ANNOUNCEMENT

RE: Site-Based Waiting List Opening – The Altenheim Senior Housing Phase II

Dear Section 8 Applicant:

The Altenheim Senior Housing Phase II is currently under construction and scheduled to open in April 2010. The development will include 40 Section 8 Project-based Voucher assisted one-bedroom units. These units will be tenanted from the Altenheim II site-based waiting list.

Placement on the Altenheim II site-based waiting list will be determined by a computer generated lottery process. If you are already on another Oakland Housing Authority waiting list, placement on the Altenheim II site-based waiting list will not impact your position. You will only be removed from an OHA waiting list if you are selected, accept and move in to a Altenheim Senior Housing Phase II Section 8 assisted unit.

If you are interested in living at the Altenheim II, you must submit a separate application directly to the development's property management office at the Altenheim Senior Housing Phase I.

Please note that applications will only be accepted between February 1st and February 19th, 2010. For more details, please refer to the marketing flyers:
