without a Purchase Order and Notice to Proceed, (see “*Notice to Proceed*” section below).
- By completing, executing, and submitting the Bid Form and required documents, the bidder is thereby agreeing to “abide by all terms and conditions pertaining to this IFB as issued by OHA, either in hard copy or on the noted Internet system, including any applicable contract agreement. Accordingly, OHA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract

clauses already published; and in any case OHA has no power or authority to negotiate any clauses contained within any attached HUD documents.

Contract Terms and Conditions:

The following provisions are considered mandatory conditions of any contract award made by the OHA pursuant to this IFB:

Contract Form: As the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, the contract must comply with all applicable HUD requirements specified solely on the successful bidder's form. Contracts will only be executed on the required OHA and/or HUD forms, and by submitting a bid the successful bidder agrees to do so (please note that OHA reserves the right to amend the form(s) as deemed necessary). However, OHA will, during the IFB process, (prior to the submittal deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request to do so. Failure of OHA to include such clauses does not give the successful bidder the right to refuse to execute OHA's contract form. It is the responsibility of each prospective bidder to notify OHA, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. OHA will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide by OHA's response (decision), then that prospective bidder's bid shall be deemed non-responsive.

Workmanship Warranty: The Contractor shall warrant that the work performed will conform to the contract requirements, industry standards, and manufacturer product standards for a period of two (2) years from the final acceptance of the work. The contractor shall remedy, at the contractor's expense, any failure to conform, or any defect of equipment or workmanship furnished by the Contractor. Failure to correct the defect will result in the Contractor being determined to be "non-responsible" and may be disqualified by OHA for future projects.

Warranty/Guarantee: All work provided shall be warranted or guaranteed by the Contractor for a period of time of not less than two (2) years from the final acceptance of work.

Assignment of Personnel:

OHA shall retain the right to demand and receive a change in personnel assigned to the work if OHA believes that such change is in its best interest and the completion of the contracted work.

Unauthorized Sub-Contracting Prohibited:

The successful bidder shall not assign any right, nor delegate any duty for the work proposed pursuant to this IFB (including, but not limited to, selling, or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without prior written consent of the CO shall be void and may result in the cancellation of the contract with OHA, or may result in the full or partial forfeiture of funds paid to the successful bidder as a result of the proposed contract; either as determined by the CO.

Licensing and Insurance Requirements:

Prior to award (but not as a part of the bid submission) the *successful bidder* will be required

to provide:

- An original certificate evidencing the bidder's appropriate licensing current
- Implement and comply with all applicable local, state, and federal codes, statutes, laws and regulations.

Scope of Work

Contractor will complete the full relocation including full packing, transport, and unpacking of all designated contents and furnishings of approximately 60 individual one-bedroom , one-bathroom apartment units (all are approximately 450 square feet) from 1621 Harrison Street, Oakland CA (Harrison Tower). The relocation will be one way moves to a destination within a 50 miles radius of Harrison Tower (1621 Harrison Street, Oakland, CA).

The number of apartment moves per day is estimated to range from one (1) up to three or four (3 – 4)apartments however there is no guarantee that tenant moves will be grouped together. The safety of our residents, site staff and the vendor's staff is of utmost importance. If multiple resident moves are indicated in one day, the actual number of moves per day will be discussed and agreed upon between OHA and the selected vendor on a case by case basis.

Contractor will provide all labor, tools, boxes, packing materials, equipment, transportation, and insurance to move the property of Harrison Tower residents to their new location. The moves consist of one-bedroom dwelling units in a singular thirteen-story apartment building. All apartment moves must be completed on the same day no later than 5pm. If the work involves disassembling small appliances (not including major kitchen appliances such as refrigerators or oven/stoves), furniture, and other items during the move, Contractor is responsible for re- assembling the items to their original (assembled) condition and placing large items per tenant instructions upon delivery to the new unit.

Contractor will coordinate the move with OHA's contracted relocation consultant—Overland, Pacific & Cutler (OPC) and the Property Manager of Harrison Tower. OPC and the Property Manager will be responsible for coordinating all pre-moving preparations including: arranging a move time with the resident, providing moving instructions to the resident, and arranging any pre-move resident meetings/site visits. While Contractor is generally responsible for packing the residents' belongings, residents may choose to self-pack delicate or fragile items themselves. Price should include the delivery of five (5) boxes to each apartment, or the apartment building for distribution to the residents, at least seven (7) days prior to the resident's scheduled move for self-packing.

During the day of the move, Tenants will inspect the condition of their belongings before and after the move to identify any losses and/or damages and sign for completion of the move. OHA requests that Contractor incorporate the cost of full value insurance coverage protecting any damage to the resident's belongings into the proposed contract amount and provide details of their claim process for lost or damaged items. All contractor inventory and claim forms shall be provided to OHA at least 10 days in advance of the first move to allow OHA adequate time to translate the forms into Chinese and Vietnamese, residents' predominant primary languages.

Vendors should provide insurance coverage that is sufficient to protect against any damage or loss to residents' belongings up to the full replacement value for all 60 units. The cost of insurance should be included in Table 4 of Appendix B, Bid Form. Please also note that while the Vendor is responsible for coordinating all claims with the resident(s), OHA and its relocation consultant will provide assistance with resolving claims, as needed.

Each move is expected to be completed within a workday and shall be done during the hours of 8:30 a.m. and 5:00 p.m. Monday through Friday however, weekend moves may be necessary.

Face masks are mandatory for all staff working inside Harrison Tower, at all times.

There is no formally designated Loading Zone in front of Harrison Tower. Therefore, vendors should include an allowance for City permit fees to temporarily reserve an appropriately sized area in front of the property for loading. In addition, to the extent we are able, OHA staff will work with the selected vendor(s)

to help facilitate this process.

One elevator will be reserved for the duration of the time the vendor's staff are actively moving and loading residents' belongings.

Oakland Housing
Authority

Contractor's Summary Guide to Section 3 Compliance

A. Introduction and Summary

The Oakland Housing Authority (OHA) has established a policy whereby any contractor that transacts business with OHA must meet the requirements of OHA Section 3 Policy as outline in this document. This Section 3 Policy is required to be a flow down provision to each subcontract at every tier. This policy applies to all contracts valued over \$250,000. The Oakland Housing Authority has an established policy whereby any applicable contractor with contracts valued over \$250,000 that transacts business with the agency must meet the requirements of our Section 3 Policy. Contracts under \$250,000 do not require compliance with Section 3.

This policy requires that employment and other economic opportunities generated by certain HUD financial assistance, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.

This document serves to fulfill two (2) main objectives: 1) it contains program definitions, requirements, information on program assistance provided by OHA and 2) it outlines the Section 3 program compliance measures of OHA.

B. Definitions

Low-Income Person

A family (including single persons) whose income does not exceed 80% of the median income for the area, as determined by HUD, with adjustments for smaller and larger families (See OHA income eligibility chart).

Very Low-Income Person

A family (including single persons) whose income does not exceed 50% of the median family income for the area, as determined by HUD, with adjustments for smaller or larger families (See OHA income eligibility chart).

Section 3 Worker

A Section 3 worker is any worker who currently fits into, or when hired within the past five years fit into, at least one of the following categories:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD
2. The worker is employed by a Section 3 business concern
3. The worker is a YouthBuild participant.

Section 3 Business Concern

A Section 3 business concern is any type of business (sole proprietorship, partnership, non-profit, corporation) that meets at least one of the following criteria, documented within the last six-month period:

1. At least 51 percent owned and controlled by low- or very low-income person;
2. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers; or
3. A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing

YouthBuild Program

YouthBuild is a community-based pre-apprenticeship program that provides job training and educational opportunities for at-risk youth ages 16-24 who have previously dropped out of high school.

YouthBuild participants learn vocational skills in construction, as well as in other in-demand industries that include health care, information technology, and hospitality. Youth also provide community service through the required construction or rehabilitation of affordable housing for low-income or homeless families in their own neighborhoods

Targeted Section 3 Worker

A Section 3 targeted worker is a Section 3 worker who:

- (1) is employed by a Section 3 business concern: or
- (2) currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - (i) A resident of OHA or Section 8-assisted housing;
 - (ii) A resident of other public housing projects or Section 8-assisted housing managed by a PHA that is providing the assistance; or
 - (iii) A YouthBuild participant.
- (3) A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

Section 3 Project

Section 3 projects are housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$250,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs. Section 3 applies, on a per project basis, to all OHA projects that are fully or partially funded with HUD funding.

C. OHA Section 3 Goals

There are two Section 3 Goals. One for **Section 3 Workers** and the other for **Section 3 targeted Workers**. For OHA the goal for Section 3 workers is set at *25 percent* or more of the total number of labor hours worked by all workers employed within OHA's fiscal year. The benchmark for **Targeted Section 3 workers** is set at *5 percent* or more of the total number of labor hours worked by all workers employed with public housing financial assistance within OHA's fiscal year. This means that the *5 percent* is included as part of the *25 percent* threshold.

D. Section 3 Plan

The Contractor is required to submit with their bid/proposal package a Section 3 Plan for OHA review and written approval. The Section 3 Plan will detail the processes to be implemented to ensure that the above Section 3 goals will be met. The plan should specify the number of positions expected to be created and what minimum qualifications and skills will be required in order to perform the positions. The plan should also address the Contractor's strategy for recruiting OHA residents for the available positions, which should include consultation with OHA's Section 3 Coordinator.

Qualitative processes to be included, but not limited to, in the Section 3 Plan are identified below. The HUD Section 3 website has additional educational resources and tools for developing the Section 3 Plan. The HUD website can be accessed at <https://www.hud.gov/section3/>.

E. Qualitative Processes for Section 3 Plan

The OHA Resident & Community Services Coordinator is the OHA's point of contact for assistance in identifying OHA's Section 3 and Targeted Workers.

Engaging in outreach efforts to generate job applicants who are Targeted Section 3 workers should but not be limited to the following.

- Providing training or apprenticeship opportunities.
- Providing technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- Providing or connecting Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.

- Holding one or more job fairs.
- Providing or referring Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
- Providing assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.
- Assisting Section 3 workers to obtain financial literacy training and/or coaching.
- Engaging in outreach efforts to identify and secure bids from Section 3 business concerns.
- Providing technical assistance to help Section 3 business concerns understand and bid on contracts.
- Dividing contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- Providing bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

F. Documenting and Reporting-Section 3 Plan

1. Contractor agrees to report the labor hours performed by Section 3 Workers for the work identified in each payment request. The reporting of Section 3 Worker hours, as prepared by the Contractor, must be approved in writing by OHA's Labor Compliance Officer.
2. The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor's Section 3 Plan to OHA via LCP tracker software. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contract information is current.

G. Compliance Reporting Systems

OHA utilizes LCPtracker in order to monitor the compliance requirements for Davis-Bacon, and Section 3 labor hour tracking policy requirements.

LCPtracker, is accessible to **ALL** OHA Prime Contractors (as well as Subcontractors) and each contractor is required to utilize the secure web-based systems for electronic submission of information related to Section 3 compliance.

H. Section 3 Calculations

Below are the formulas for calculating Section 3 and Target Workers. This formula will be utilized to validate that contractors have met OHA's Section 3 goals.

$$\frac{\text{Section 3 Workers}}{\text{Total Labor Hours}} = \geq 25\%$$

$$\frac{\text{Section 3 Target Workers}}{\text{Total Labor Hours}} = \geq 5\%$$

Note: Professional Service Contracts are not applicable to Section 3 requirements. However, if Section 3 goals are met by a Professional Service Contractor, the hours can be added in the numerator of the Section 3 calculation.

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact **OHA's Dan Abrami at 510.587.5127 or dabrami@oakha.org** for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

Instructions to Offerors

Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

-03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "Working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerers should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offerer or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an Invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offerer whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and
- (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offerer's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offerer within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protester.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.

4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

 - (ii) litigation or settlement of claims arising from the performance of this contract; or,

6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under this contract is performed.

7. Disputes

- (a) All disputes arising under or relating to this contract, except for disputes arising under clauses contained in Section III, Labor Standards Provisions, including any claims for damages for the alleged breach there of which are not disposed of by agreement, shall be resolved under this clause.
- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as for a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. 11. Organizational Conflicts of Interest

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
 - (i) Award of the contract may result in an unfair competitive advantage; or
 - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.
- (c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.
- (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

(ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(b) For purposes of subdivision (b)(ii)(2)(a) of clause, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(i) and (ii) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions, or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

16. Equal Employment Opportunity

During the performance of this contract, the

Contractor/Seller agrees as follows:

(a) The [contractor/seller] will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, disability, or national origin. The [contractor/seller] will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, disability, or national origin.
