Residents of the City of Oakland Housing Authority
Members of the Board of Commissioners
Housing Authority of the City of Oakland, California

We are pleased to present the Annual Comprehensive Financial Report (ACFR) for the Housing Authority of the City of Oakland, California (the Authority) as of and for the year ended June 30, 2025. The U.S. Department of Housing and Urban Development (HUD) requires that all public housing authorities publish within nine months after the fiscal year-end, financial statements presented in conformity with accounting principles generally accepted in the United States of America (GAAP) and audited in accordance with U.S. generally accepted auditing standards (GAAS). Macias Gini & O'Connell LLP (MGO), independent certified public accountants, have audited the Authority's financial statements presented herein. MGO has issued an unmodified opinion on the Authority's basic financial statements for the year ended June 30, 2025. The purpose of the independent audit is to provide reasonable assurance that the audited basic financial statements, taken as a whole, are free of material misstatements. The data presented in this report is the responsibility of the Authority's management. To the best of our knowledge and belief, the data as presented is accurate in all material respects, is presented in a manner designed to fairly state the financial position and changes in financial position of the Authority and all disclosures necessary have been included to enable the reader to gain an understanding of the Authority's financial affairs. GAAP requires that management provide a narrative introduction, overview, and analysis to complement the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The Authority's MD&A can be found immediately following the report of the independent auditors. This transmittal letter is designed to complement the MD&A and should be read in conjunction with it.

The Authority is also required to undergo an audit in conformity with Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). It is the Authority's policy to require the accounting firm to be independent certified public accountants with specific experience in auditing governmental entities, and in performing compliance audits pursuant to the Uniform Guidance. Information related to this single audit, including the independent auditor's report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with *Government Auditing Standards*, the independent auditor's report on compliance for the Authority's major federal programs and on internal control over compliance, the schedule of expenditures of federal awards, the schedule of findings and questioned costs, and the summary schedule of prior audit findings are included in the federal compliance section of this report.

Government Overview

The Authority was established in 1938 to provide housing for low-income residents of the City of Oakland, California (City). The Authority was founded by City of Oakland ordinance, under the Health and Safety Code of the State of California and is governed by a seven-member Board of Commissioners (Board) appointed by the Mayor of the City, with the approval of the City Council.

This report includes all programs of the Authority, as well as all of its component units. Component units are legally separate entities for which a government is financially accountable or for which it is so intertwined with the primary government that they are in substance part of the operations of the primary government. Although the Authority maintains close ties with the City in several respects, the Authority is not a component unit of the City.

The Authority's primary source of funding from the U.S. Department of Housing and Urban Development (HUD). HUD has direct responsibility for administering Public Housing Programs under the United States Housing Act of 1937 (as amended). The Authority's mission is *to assure the availability of quality housing for low-income persons, to promote the civic involvement and economic self-sufficiency of residents, and to further the expansion of affordable housing within Oakland.* The Authority accomplishes its mission by administering various programs, including the Low Rent Housing Program (Section 9 public housing) and the Section 8 Housing Choice Vouchers (HCV) Program. In 2004, the Authority was selected to participate in HUD's Moving to Work (MTW) Demonstration Program. The program allows the Authority an exemption from a multitude of HUD regulations and reporting requirements; provides significant flexibility to combine its HUD funding for allocation among the Authority's administrative, capital, development, and supportive service activities; and presents a unique opportunity for the Authority to explore and test new and innovative methods of delivering housing. The Authority has established various instrumentalities and affiliates to partner and develop alternative housing opportunities for Oakland's lowest-income families, elderly, and persons with disabilities. As the City's largest provider of affordable housing, the Authority recognizes that it takes a tremendous amount of support to help people make a home and assist residents in building communities.

Economic Condition and Outlook

While the Authority recently began pursuing non-HUD opportunities and diversifying its sources of revenue, by and large the agency continues to rely on Congressional appropriations and HUD funding for 99.5% of its annual operating budget. Revenues provided by HUD come in multiple forms, such as operating subsidies, contracts, and grants, and all depend on Congress to pass legislation to fund the government through appropriations bills. The Authority has remained conservative in its budgeting and anticipates funding at the budgeted level for FY 2025, although capital expenditures for major renovations and development continue as planned.

The United States federal budget for fiscal year 2025 runs from October 1, 2024, to September 30, 2025 the federal government operated under a full year continuing resolution passed in March 2025, which extended the 2024 budget for the whole 2025 fiscal year, with limited changes. In FY25, Congress passed, and the President signed budget bill into law on March 15, 2025

Additionally, HUD Fair Market Rents (FMR) published for FY 2025 increased for all unit sizes by an average of approximately \$98 in the Oakland-Fremont market, which demonstrates the robust market for and increasing cost of housing, even during challenging economic ties for retail and commercial real estate in the City.

Major Initiatives

The Authority pursued the development and preservation of affordable housing through several major projects during FY 2025, as described below.

Brooklyn Basin – The Authority partnered with the City of Oakland and Mid-Pen Housing Corporation (Mid-Pen) to develop 465 units of affordable housing for low-income families and seniors at Brooklyn Basin, a new master planned community on a former industrial site along Oakland's waterfront. The overall project site is approximately 64 acres and, when complete, will include up to 3,100 residential units (including the 465 affordable rental units), 200,000 square feet of commercial space, 32 acres of parks and public open space, two renovated marinas (170 boat slips) and an existing wetlands restoration area. The master developer is Zarsion-OHP I, LLC (ZOHP), whose principal local partner is the Signature Development Group.

Four affordable projects in total were developed on two improved parcels for a total of 465 units. The Authority purchased a 50% tenant-in-common interest in Parcels A and F for \$10 million and allocated 258 Section 8 Project Based Vouchers to be distributed between the four projects. The land acquisition closing was completed in October 2017.

The first two projects on Parcel F received a Notice to Proceed on December 20, 2018, and were substantially complete on January 15, 2021. Project 1, Paseo Estero, offers 101 new affordable rental homes for families. Project 2, Vista Estero, offers 110 affordable rental homes for seniors. Both properties were fully leased by July 31, 2021. Project 3, Foon Lok West, which provides 130 affordable rental homes for very low-income and formerly homeless families, was completed in May 2022, and was fully leased in August 2022. Project 4, Foon Lok East, has 124 affordable homes for very low-income and formerly homeless families. Mid-Pen closed all financing for Foon Lok East at the end of May 2022, started construction in early June 2022, construction was completed in March 2024. Foon Lok East is currently fully leased up. Foon Lok East successfully converted all construction financing to permanent financing in February 2025. All four affordable projects at Brooklyn Basin are 100% complete and stabilized.

500 Lake Park— The Authority is partnering with EAH Housing in developing 500 Lake Park Avenue in the Grand Lake District of Oakland. The project consists of a six-story, 53-unit building with a mix of one, two, and three-bedroom units serving low-income families and formerly homeless individuals. The project will also deliver approximately 3,000 square feet of ground-level commercial space, above-ground structured parking for residents, and an additional 20 parking spaces for the neighboring Bank of America branch. The site is in a high-amenity area accessible to public transit, schools, parks, grocery stores, retail, an Oakland Public Library branch, and Lake Merritt.

The Authority has agreed to provide a total of \$7.5 million to the project. On June 9, 2021, the Authority purchased the 500 Lake Park land for \$4.9 million and provided a predevelopment loan to the project. When fully drawn, the predevelopment loan will be \$2.3 million. The Authority will ground lease the land back to the development partnership for a lease term not to exceed 99 years. When the project begins construction, the predevelopment loan will be converted to permanent financing and additional funds will be provided up to the Authority's \$7.5 million total commitment. In addition, the Authority will provide 18 project-based Veterans Affairs Supportive Housing (VASH) vouchers. The project is currently seeking additional financing from the City of Oakland and the State of California. If these applications are successful, construction could commence in late 2026 and take approximately two years to complete.

285 12th Street – The East Bay Asian Local Development Council (EBALDC) is developing 285 12th Street, a 65-unit building in the Downtown/Chinatown area of Oakland that will serve low-income families and people who have experienced homelessness. The project also includes approximately 3,500 square feet of ground floor commercial space.

The Authority has agreed to provide \$12 million in financing to 285 12th Street. The Authority is providing a predevelopment loan of up to \$1 million, and the Authority will purchase the project site for its appraised value upon the close of construction financing. The balance of the Authority's funding will be provided as a soft construction/permanent loan. The Authority has also committed to providing 16 project-based vouchers and an additional 8 VASH project-based vouchers to 285 12th Street. The project-based vouchers will allow the development of extremely low-income and formerly homeless households while maintaining financial viability.

In addition to the permanent financing described above, the Authority has provided an Acquisition Bridge Loan in the amount of \$7,100,880. This loan allowed EBALDC to repay the acquisition loan for 285 12th Street, which will reduce the interest costs the project would otherwise have to pay until the Authority purchases the project site. The Acquisition Bridge Loan will be repaid upon commencement of construction and the Authority's acquisition of the property. EBALDC continued with predevelopment work and funding applications during fiscal

year 2025 and the Authority provided funding through both the Predevelopment Loan and the Acquisition Bridge Loans.

The Phoenix – The Phoenix is a 101-unit affordable housing development in West Oakland. The project is a joint venture between EBALDC and Allied Housing. The Authority made a conditional award of \$3,112,566 in Rental Assistance Subsidy (RAS) for the Phoenix in December 2022. Construction began in August 2023 and achieved substantial completion of construction in November 2025. The project team is actively engaged in leasing activities.

Coliseum Way – Coliseum Way is the rehabilitation and conversion of a former motel into 36 units of permanent supportive housing for formerly homeless adults. Danco Communities is developing the project. Coliseum Way was selected to receive state and city funding through the Homekey program. The Authority made a conditional award of up to \$4,572,041 in RAS for Coliseum Way in January 2022. Construction was completed in March 2025 and fully leased in May 2025.

Friendship Senior – The Authority is providing a \$2,100,000 loan to Friendship Senior, a 50-unit new construction affordable housing development in West Oakland that will serve extremely low-income senior households, including ten senior households who are currently unhoused. Friendship Senior is a project of the Community Development Corporation of North Richmond. The Authority approved the loan to the project during fiscal year 2023. Construction on Friendship Senior project is expected to be completed in December 2025. The project team is actively engaged in leasing activities.

3050 International – Satellite Affordable Housing Associates (SAHA) and Native American Health Center (NAHC) are jointly developing 3050 International. When completed, 3050 International will include 75 affordable housing units and one manager's unit, as well as a NAHC health clinic and cultural center. The Authority made a \$2,538,000 RAS award to 3050 International in May 2023. The project began construction in 2024 and achieved substantial completion in December 2025. The project team is actively engaged in leasing activities.

2700 International – 2700 International is a 75-unit mixed-use new construction affordable housing project for families and formerly homeless veterans. The ground floor will include 3,800 square feet of below market rate commercial space. The Sponsor is The Unity Council (TUC). The Authority awarded a soft development loan of up to \$3,800,000 to 2700 International in May 2023. TUC secured an allocation of 9% tax credits on September 30, 2025, and construction will begin in early 2026.

Harrison Tower – The Authority is providing a loan of MTW Reserves in the amount of \$17,000,000 as gap funding to finance the substantial rehabilitation of 101 units of affordable senior housing at Harrison Tower as well as \$9,000,000 to undertake the voluntary seismic retrofit of the Authority's headquarters located on the first two floors of Harrison Tower. Harrison Tower was constructed in 1972 as public housing for seniors. OHA secured approval of its Section 18 disposition application in July 2018 for Harrison Tower, as well as Oak Grove North and South (that completed its renovations in 2022). In partnership with the John Stewart Company, the Authority is working to advance predevelopment activities including relocating all residents, in preparation for submitting an application for tax exempt bonds and 4% Low Income Housing Tax Credits in September 2026. If the application is successful and the team is able to secure this financing, the project will begin construction in May, 2027.

Foothill Family Apartments – The Authority is providing a loan of \$15,000,000 to finance the rehab and refinancing of Foothill Family Apartments. Foothill Family Apartments was originally constructed in 2003 and was a mixed-finance development with public housing units and project-based Section 8 voucher units.

On April 8, 2025, the project received an award of 4% Low Income Housing Tax Credits from the California Tax Credit Allocation Committee and Tax-Exempt bonds from the California Debt Limit Allocation Committee. In

fall 2025, HUD approved the conversion of the 21 public housing units to 3 Rental Assistance Demonstration units and 18 Section 18 Disposition units. The project assembled financing and on October 15, 2025, the project closed on construction for the rehabilitation and re-syndication of the project.

Foothill Family Preservation LP (the Foothill Partnership) was created to acquire the improvements. The general partner of the Foothill Partnership, Foothill Family GP LLC, consists of two members: 1) RAMP Housing, Inc. is the 60% majority member and 2) Oakland Housing Initiatives, Inc., is the 40% minority member. Of the \$15 million OHA loan provided to the project, \$6.5 million is committed as a construction source, and the remainder will be a permanent source of funding. OHA also provided a \$900,000 Ground Lease Loan and amended and recast the existing \$4,375,377 HOPE VI loan. Foothill Family Apartments, LP provided a \$10,530,837 Seller Carryback Loan. The four soft loans carry a 55-year term with payments made from residual receipts.

The project will include rehab of interior components such as kitchens, bathroom fixtures, windows, doors, new accessible units, and flooring; exterior components including painting, trim replacement, balcony and deck repairs, and hardscape; and refurbishment of common areas including the office and community rooms, laundry rooms and playground. Construction commenced on October 20, 2025, and is anticipated to be completed in fall 2026.

Lion Creek Crossings Phase I & II – Lion Creek Crossings Phase I and II are the first two phases of the redevelopment of the former Coliseum Gardens public housing site as “mixed-finance” low-income housing developments, including public housing units, units with project-based vouchers, and units without an ongoing operating subsidy. Phase I includes 115 units and was originally completed in 2005. Phase II, with 146 units, was completed in 2007.

During fiscal year 2025, Lion Creek Crossings Phase I and II was undergoing a rehabilitation financed through a Low-Income Housing Tax Credit re-syndication and a RAD/Section 18 conversion of the public housing units in the property. The rehabilitation work was completed in November 2025.

77th & Bancroft – California Affordable Housing Initiatives, Inc. (CAHI), a nonprofit affiliate of the Authority, owns the vacant 0.75-acre parcel on Bancroft Avenue between 76th Avenue and 77th Avenue in East Oakland (77th & Bancroft). In June 2023, CAHI selected Eden Housing and Black Cultural Zone as co-developers for the site. An Exclusive Negotiating Agreement (ENA) was executed with the development team in November 2023. The development team has started due diligence, community outreach, and schematic design, with plans to develop an approximately 90-unit building for low-income seniors.

Schematic design started in summer 2024, and the Lease Disposition and Development Agreement (LDDA) is anticipated to be negotiated and executed by mid-2025. The Authority Board of Commissioners has made a conditional commitment of \$10,000,000 of Authority MTW funds and 54 project-based vouchers to this project. The Eden Housing/Black Cultural Zone team will continue working on predevelopment activities and assembling financing for the project.

Chinatown TOD Senior Housing – Chinatown TOD Senior Housing is a 97-unit new construction affordable housing project consisting of studio, one-, and two-bedroom units serving seniors, including 44 permanent supportive housing for formerly homeless seniors in Oakland’s Chinatown neighborhood at the location of the Lake Merritt BART station. The project developer is the East Bay Asian Local Development Corporation (EBALDC).

The Authority committed to providing \$7,091,100 in Rental Assistance Subsidy to Chinatown TOD Senior Housing in December 2023. Construction on the project began in September 2024, and completion is expected in December 2026.

East 12th Street Affordable Housing – East 12th Street is a 91-unit new construction affordable family development that is a joint venture between EBALDC, Jordan Real Estate Investments, and The Unity Council. The property will serve 67 families whose incomes range between 40% - 60% of the median income and 23 formerly homeless families and transitional-aged foster youth with a full range of supportive services. The property will also include 425 square feet of commercial space for a community-serving retail. The project is in the Eastlake neighborhood, one block away from Lake Merritt. OHA has awarded the project a \$9,850,000 development loan and a Rental Assistance Subsidy of \$3,615,000 over 15 years. The project broke ground in April 2024 and is expected to be complete in April 2026.

401 Santa Clara Avenue - 401 Santa Clara Avenue is a former independent Senior Living community with 103 apartment units and a variety of common areas and outdoor space. The property suffered a fire in 2022 and has been vacant since that time. OHA acquired the property on March 10, 2025. This property is a strategic acquisition of a former market-rate apartment property in the Grand Lake neighborhood, where there are few existing affordable housing opportunities.

OHA plans to rehabilitate the property and place it back into service as affordable housing. OHA will select a development partner to assemble financing and manage the rehab of the property.

3135 San Pablo – 3135 San Pablo in West Oakland is a 73-unit new construction affordable development for seniors including 16-units for formerly unhoused seniors and 20-units for seniors who are at-risk of being unhoused with a serious mental illness. The project developer is a joint venture between Satellite Affordable Housing Associates (SAHA) and the St. Mary's Center. St. Mary's Center will provide robust resident support services including 1.5 FTE case management, mental health and substance abuse support, job development, health and wellness, and community building services. OHA awarded the project with a \$10,000,000 development loan in April 2025.

Liberation Park – Liberation Park is located at 6955 Foothill Boulevard in the Eastmont neighborhood of East Oakland. Eden Housing and Black Cultural Zone are jointly proposing a 119-unit new construction affordable development for families that includes 30-units set aside for formerly unhoused households. The master project also includes a 3-story market hall and cultural center to be located adjacent to the residential project that is being pursued separately by Black Cultural Zone. The Authority awarded the project with a \$1,996,117 Rental Assistance Subsidy in April 2025. The project is expected to receive a tax-exempt bond and 4% Low Income Housing Tax Credit allocation on December 10, 2025. If that occurs, the project will close upon all construction financing and start construction in May or June 2026.

Mandela Homes – Mandela Homes, located at 3650 Mandela Parkway in West Oakland, will adapt and rehabilitate the former Extended Stay America hotel to create 126-units of permanent supportive housing for formerly unhoused individuals and couples. The property is located adjacent to the East Bay Bridge shopping center, which includes a large Target and Pak n' Save grocery store. The property is currently serving as a temporary homeless shelter while undergoing rehab in phases. It is expected to transition to permanent housing in Summer 2026. The Authority awarded the project with a \$2,909,638 Rental Assistance Subsidy.

Financial Information

The Authority's management is responsible for establishing and maintaining internal controls designed to ensure that the Authority's assets are protected from loss, theft or misuse and that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with GAAP. The Authority has designed its internal controls to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that the costs of a control should not exceed the benefits likely to be derived, and that the valuation of the costs and benefits requires estimates and judgment by management.

Single Audit

As a recipient of federal awards, the Authority is responsible for ensuring that adequate internal controls are in place to ensure compliance with applicable laws, regulations, contracts, and grants related to these programs. These internal controls are subject to periodic evaluation by management and the independent auditors.

As part of the Authority's single audit, tests are made to determine the adequacy of the internal controls, including that portion related to federal award programs, as well as to ensure that the Authority has complied with applicable laws, regulations, contracts, and grants. Reports were prepared for this purpose and are included in this ACFR in the federal compliance section.

Debt Administration

We are pleased to announce that on June 30, 2025, the Authority's primary government had no outstanding debt.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awards a Certificate of Achievement for Excellence in Financial Reporting to Oakland Housing Authority for its annual comprehensive financial report for the fiscal year ended June 30, 2024. This was the 12th consecutive year that the government has achieved this prestigious award. To be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirement and we are submitting it to GFOA to determine its eligibility for another certificate

Acknowledgements

Preparation of the Annual Comprehensive Financial Report on a timely basis was accomplished through the dedicated service of the entire staff of the Finance Department. Each member of the Finance Department has our sincere appreciation for the contributions made in the preparation of its report.

In closing, without the leadership and support of the members of the Board of Commissioners, preparation of this report would not have been possible.

Respectfully submitted,

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities (primary government) and the aggregate discretely presented component units of the Housing Authority of the City of Oakland, California (Authority), as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate discretely presented component units of the Authority, as of June 30, 2024, and the respective changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the aggregate discretely presented component units of the Authority which represent 100% of the assets, net position and revenues of the aggregate discretely presented component units as of and for the year ended June 30, 2025. Those statements were audited by other auditors whose reports have been furnished to us, and our opinions, insofar as it relates to the amounts included for the aggregate discretely presented component units, are based solely on the reports of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions. The financial statements of Chestnut Linden Associates, Foothill Family Apartments, L.P., Lion Creek Senior Housing Partners, L.P., AveVista Associates, L.P., and Oak Groves Senior Housing, L.P. discretely presented component units, were not audited in accordance with *Government Auditing Standards*.

Emphasis of Matter

We draw attention to Notes 2 and 3 to the basic financial statements. As discussed in Note 2, effective July 1, 2024, the Authority adopted the provisions of Governmental Accounting Standards Board Statement No. 101, *Compensated Absences*. As discussed in Note 3, beginning net position for the Authority's Discretely Presented Component Units was restated as a result of a change in entity. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

The Authority's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of changes in the net pension liability/(asset) and related ratios – miscellaneous plan, the schedule of proportionate share of the net pension liability/(asset) and related ratios – safety plan, the schedule of pension contributions, the schedule of changes in the net other postemployment benefit (OPEB) liability/(asset) and related ratios, and the schedule of OPEB contributions, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The combining program financial schedules; the schedule of annual contribution contracts for the capital fund program (CFP); and the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining financial schedules; the schedule of annual contribution contracts for the capital fund program (CFP); and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

The Authority's management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 29, 2025, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Management's Discussion and Analysis (Unaudited)
For the Year Ended June 30, 2025

This section of the Housing Authority of the City of Oakland's (Authority) financial report presents management's discussion and analysis of the Authority's financial performance during the year ended June 30, 2025. Please read it in conjunction with the Authority's basic financial statements and related notes, which follow this section.

As required under accounting principles generally accepted in the United States of America (GAAP), the Authority uses the accrual basis of accounting to prepare its basic financial statements. Under this basis of accounting, revenues are recognized in the period in which they are earned, and expenses, including depreciation, are recognized in the period in which they are incurred. All assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with the operations of the Authority are included in the statement of net position. Net position comprises the various net earnings from operating income, nonoperating revenues and expenses, and capital contributions.

Financial Highlights

- The Authority's net position increased by \$72.3 million, from \$833.4 million to \$905.7 million, during the fiscal year. This increase was primarily driven by a \$124.4 million increase in revenues from operating and nonoperating activities, including the Housing Choice Voucher (HCV) and Moving to Work (MTW) programs, development activities, other operating grants, and miscellaneous revenues. These amounts were partially offset by an increase of \$62.4 million in Housing assistance payments (HAP) and a reduction of \$7.2 million in other postemployment benefits (OPEB) actuarial expenses based on the June 30, 2024 actuarial valuation.
- Total assets increased by \$112.2 million, primarily due to a \$59.0 million increase in restricted cash related to HCV and MTW program operations and a \$24.2 million increase in unrestricted cash. Additional increases included \$3.0 million in long-term notes receivable, a \$10.3 million increase in the net OPEB asset, and a \$15.0 million increase in capital assets.
- The decrease of \$5.0 million in total deferred inflows of resources is due to changes in pension and OPEB related balances.
- Total liabilities increased by \$20.9 million. Contributing to this increase include a \$28.5 million increase in unearned revenue for HCV and MTW program operations, \$4.2 million increase in the Authority's compensated absences liability, and a \$1.6 million increase in amounts due to HUD, offset by a \$12.8 million decrease of net pension liabilities.
- The decrease of \$24.1 million in total deferred outflows of resources is due to changes in pension and OPEB related balances.
- Total operating revenues increased by \$120.9 million from \$1,248.9 million to \$1,369.8 million. The increase is due to \$112.0 million subsidy revenue from the Department of Housing and Urban Development (HUD), \$0.6 million increase in operating grants, \$3.4 million increase in miscellaneous and other revenue, and \$4.9 million increase in rental income.
- Total operating expenses increased by \$79.9 million, primarily driven by a \$62.4 million increase in housing assistance payments. Additional contributors included higher administrative costs of \$2.6 million and an increase of \$13.9 million in maintenance and operating expenses for Authority-owned properties.

Overview of the Financial Statements

The financial section of this report consists of the independent auditor's report, management's discussion and analysis, the basic financial statements and supplementary information. The basic financial statements include the following:

The *Statement of Net Position* reports on the Authority's short and long-term assets, deferred outflows of resources, liabilities and deferred inflows of resources, with the difference reported as net position. Amounts are reported in order of relative liquidity and are shown in the statement as current (to be received or used within one year) or noncurrent.

The *Statement of Revenues, Expenses and Changes in Net Position* provides information about the Authority's overall financial position and results.

The *Statement of Cash Flows* reports how the Authority obtained and used its cash during the fiscal year. Activities are reported by its operating, noncapital financing, capital and related financing, and investment activities. This statement was prepared using the direct method and includes a reconciliation of operating activities to operating income.

Notes to Basic Financial Statements provides additional disclosures and are considered an integral part of the basic financial statements. These disclosures supplement the statements and are essential to a comprehensive understanding of the financial activities of the Authority.

The remainder of the overview section of management's discussion and analysis explains the structure and contents of each of these statements. The basic financial statements include both blended and discretely presented component units. Complete financial statements of individual component units can be obtained from the Authority's Finance Department.

In addition to the basic financial statements, this report provides supplementary information. Supplementary information includes schedules related to the Authority's pension plans, and other postemployment benefits plan as well as Combining Schedules for its Federal, Other Housing and General Programs.

Financial Analysis of the Authority

Net Position The Authority's net position increased by \$72.3 million during the current fiscal year represents an increase of 9% of net position. A summary of the statement of net position as of June 30, 2025 and 2024 is shown in the following table (dollars in millions):

	June 30		Increase/(Decrease)	
	2025	2024	Amount	%
Assets:				
Current and other assets	\$ 842.2	\$ 744.1	\$ 98.1	13%
Capital assets	181.0	166.9	14.1	8%
Total assets	1,023.2	911.0	112.2	12%
Deferred outflows of resources	21.5	45.6	(24.1)	-53%
Liabilities:				
Current liabilities	117.8	89.5	28.3	32%
Noncurrent liabilities	8.1	15.5	(7.4)	-48%
Total liabilities	125.9	105.0	20.9	20%
Deferred inflows of resources	13.2	18.2	(5.0)	-27%
Net position:				
Net investment in capital assets	179.2	166.9	12.3	7%
Restricted	250.3	208.2	42.1	20%
Unrestricted	476.2	458.3	17.9	4%
Total net position	\$ 905.7	\$ 833.4	\$ 72.3	9%

The net increase in the Authority's current and other assets was 13% or \$98.1 million from the prior year. Significant balances with fluctuations compared to the prior year include:

- Unrestricted cash – Increased by \$24.2 million driven by increases in HUD reimbursements for maintenance and site improvements, development activities, and administrative expense during the year.
- Other receivables – Decreased by \$5.2 million. Major factors contributing to the change includes the receipt of \$3.2 million developer fee receivable and a \$1.1 million expense reimbursement of construction costs related to the Oak Groves Senior Housing LP.
- Restricted cash – Increased by \$59.0 million. Factors contributing to the increase include \$8.1 million additional funding for the Local Housing Support Program provided by the County of Alameda*, \$25.8 million received from HUD for Rental Assistance Subsidy Program funds administered by the California Affordable Housing Initiatives*, and \$25.0 million received from HUD for the Oakland Affordable Housing Initiatives portfolio rehabilitation projects.

* Blended component units of the Authority

**HOUSING AUTHORITY OF THE
CITY OF OAKLAND, CALIFORNIA**
Management's Discussion and Analysis (Unaudited) (Continued)
For the Year Ended June 30, 2025

- Interest receivable – Increased by \$1.4 million, driven by accrued interest on outstanding notes receivable.
- Notes receivable – Increased by \$3.1 million due to additional development loans of \$1.1 million to East 12th Street Housing LP, \$1.9 million to Oakland Housing Initiatives, and \$0.8 million to 285 12th Street LP, offset by a \$0.7 million repayment received from the Coliseum Gardens project loan.
- Net Pension Asset – As of June 30, 2025, the Authority reported a net pension asset of \$4.5 million, measured based on the most recent actuarial valuation as of June 30, 2024. This net pension asset resulted primarily from favorable differences between expected and actual investment earnings.
- Net OPEB Asset – The Authority's net OPEB asset increased \$10.3 million based upon the most recent actuarial valuation for the measurement date of June 30, 2024. The increase is a result of favorable results from investment earnings.

The net increase in the Authority's capital assets was 8% or \$14.1 million from the prior year, was driven mainly by the net increases of \$15.1 million in construction in process, \$6.3 million in site improvements projects, \$0.9 million in telecommunication, computer equipment and vehicles, and \$2.5 million in right-of-use of SBITA assets, offset by \$10.7 million accumulated depreciation and amortization.

The net increase in the Authority's total liabilities was \$20.9 million compared to the prior year was mainly due to:

- The Authority reported a \$28.5 million increase in unearned revenue due to additional funding received from HUD for the upcoming committed and obligated expenditures.
- The Authority also reported a \$4.9 million increase in compensated absences liabilities mainly due to the implementation of GASB Statement No. 101, *Compensated Absences*.
- The Authority reported a decrease in the net pension liability of \$12.8 million based on the actuarial valuation as of the measurement date of June 30, 2024.

The significant changes in net position were due to factors as summarized below:

- Net investment in capital assets increased by \$12.3 million representing a net of additions of capital assets offset by depreciation/amortization expense.
- Restricted net position for housing programs increased by \$42.1 million primarily due to committed and obligated funds for \$25.0 million of the OAHPI housing rehabilitation projects and for \$25.8 million of the Rental Assistance Program. In addition, restricted net position for the OPEB and Pension assets increased by \$14.8 million. This was offset by the utilization of approximately \$21.2 million of deferred HAP funds from the prior year.
- Unrestricted net position increased by \$17.9 million primarily due to a net increase of net operational revenue during the year offset by the \$3.9 million restatement due to the implementation of GASB Statement No. 101, *Compensated Absences* during the year.

Revenues: Total revenues increased by \$121.0 million with the following explanation:

- An increase of \$112.0 million in HAP revenue which included \$55.4 million increase in HAP and administrative fee revenue primarily due to increase in fair market rents, rent adjustments, and the number of the HUD contracts administered by CAHI, \$21.2 million revenue recognition from prior year's unearned HAP, \$27.6 million HAP from HUD cash reconciliation \$0.9 million from increase in administrative fee revenue, and \$6.9 million increase in HUD capital fund grant for public housing.

CITY OF OAKLAND, CALIFORNIA**
Management's Discussion and Analysis (Unaudited) (Continued)
For the Year Ended June 30, 2025

Expenses: Total expenses increased by \$79.9 million with the following explanations:

- Housing Assistance Payments – Increased by \$62.4 million primarily due to increased payments paid under the California Affordable Housing Initiatives (CAHI) contract and increases in the payment standards the Authority paid to address the rising rent crisis in the City of Oakland.
- Other Operating Expenses increased by \$16.7 million due to increased costs associated with employee benefits, primarily pension and health care benefits, and an increase in management fees.

Capital Asset Activity

During the year ended June 30, 2025, the Authority continued to expend funds for buildings and improvements and construction in progress in the amount of \$20.8 million; the majority of that was used to address deferred maintenance in the buildings held by OAHPI. Additional information on the Authority's capital assets can be found in Note 7-Capital Assets.

The following summarizes the Authority's capital assets, net of accumulated depreciation and the changes for the years ended June 30, 2025 and 2024:

	June 30		Increase/(Decrease)	
	2025	2024	Amount	%
Land	\$ 80.0	\$ 80.0	\$ -	0%
Construction in process	35.6	20.5	15.1	74%

Total capital assets, net	<u>\$ 181.0</u>	<u>\$ 166.9</u>	<u>\$ 14.1</u>	<u>8%</u>

Long-Term Debt Activity

Long-term liabilities increased during the year primarily due to the addition of \$1.8 million in subscription-based information technology arrangements (SBITAs) resulting from new contracts entered into during the fiscal year, and a \$4.9 million increase in the compensated absences liability, primarily attributable to the implementation of GASB Statement No. 101, *Compensated Absences*.

Economic Condition and Outlook

While the Authority recently began pursuing non-HUD opportunities and diversifying its sources of revenue, by and large the agency continues to rely on Congressional appropriations and HUD funding for 99.5% of its annual operating budget. Revenues provided by HUD come in multiple forms, such as operating subsidies, contracts, and grants, and all depend on Congress to pass legislation to fund the government through appropriations bills. The Authority has remained conservative in its budgeting and

CITY OF OAKLAND, CALIFORNIA**

For the Year Ended June 30, 2025

anticipates funding at the budgeted level for FY 2025, although capital expenditures for major renovations and development continue as planned.

The United States federal budget for fiscal year 2025 runs from October 1, 2024, to September 30, 2025 the federal government operated under a full year continuing resolution passed in March 2025, which extended the 2024 budget for the whole 2025 fiscal year, with limited changes. In FY25, Congress passed, and the President signed budget bill into law on March 15, 2025.

Additionally, HUD Fair Market Rents (FMR) published for FY 2025 increased for all unit sizes by an average of approximately \$98 in the Oakland-Fremont market, which demonstrates the robust market for and increasing cost of housing, even during challenging economic ties for retail and commercial real estate in the City. Additionally, HUD Fair Market Rents (FMR) published for FY 2025 increased for all unit sizes by an average of approximately \$97 in the Oakland-Fremont market, which demonstrates the robust market for and increasing cost of housing, even during challenging economic ties for retail and commercial real estate in the city.

Notes to Basic Financial Statements
For the Year Ended June 30, 2025

NOTE 1 – THE FINANCIAL REPORTING ENTITY

(a) Organization and Program Descriptions

The Housing Authority of the City of Oakland (Authority) was founded by City of Oakland ordinance, under the Health and Safety Code of the State of California in 1938. The Authority was established to receive federal funds to provide housing for low-income residents of the City of Oakland, California. The United States Department of Housing and Urban Development (HUD) has direct responsibility for administering the Low Rent Housing Program under the United States Housing Act of 1937, as amended. HUD is authorized to enter into contracts with local public housing authorities in financing the acquisition, construction and/or leasing of housing units and to make annual contributions (subsidies) to local housing authorities for the purpose of maintaining low-rent character of the local housing program. Under an administrative form of contract, HUD has conveyed certain federally built housing units to the Authority for low rent operations.

The Authority was selected to participate in HUD's Moving to Work (MTW) Demonstration Program effective on March 31, 2004. The program allows the Authority an exemption from a multitude of HUD regulations and reporting requirements and significant flexibility to combine its HUD funding for reallocation among the Authority's administrative, capital and development activities.

The Authority has elected to report a single enterprise proprietary fund and its primary operations comprise a number of housing and grant programs as follows:

- **Low Rent Housing Program** – operates the Authority's own rental housing units subsidized by HUD through an Annual Contributions Contract (ACC). This program has 1,355 units owned as of June 30, 2025, and is operated by the Authority under HUD contract SF-235. Funding is provided by tenant rent payments and intra-program transfers from the MTW Demonstration program representing subsidies provided by HUD based upon a formula that takes into consideration factors such as: prior formula funding, population of the area, number of dwelling units, bedroom sizes, building height and building age, utility costs, and rental income.
- **Section 8 Programs** – consists of several Section 8 housing programs including the Section 8 New Construction and Substantial Rehabilitation program, the Section 8 Moderate Rehabilitation program, the Section 8 Housing Choice Vouchers program, the Moving to Work Demonstration program and the Mainstream Voucher program.
 - The *New Construction and Substantial Rehabilitation* program purpose is to construct or purchase and rehabilitate rental housing units to provide decent and affordable housing to low-income, elderly and handicapped individuals whereby rental assistance is provided by HUD. Funding of the program is provided primarily by federal housing assistance contributions.
 - The *Moderate Rehabilitation* program operates under HUD's ACC S-0068K and consists of the operations of 94 privately owned family housing units. The purpose of the program is to rehabilitate substandard rental housing units and to provide decent and affordable housing to low-income families whereby rental assistance is provided by HUD. The associated developments are maintained and managed by private landlords. Funding of the program is provided by federal housing assistance contributions.

(a) Organization and Program Descriptions (Continued)

- The *Housing Choice Vouchers* program provides rental housing assistance subsidies in support of 14,490 housing units. The purpose of the program is to provide decent and affordable housing to low-income families and elderly and handicapped persons wherein rental assistance is provided by HUD. The associated units are maintained and managed by private landlords.
- The *Moving to Work Demonstration* program provides incentives to families to become economically self-sufficient, to reduce the Authority's costs and achieve greater cost effectiveness, and to increase housing choice for low-income families.
- The *Mainstream Voucher* program provides rental housing assistance subsidies in support of 262 housing units. The purpose of the program is to provide decent and affordable housing to low-income families and elderly and handicapped persons wherein rental assistance is provided by HUD. The associated units are maintained and managed by private landlords.
- **Hope VI Program** - accounts for the funds from HUD's Hope VI Urban Revitalization Grant used to redevelop the Authority's housing facilities. These facilities include Chestnut Court, Linden Court, Mandela Gateway, Lion Creek Crossings, and Foothill.
- **Other Federal Programs** - other federal programs that the Authority administers include Family Self Sufficiency and Shelter Plus Care.
- **Other Housing Programs** – consists of other low-income housing programs funded from local and other non-federal sources.

(b) Reporting Entity

The Authority is governed by a seven-member Board of Commissioners appointed by the mayor of the City of Oakland (City), with the approval of the Oakland City Council. Two members are residents of the Authority. However, the Authority is not a component unit of the City because the City cannot impose its will on the Authority by significantly influencing the Authority's programs, projects, activities, or level of services provided.

As required by accounting principles generally accepted in the United States of America (GAAP), these financial statements present the Authority (Primary Government) and its component units, entities for which the Authority is considered to be financially accountable. Blended component units, although legally separate entities are, in substance, part of the Authority's operations. Therefore, data from these component units are combined with data of the primary government. Discretely presented component units are reported in a separate column in the government-wide financial statements.

NOTE 1 – THE FINANCIAL REPORTING ENTITY (Continued)

(b) Reporting Entity (Continued)

Management applied the criteria promulgated by the Governmental Accounting Standards Board (GASB) to determine whether the component units should be reported as blended or discretely presented component units. The criteria included whether the Authority appoints the voting majority of the governing board, there is a financial benefit/burden relationship, whether the Authority is able to impose its will, fiscal dependency on the Authority, the component unit's governing body being substantially the same as the Authority, and whether management of the Authority have operational responsibility for the activities of the component unit. These criteria were used to determine the following:

Blended Component Units

- **California Affordable Housing Initiatives, Inc.** – The California Affordable Housing Initiatives, Inc. (CAHI) was created as a non-profit public benefit organization of the Authority and incorporated in 2001. CAHI is under contract with HUD to administer the Project-Based Voucher Program for Northern California. CAHI's policies are determined by a three-member Board of Directors, which comprise the Chair and Vice Chair of the Authority's Board of Commissioners (Board) and the Authority's Executive Director. Management of the Authority has operational responsibility for CAHI. Therefore, CAHI's financial statements are blended into the Authority's financial statements as part of Other Housing Programs.
- **Oakland Affordable Housing Preservation Initiatives** – The Oakland Affordable Housing Preservation Initiatives (OAHPI), a non-profit public benefit corporation affiliated with the Authority, was established in February 2009 for the purpose of managing and controlling 329 buildings acquired from the Authority in April 2010. OAHPI acquired these buildings from the Authority through a negotiated sale at less than fair value in the form of a 30-year lease at a nominal price of \$1 per year. OAHPI's policies are determined by a three-member Board of Directors, which comprise the Authority's Executive Director and two members of the Authority's Board of Commissioners. The Authority provides operational revenue in the form of Housing Assistance Payments on a yearly basis. Furthermore, management of the Authority has operational responsibility for OAHPI. Therefore, OAHPI's financial statements are blended into the Authority's financial statements as part of Other Housing Programs.

Discrete Component Units

The following discrete component units' fiscal year ended on December 31, 2024, and their financial activities are reported as of that date.

- **Chestnut Linden Associates** – Chestnut Linden Associates (CLA), a real estate development limited partnership, was formed in 2001 to develop and operate a 151-unit multi-family rental housing apartment complex in the City of Oakland, California, operating as Chestnut Court Apartments and Linden Court Apartments. Construction of Chestnut Court and Linden Court was completed in April and June 2003, respectively. CLA leases the land on which the apartment complex is situated from the Authority. CLA has obtained HUD loans and other loans through the Authority and receives annual rental subsidies for occupied units covered under agreements with HUD and the Authority through 2058.

The Authority has significant influence over CLA given its significant financial relationships and ownership interests. The limited partner of CLA is OHA Development, LLC, a California public benefit nonprofit corporation, which is controlled by the Authority (the Authority is the sole member and manager of OHA Development, LLC). In addition, the Authority participates in OHA Chestnut Mandela, LLC, a Special Limited Partner, appointing two of the five members of its board.

- **Mandela Gateway Associates** – Mandela Gateway Associates (MGA) was recognized by the State of California as a limited partnership as of September 26, 2002. MGA's purpose is to invest in real estate and to construct, operate and lease the property known as Mandela Gateway. The property consists of a 168-unit rental apartment complex in the City of Oakland, California. Mandela Gateway was placed in service in 2004 and fully leased in 2005. MGA leases the land on which the apartment complex is situated from the Authority. MGA has obtained HUD loans and other loans through the Authority, and receives it annual rental subsidies for occupied units covered under agreements with HUD and the Authority through 2078.

The Authority has significant influence over MGA given its significant financial relationships and ownership interests. The Investor Limited Partner and Special Limited Partner of CLA is OHA Development, LLC, a California public benefit nonprofit corporation, which is controlled by the Authority. In addition, the Authority participates in OHA Chestnut Mandela, LLC, a Class B Special Limited Partner.

- **Creekside Housing Partners, L.P.** – Creekside Housing Partners, L.P. (CHP), a real estate development limited partnership, was formed in 2005 to develop and operate a 106-unit rental apartment complex in the City of Oakland, California known as Lion Creek Crossings – Phase III. Lion Creek Crossings – Phase III was completed in 2008. CHP leases the land on which the apartment complex is situated from the Authority. CHP and has obtained HUD loans and other loans through the Authority, and it receives annual rental subsidies for occupied units covered under agreements with HUD and the Authority. The agreements extend through the minimum period during which the project units are required by the applicable public housing requirements to be operated as public housing in accordance with the U.S. Housing Act of 1937, or the expiration of 40 years from the date of full availability.

The Authority has significant influence over CHP given its significant financial and ownership relationships. The managing general partner of CHP is Lion Creek III, LLC. Related/Oakland Coliseum III Development Co., LLC, is the administrative general partner. OHA Development, LLC, a limited liability company whose sole member and manager is the Authority, is the Limited Partner. OHA Coliseum, LLC, a limited liability company whose sole member and manager is the Authority, is the Class B Special Limited Partner.

- **Foothill Family Apartments, L.P.** – Foothill Family Apartments, L.P. (FFA), a real estate development limited partnership, was formed in 1999 to invest in real estate and to construct, operate, and lease property consisting of a 65-unit rental apartment complex in the City of Oakland, California known as Foothill Family Apartments. Construction of Foothill Family Apartments was completed in 2002. FFA leases the on which the apartment complex is situated land from the Authority. FFA has obtained HUD loans and other loans through the Authority, and it receives annual rental subsidies for occupied units covered under agreements with HUD and the Authority. The agreements extend through the minimum period during which the project units are required by the applicable public housing requirements to be operated as public housing in accordance with the U.S. Housing Act of 1937, or the expiration of 40 years from December 31, 2002.

The Authority has significant influence over FFA given its significant financial relationships and its partial ownership of the partnership. Oakland Housing Initiatives, Inc. (OHI), is the general partner. OHI is a California nonprofit public benefit corporation with 11 directors, which includes the Authority's Executive Director and the Chair of the Board of Commissioners. The Authority is the limited partner.

- **Tassafaronga Partners, L.P.** – Tassafaronga Partners, L.P. (TP), a California limited partnership, was formed in 2008 to develop Tassafaronga – Phase I (TP Phase I). The entire project (Tassafaronga Village) consists of the demolition of 16 buildings containing 87 units of severely distressed public housing and the construction of 77 affordable rental town homes, 60 affordable rental apartments, and 20 affordable rental units in a renovated former pasta factory located on four parcels of land in the City of Oakland. TP Phase I consists of 137 tax credit rental units and ancillary improvements located on the land. TP owns, operates and manages the project. The project began operations in April 2010. The general partner of TP is Tassafaronga Housing Corporation, a California public benefit nonprofit corporation (THC), which is controlled by the Authority (the Authority staff and Board constitute the board of directors of THC) and the limited partner is NEF Assignment Corporation, an Illinois not-for-profit corporation, which owns 99.99%.

The Authority has significant influence over TP given its significant financial relationships. The Authority is the owner of the land, the ground lessor of the project, guarantor and issued \$31,305,000 in Bonds that were purchased by Citicorp and loaned to TP.

- **Tassafaronga Partners II, L.P.** – Tassafaronga Partners II, L.P. (TP II), a California limited partnership, was formed in 2008 to develop Phase II of Tassafaronga Village. The project consists of approximately 20 multi-family rental units and ancillary improvements located on the land. TP II owns, operates and manages the project. The project began operations in May 2010. The general partner of TP II is also THC and the limited partner is also NEF Assignment Corporation.

The Authority has significant influence over Oak Groves Senior Housing, L.P. given its significant financial relationships. The Authority is a lender, owns the property, and is the ground lessor of the property.

The complete financial statements of individual component units can be obtained from the Director of Finance of the Authority at 1619 Harrison Street, Oakland, California, 94612. LCCIHP's reporting year end is December 31 and 2024 is its first year of operations, thus financial statements are not available.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Authority are reported using the economic resources measurement focus and the accrual basis of accounting, whereby all revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. The primary government is reported separately from certain legally separate component units for which the primary government is financially accountable. All assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operation of the Authority are included in the statement of net position.

The Authority distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses are derived from providing services in connection with the Authority's ongoing operations. Operating revenues generally include rental income and housing assistance payments and fees from the Section 8 programs. Operating revenues also include other operating grants. Operating expenses generally include housing assistance payments, administrative expenses, tenant services, utilities, maintenance and operations, general expenses, and depreciation/amortization on capital assets. All other revenues and expenses not meeting the definition of operating revenues and expenses are reported as nonoperating revenues and expenses or as capital contributions.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

(b) Cash and Cash Equivalents

The Authority and its component units consider all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

(c) Investments

Investment transactions are recorded on the trade date and reported at fair value. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurements are categorized within the fair value hierarchy established by GAAP.

The table below identifies the investment types that are authorized for the Authority by HUD, the California Government Code or the Authority's investment policy, where more restrictive:

	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
U.S. treasury obligations	10 years	None	None
U.S. government agency securities	10 years	None	10%
Certificates of deposit	10 years	None	10%
Money market mutual funds	n/a	None	n/a

The Authority did not hold any investments at June 30, 2025.

(d) Allowance for Bad Debts

Management reviews the collectability of receivables on a periodic basis. The Authority established an allowance of \$14,453,869 for accounts receivable as of June 30, 2025.

(e) Capital Assets

The Authority defines capital assets as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. The Authority records land, building and improvements, equipment, and vehicles on a historical cost basis, which includes land acquisition costs and site improvements, dwelling and non-dwelling structures and nonexpendable equipment. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are valued at their acquisition value on the date of the receipt. Costs of repairs and maintenance are expensed as incurred. Depreciation has been provided over the estimated useful lives of the related assets using the straight-line method.

The estimated useful lives are as follows:

	Primary Government	Discrete Component Units							
		CLA	MGA	CHP	FFA	TP and TPII	LCSHP and VSHP	AveVista	OGSH LP
Dwelling and non-dwelling structures:									
Building	27.5 years	40 years	7-40 years	15-40 yrs	40 years	27.5 years	15-40 yrs	15-40 yrs	27.5 years

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Subscription-Based Information Technology Arrangements (SBITA)

The Authority has several noncancelable subscription assets for the right-to-use information technology (refer to Note 9).

Short-term subscription assets: For arrangements that have a maximum possible term of 12 months or less at commencement, the Authority recognizes an expense, based on the provisions of the subscription assets contract.

Long-term subscription assets: For arrangements that have a maximum possible term of more than 12 months at commencement, and an individual value of \$250,000 or more, the Authority recognizes a subscription liability and subscription assets. For subscription assets that have a maximum possible term of more than 12 months at commencement and an individual value of less than \$250,000, the Authority recognizes an expense.

Measurement of subscription assets: At subscription commencement, the Authority initially measures the subscription assets at the present value of payments expected to be made during the subscription term. Subsequently, the subscription liability is reduced by the principal portion of subscription payments made. The subscription asset is initially measured as the initial amount of the subscription liability, less subscription payments made at or before the subscription commencement date, less any vendor incentives received at or before the subscription commencement date, plus the capitalizable implementation costs. The subscription-based IT arrangement asset is amortized on a straight-line basis over the shorter of the subscription term or the useful life of the underlying asset.

Discount rate: As the interest rate for the Authority is not readily determinable, the Authority uses the State of California's incremental borrowing rate of 2.4% to measure the present value of subscription assets.

Subscription asset term: This includes the noncancelable period of the subscription asset plus any additional periods covered by an option to extend that is reasonably certain to be exercised. Periods in which both the Authority and the vendor have a unilateral option to terminate, are excluded from the subscription term.

Subscription asset payments: The Authority evaluates payments to determine if they should be included in the measurement of the subscription liabilities, including those payments that require a determination of whether they are reasonably certain of being made. The Authority monitors subscription assets for possible changes that may require remeasurement if they could materially affect the amount of the liability and the related asset to be recognized.

(g) Other Noncurrent Assets

The Authority reports its share of the Bay Area Housing Risk Management Agency's net position as other noncurrent assets (refer to Note 10). Other noncurrent assets also include costs incurred by the discrete component units in order to obtain permanent financing, tax credits, ground lease, and asset management services for the housing projects. These amounts are stated at cost and amortized on a straight-line method over the following years:

Tax credit costs	10 - 15 years
Permanent loan costs	55 years
Ground lease acquisition costs	75 - 89 years
Asset management fees	15 years

(h) Compensated Absences

Employees of the Authority earn vacation, sick, compensatory, and other types of leave in varying amounts depending primarily on job classification, length of service and other factors. Employees earn vacation at rates ranging from 10 days per year for the first 3 years of service up to a maximum of 25 days per year after 15 years of service. Vacation may be accrued to a maximum of 375 hours for employees on a 37.5-hour work week or 400 hours for employees on a 40 hour work week. Sick leave is accrued at a rate of one day per month up to a maximum of 1,200 hours. The Authority records a liability for compensated absences that are more likely than not to be either used or paid to employees, based on historical usage and payout patterns. Liabilities are measured at current pay rates and include salary-related payments associated with such leave. The Authority has determined that a portion of this liability is noncurrent based on historical trends.

(i) Net Position

Net position comprises the various net earnings from operating income, nonoperating revenues and expenses and capital contributions. Net position is classified in the following three components:

Net investment in capital assets - This component of net position consists of capital assets, net of accumulated depreciation and amortization and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings, and SBITA liabilities that are attributable to the acquisition, construction or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds are not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds

Restricted - This component of net position consists of constraints on assets imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation, reduced by liabilities related to those restricted assets.

Unrestricted - This component of net position consists of amounts that do not meet the definition of "restricted" or "net investment in capital assets."

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Pensions

For purposes of measuring the net pension liability, deferred outflows of resources, and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Authority's Pension Plans (Plans) and additions to/deductions from the Plans' fiduciary net positions have been determined on the same basis as they are reported by the California Public Employees' Retirement System (CalPERS). For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. The Plans' investments are reported at fair value.

(k) Other Postemployment Benefits (OPEB)

For purposes of measuring the net OPEB asset, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Authority's plan (OPEB Plan) and additions to/deductions from the OPEB Plan's fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value.

(l) Use of Estimates

Management of the Authority has made certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(m) Effects of New Governmental Accounting Standards

The requirements of the following accounting standards are effective for purposes of implementation, if applicable to the Authority, for the year ended June 30, 2025.

- GASB Statement No. 101, *Compensated Absences*, establishes recognition and measurement criteria for all types of compensated absences, including vacation, sick, personal, and other leave categories. Prior to implementation, the Authority recognized liabilities for accrued vacation. Upon adoption, the Authority recorded additional liabilities for leave types not previously recognized, primarily related to sick leave, compensatory time, and salary related payments. In addition, compensated absences based on sick leave was updated to reflect historical usage patterns.

The Authority restated its beginning net position as of July 1, 2024. The restatement decreased the beginning net position from \$833.4 million to \$829.6 million to reflect the impact of the increase in the accrued compensated absences liability. This adjustment conforms with the recognition and measurement criteria under GASB Statement No. 101. The cumulative effect of the restatement is summarized below.

Net Position, Beginning Of Year		
GASB 101		
As Previously Reported	Implemenation Impact	As Restated
\$ 833,442,556	\$ (3,848,940)	\$ 829,593,616

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Effects of New Governmental Accounting Standards (Continued)

In December 2023, GASB issued Statement No. 102, *Certain Risk Disclosures*, effective for fiscal years beginning after June 15, 2024. The objective of this statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. This statement had no material impact on the Authority's financial statements for the year ended June 30, 2025.

(n) Upcoming Governmental Accounting Standards

The Authority is currently evaluating its accounting practices to determine the potential impact on its financial statements from the following GASB Statements:

- In April 2024, GASB issued Statement No. 103, *Financial Reporting Model Improvements*, effective for fiscal years beginning after June 15, 2025. The objective of this statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The Authority has not determined the effect, if any, of this Statement on its financial statements.
- In October 2024, GASB issued Statement No. 104, *Disclosure of Certain Capital Assets*, effective for fiscal years beginning after June 15, 2025. The objective of this statement is to provide users of government financial statements with essential information about certain types of capital assets. The Authority has not determined the effect, if any, of this Statement on its financial statements.
- In December 2025, GASB issued Statement No. 105, *Subsequent Events*, effective for fiscal years beginning after June 15, 2026. The objective of this statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statement users. The Authority has not determined the effect, if any, of this Statement on its financial statements.

NOTE 3 – CHANGE IN REPORTING ENTITY

During fiscal year 2025, the Authority evaluated its reporting entity in accordance with GASB Statement No. 14, *The Financial Reporting Entity*, as amended. Based on this evaluation, the Authority determined that Oakland Coliseum Housing Partners, L.P. and Lion Way Housing Partners, L.P. (the "Old Partnerships"), previously reported as discretely presented component units in the financial statements, no longer met the criteria for inclusion.

During the year, the Old Partnerships transferred the improvements of the Lion Creek Crossing Phase I and Phase II projects to newly formed partnerships as part of a Rental Assistance Demonstration (RAD) conversion. The new partnerships assumed the existing loans owed to the Authority, including \$5,367,151 of HOPE VI debt for Phase I and \$7,430,139 of HOPE VI debt and \$1,123,199 of a local funds loan for Phase II. All loans bear interest at 4.45% and mature on June 1, 2081. The loans terms of the existing notes were renegotiated and assigned to the new entities.

The newly formed partnerships do not meet the definition of a component unit because the Authority does not appoint a voting majority of their boards, are not fiscally dependent on the Authority, and cannot impose a financial burden on the Authority.

NOTE 3 – CHANGE IN REPORTING ENTITY (Continued)

This represents a change in reporting entity under GASB Statement No. 100, *Accounting Changes and Error Corrections*. The change has been reported as a restatement of beginning net position for the discretely presented component units. The removal of the Old Partnerships resulted in an increase of \$10,767,291 to beginning net position.

Restatement of Beginning Net Position (Discretely Presented Component Units):

<u>Description</u>	<u>Amount</u>
Beginning net position, as previously reported	\$ 46,355,212
Adjustment for removal of Oakland Coiseum Housing, L.P. and Lion Way Housing Partners, L.P. (change in reporting entity)	<u>10,767,291</u>
Beginning net position, as restated	<u><u>\$ 57,122,503</u></u>

NOTE 4 – RESTRICTED ASSETS AND NET POSITION

(a) *Oakland Affordable Housing Preservation Initiatives*

In accordance with the Authority's Board of Commissioners' approval and adoption on June 25, 2018, OAHPI established reserves for operating, capital replacement, and replacement development. As of June 30, 2025, these reserves totaled \$5,815,314, \$17,444,044 and \$58,227,545, respectively. Additionally, OAHPI reports \$25,000,000 of unspent Moving to Work grant funds and \$21,800,215 in restricted cash related to its component unit, RAMP Housing, Inc as of June 30, 2025. Of these amounts, \$31,879,524 represents unearned revenue that will be recognized as eligibility requirements are met in future periods.

(b) *Net Other Postemployment Benefit (OPEB) Asset*

In previous years, OHA has made additional contributions to the California Employers' Retiree Benefit Trust Fund Program (CERBT) to prefund other postemployment benefits through CalPERS. As a result, the Authority's plan net position exceeds its total OPEB liability, creating a net OPEB asset as of June 30, 2025. This net OPEB asset, totaling \$76,401,617, is restricted in the statement of net position.

(c) *Net Pension Asset*

As of June 30, 2025, the Authority reported a restricted net pension asset of \$4,471,992 in the statement of net position.

(d) *Moving to Work (MTW) program*

The MTW program uses federal funds to support housing-related activities, in accordance with program guidelines. As of June 30, 2025, MTW has \$16,707,767 of restricted cash allocated for future capital improvement projects, maintenance of affordable housing units, and operations that directly benefit low-income tenants.

CITY OF OAKLAND, CALIFORNIA**
Notes to Basic Financial Statements (Continued)
For the Year Ended June 30, 2025

NOTE 4 – RESTRICTED ASSETS AND NET POSITION (Continued)

(e) California Affordable Housing Initiatives, Inc.

Effective October 1, 2023, the Authority assigned and transferred all of its rights and obligations related to Local Housing Support Program grant funds provided by the County of Alameda to CAHI. These allocated funds are designated to support state housing initiatives and homeless incentive programs. Additionally, on April 10, 2025, the Authority entered into a Financial Administrative Agreement with CAHI to administer Rental Assistance Subsidy Program funds. As of June 30, 2025, a total of \$50,715,111 of restricted grant funds are included in the cash balance. Additionally, CAHI has \$1,235,384 restricted for future housing program activity.

(f) Tenant Security Deposits

Upon moving into a public housing development, tenants are required to pay a security deposit, which is refundable when the tenant vacates the unit, provided that the unit's physical condition is satisfactory. At June 30, 2025, the Authority's security deposits in the amount of \$796,144 were included in the Low Rent Housing Program (\$252,197) and Other Housing Programs (\$543,947), respectively.

(g) Family Self Sufficiency (FSS) Escrow

The FSS Escrow Account is an interest-bearing account reported as part of restricted cash and cash equivalents and established by the Authority for each qualified Section 8 or public housing participant enrolled in the Section 8 Housing Choice FSS Program. The participants earn monthly escrow credits during their five-year Contract of Participation and the escrow credit is reported as a liability and is based on increases in earned income of the family. The Authority may make a portion of this escrow account available to the family during the term of the contract to enable the family to complete an interim goal such as education. If the family completes the contract and no member of the family is receiving welfare, the amount of the FSS account is paid to the head of the family. If the Authority terminates the contract, or if the family fails to complete the contract before its expiration, the family's FSS escrow account is forfeited. At June 30, 2025, FSS funds of \$1,095,806 held in the Low Rent Housing (\$146,917) and Housing Choice Vouchers (\$948,826) are included in the accompanying statement of net position.

(h) Affordability Reserves

The Regulatory and Operating Agreements related to the Authority's involvement with CLA, MGA, CHP, FFA, and VSHP require the Authority to establish Affordability Reserve Accounts (Reserves) at Wells Fargo Bank upon certain triggering events specified in each agreement for the benefit of each Limited Partnership operating the properties. Disbursements from Reserves are restricted to paying for operating subsidies related to the Authority's Assisted Housing Units in months where the Authority is unable to meet its obligation to pay the operating subsidies. As required, the Authority's Low Rent Housing program has established Reserves in the amount of \$1,822,386 as of June 30, 2025.

(i) Other Restricted Accounts

At June 30, 2024, the Authority's Police Department maintains a restricted asset forfeiture account in the amount of \$182,526 and the Authority has other miscellaneous restricted reserves in the amount of \$14,090.

NOTE 5 – CASH AND CASH EQUIVALENTS

(a) Cash and Cash Equivalents

Cash and cash equivalents are presented in the accompanying statement of net position as of June 30, 2025 (primary government) and December 31, 2024 (discrete component units), and are summarized as follows:

	Primary Government	Discrete Component Units	Total
Unrestricted cash and cash equivalents	\$ 325,410,319	\$ 5,620,517	\$ 331,030,836
Restricted cash and cash equivalents	<u>203,247,920</u>	<u>11,414,925</u>	<u>214,662,845</u>
Total cash and cash equivalents	<u>\$ 528,658,239</u>	<u>\$ 17,035,442</u>	<u>\$ 545,693,681</u>

Cash as of June 30, 2025 (primary government) and December 31, 2024 (discrete component units), consist of the following:

	Primary Government	Discrete Component Units	Total
Cash on hand	\$ 4,350	\$ -	\$ 4,350
Deposits with financial institutions	<u>528,653,889</u>	<u>17,035,442</u>	<u>545,689,331</u>
Total cash and cash equivalents	<u>\$ 528,658,239</u>	<u>\$ 17,035,442</u>	<u>\$ 545,693,681</u>

(b) Custodial Credit Risk – Deposits

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the Authority will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Authority's investment policy does not contain legal or policy requirements that would limit the exposure to custodial credit for deposits. In addition, the California Government Code requires that a financial institution secure deposits in excess of FDIC limits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The fair value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

Total interest receivable	<u>\$ 12,628,162</u>	<u>\$ 417,391</u>	<u>\$ 13,045,553</u>

Notes receivable of the primary government from the component units is \$109,110,778. The amounts of interest receivable from component units and notes payable and interest payable to the primary government in the accompanying financial statements differ due to the differences in the financial statement reporting dates (June 30, 2025, for the Authority, and December 31, 2024, for discrete component units).

(a) Low Rent Housing Notes Receivable

Terms and descriptions of the Low Rent Housing notes receivable are as follows:

Chestnut Linden - The Chestnut Linden Court Project is a HOPE VI project that was implemented in 2 phases: a homeownership phase (the Chestnut First-Time Homebuyer Development consisting of 15 units for sale up to 75% of the area median income); and a rental housing phase (Chestnut Linden, consisting of 151 units – 72 units on the Chestnut Court site (Chestnut), and 79 units on the Linden Court site (Linden)). Of the 151 units, 83 units are HUD-subsidized public housing units, 45 situated at Chestnut and 38 situated at Linden.

On February 1, 2002, the Authority entered into a HOPE VI Construction/Permanent Loan Agreement with CLA whereby the Authority agreed to loan \$9,966,461 to CLA to finance the development of Chestnut Linden. The obligation to repay the loan is covered by 2 promissory notes – a \$4,789,596 note related to Chestnut, and a \$5,176,865 note related to Linden. The notes bear no interest, unless CLA is in default as defined in the loan agreement and have terms which expire 55 years after the date of the issuance of a Certificate of Occupancy for all units in Chestnut Linden by the City of Oakland. The outstanding balances on the notes, together with any accrued interest as a result of default, are due and payable at the earliest of (i) the date of any transfer of Chestnut Linden not authorized by the Authority; (ii) the date of any default; and (iii) the expiration of the 55-year period. Both notes are secured by HOPE VI Loan Leasehold Deeds of Trust, Assignment of Rents and Security Agreements recorded on February 13, 2002, wherein CLA is the trustee and the Authority is the beneficiary covering the property. The amount outstanding on this loan was \$9,368,861 as of June 30, 2025.

(a) Low Rent Housing Notes Receivable (Continued)

Mandela Gateway - The Mandela Gateway Project is a HOPE VI project that includes the Authority owned site on which was formerly the public housing complex known as Westwood Gardens. This project consists of approximately 168 units, including 46 HUD-subsidized public housing units, together with approximately 6,778 square feet of community and retail space.

On November 18, 2002, the Authority entered into an Amended and Restated Predevelopment Loan Agreement with Bridge Housing Corporation (BHC) whereby the Authority agreed to loan \$3,280,067 to BHC to finance certain predevelopment activities associated with the original Westwood Garden site and an additional site as part of the Mandela Gateway Project. This loan was non-interest bearing, and stipulated that it would expire on December 31, 2003, unless extended by the Authority or earlier terminated as provided in the agreement. The loan agreement was superseded by an MGA Construction/Permanent Loan as further described in the following paragraph, and the outstanding balance of \$721,514 advanced under the BHC loan was transferred to the MGA loan.

On February 1, 2003, the Authority entered into a HOPE VI Construction Loan Agreement with MGA whereby the Authority agreed to loan \$3,260,000 to develop the Mandela Gateway Project sites. The loan, evidenced by a promissory note, has a simple 5% interest rate on disbursements, and a term of 55 years from the date of issuance of a Certificate of Occupancy by the City of Oakland for all units in the Development. The principal and interest outstanding on this loan was \$3,260,000 and \$3,604,596 respectively, as of June 30, 2025.

On December 1, 2020, the Authority entered into an agreement with Mandela Gateway Commercial, LLC whereby the Authority agreed to loan \$810,000 to refinance the commercial portion of the Mandela Gateway Commercial Bridge Loan Agreement. The loan, evidenced by a promissory note, has a simple 1% interest rate on disbursements, and an initial term of 3 years. Effective November 21, 2024, the loan maturity date was extended to December 1, 2026, with a six-month extension option. The principal and interest outstanding on this loan was \$810,000 and \$37,125, respectively, as of June 30, 2025.

(b) Moving To Work Notes Receivable

Terms and descriptions of the Moving to Work notes receivable are as follows:

BRIDGE Norcal LLC (AveVista) - On March 29, 2011, the Authority entered into a Predevelopment Loan Agreement with BRIDGE Norcal LLC (BRIDGE) whereby the Authority agreed to loan an amount not to exceed \$775,000 to finance predevelopment costs in connection with the Grand Avenue Development. On December 1, 2013, the Authority converted the loan from a predevelopment loan to a construction loan whereby the Authority agreed to loan an amount of \$8,326,105 to AveVista Associates, L.P. On September 1, 2016, the Board authorized the Executive Director to increase the loan amount to \$8,734,815. The loan bears simple interest at a rate of 3%. The loan is funded by the MTW and Other Housing programs in the amount of \$1,334,516 and \$7,400,300, respectively. As of June 30, 2025, the amount outstanding on the loan funded by the MTW and accrued interest were \$1,334,515 and \$309,408, respectively and the amount outstanding on the loan funded by Other Housing programs and accrued interest were \$7,400,300 and \$2,088,227, respectively.

Acts Cyrene Apartments - On November 1, 2015, the Authority entered into a Loan Agreement with Oakland International Housing Partners, LP whereby the Authority agreed to loan an amount of \$2,630,000 for construction and permanent financing for improvements of the Acts Cyrene Apartments. The loan bears no interest and has a term of the earlier of: (1) 55 years from the date of completion of the project, determined by the Certificate of Occupancy for all units, and (2) the repayment of all principal and interest outstanding under the loan. Repayments commenced on May 15 of the year following completion of construction of the improvements, and on May 15 of each year thereafter, for the term of the loan, payable from Residual Receipts as defined in the loan agreement. The Authority shall receive 50% of Residual Receipts generated by the development, which will be shared on a pro rata basis with the City of Oakland. The outstanding principal amount as of June 30, 2025, was \$2,594,095.

Empyrean Hotel Project - On November 1, 2015, the Authority entered into a Predevelopment Loan Agreement with Harrison Menlo Preservation LP whereby the Authority agreed to loan an amount of \$275,000 to rehabilitate the Empyrean Hotel to create 66 studio and one-bedroom units for low-income households. On March 29, 2018, the original Predevelopment Loan Agreement was amended, and replaced in its entirety by the Second Amended and Restated Predevelopment Loan Agreement Promissory Note, which provided a loan in the amount of \$1,410,000 and a third amendment increased the loan amount to \$4,570,000 on February 1, 2019. The loan bears no interest except in the event of default. The loan has a term of the earlier of (1) fifty-five (55) years from the date of completion or (2) the repayment of all principal and interest outstanding under the Loan. The outstanding principal amount as of June 30, 2025, was \$4,570,000.

Lake Park Avenue Project – On June 7, 2021, the Authority entered into a Predevelopment Loan Agreement with Lake Park Oakland EAH, LLC, whereby the Authority agreed to loan an amount not to exceed \$2,319,432 for predevelopment costs associated with the construction of an affordable multifamily rental project with approximately 53 units. The loan bears no interest except in the event of default. The loan has a term of the earlier of: (1) June 30, 2023, or (2) the date of construction closing. The outstanding principal amount as of June 30, 2025, was \$2,319,432.

285 12th Street Project – On October 18, 2021, the Authority entered into an Acquisition Bridge Loan Agreement with 285 12th Street, LP, whereby the Authority agreed to loan an amount not to exceed \$7,100,880 to repay the borrower's prior acquisition loan and pay for certain ongoing carrying costs of the property. The loan will accrue interest at the rate of one percent (1%) per year, compounded annually. On October 9, 2024, the Authority and borrower entered into the Second Amendment to the Acquisition Bridge Loan Agreement, which extended the term of the loan and increased the loan to an amount not to exceed \$8,023,823. The loan has a term of the earlier of: (1) October 16, 2026, or (2) the date of the construction closing. The principal and interest outstanding on this loan was \$8,028,823 and \$294,620 respectively, as of June 30, 2025.

Friendship Senior Apartments Project – On September 1, 2023, the Authority entered into a Development Loan Agreement with Friendship Senior Housing, L.P, whereby the Authority agreed to loan an amount not to exceed \$2,100,000 to partially finance the construction of an affordable multifamily rental project with approximately 50 units. The loan bears 3% simple interest. The loan has a term of 55 years from the closing of the permanent financing for the project. Payments are due each May 15 beginning in 2026 from a share of the project's residual receipts, with unpaid interest accruing. The outstanding principal and interest outstanding on this loan was \$2,050,000 and \$85,646 respectively, as of June 30, 2025.

The loan bears no interest except in the event of default. The loan has a term of 55 years from the closing of the permanent financing for the project. Payments are due each May 15 beginning in 2027 from a share of the project’s residual receipts, with unpaid interest accruing. The outstanding principal amount as of June 30, 2025, was \$9,652,999.

Foothill Family Apartments Project – On October 23, 2023, the Authority entered into a Predevelopment Loan Agreement with Oakland Housing Initiatives, Inc., whereby the Authority agreed to loan an amount not to exceed \$1,500,000 to finance predevelopment costs for a rehabilitation of the Foothill Family Apartments project, an affordable multifamily rental project with 65 units. The loan bears no interest except in the event of default. On December 20, 2024, the Authority and Oakland Housing Initiatives, Inc., executed the First Amendment to the Predevelopment Loan Agreement, which increased the loan to an amount not to exceed \$3,375,000. The term of the loan ends at the earlier of the closing of construction financing for the rehabilitation project or two years from the date of the Predevelopment Loan Agreement. The outstanding principal amount as of June 30, 2025, was \$3,375,000.

(c) HOPE VI Notes Receivable

Terms and descriptions of the HOPE VI notes receivable are as follows:

Foothill Family Apartments - On July 1, 2005, the Authority entered into a HOPE VI Permanent Loan Agreement with FFA. FFA developed and constructed a 65-unit, low-income tax credit apartment complex on the real property located at 6886 and 6982 Foothill Boulevard, 2811 and 2812 69th Avenue, and 7011 and 7015 MacArthur Boulevard in the City of Oakland. The Authority agreed to loan \$2,400,000 to FFA to assist in repayment of construction financing for the development, and to assist in the operation of the development. FFA’s obligation to repay the loan is covered by a promissory note. The note bears interest based on the applicable Federal Rate as related to long-term loans, with annual compounding and calculated in accordance with Internal Revenue Service Code Section 1274d as of the date of closing. This loan has a term that expires on the date 55 years from when the Deed of Trust is recorded against the property. Repayments commenced on April 1, 2006, and on April 1 of each year thereafter for the term of the loan, from 90% of available residual receipts as described in the loan agreement. The principal and interest outstanding on this loan was \$2,400,000 and \$2,066,873, respectively, as of June 30, 2025.

Coliseum Gardens Project (also known as Lions Creek Crossings – Phase I through V) – The Authority is the owner of land at the site of the former Coliseum Gardens Housing Development located between 66th Avenue and 70th Avenue on Lion Way, Leona Creek Drive, Hawley Street, and Snell Street in the City of Oakland. The Authority provided loans to facilitate the revitalization of the Coliseum Gardens Public Housing Development. The redevelopment of the site was completed in five phases, and the affordable housing developments on the former Coliseum Gardens site are now referred to as Lion Creek Crossings – Phases I through V.

(c) HOPE VI Notes Receivable (Continued)

On November 1, 2004, the Authority entered into a HOPE VI Construction/Permanent Loan Agreement with Oakland Coliseum Housing Partners, L.P. (OCHP) whereby the Authority agreed to loan \$5,500,000 to OCHP to finance the pre-development and construction of Lion Creek Crossings – Phase I. The obligation to repay the loan was covered by a promissory note. The outstanding balance on the Pre-Development Loan dated July 23, 2003, was considered paid off by this loan as of the execution date.

On June 1, 2024, the Authority entered into an Amended and Restated Development Loan Agreement and Amended and Restated Promissory Note for Lion Creek Crossings – Phase I. Lion Creek Crossings Phase I Housing Partners, L.P., assumed the remaining balance of \$5,367,151 on the loan to OCHP. The note bears 4.45% interest compounding annually, and it has a term of 57 years from the date of the note. Commencing on May 15, 2026, and on May 15 of each year thereafter for the term of the loan, payments to the extent of 14% of cash flows shall be made as described in the loan agreement. There may be an additional payment when the rehabilitation project converts from construction financing to permanent financing. The amount outstanding on this loan was \$5,367,151 as of June 30, 2025.

On November 1, 2005, the Authority entered into a HOPE VI Construction/Permanent Loan Agreement with Lion Way Housing Partners, L.P. (LWHP) whereby the Authority agreed to loan \$7,430,139 to LWHP to finance the pre-development and construction of Lion Creek Crossings – Phase II. The obligation to repay the loan was covered by a promissory note.

On June 1, 2024, the Authority entered into an Amended and Restated Development Loan Agreement and Amended and Restated Promissory Note for the Lion Creek Crossings – Phase II HOPE VI Loan. Lion Creek Crossings Phase II Housing Partners, L.P., assumed the remaining balance of \$7,430,139 on the HOPE VI loan to LWHP. The note bears 4.45% interest compounding annually, and it has a term of 57 years from the date of the note. Commencing on May 15 of the year following completion of construction of the improvements, and on May 15 of each year thereafter for the term of the loan, payments to the extent of 16% of cash flows shall be made as described in the loan agreement. There may be an additional payment when the rehabilitation project converts from construction financing to permanent financing. The amount outstanding on this loan was \$7,430,139 as of June 30, 2025.

On November 1, 2006, the Authority entered into a Construction Loan Agreement with Creekside Housing Partners, L.P. (CHP) whereby the Authority agreed to loan \$3,350,000 to CHP to finance the pre-development and construction of Phase III of the Coliseum Gardens Project. The obligation to repay the loan is covered by a promissory note. The note bears no interest and has a term of 55 years from the date of completion of the Project, determined by the Certificate of Occupancy for all units in the Project by the City of Oakland. Repayments commenced on May 15 of the year following completion of construction of the improvements, and on May 15 of each year thereafter, for the term of the loan, payable to the extent of 20% of cash flows as described in the loan agreement. The amount outstanding on this loan was \$3,206,901 as of June 30, 2025.

(c) *HOPE VI Notes Receivable (Continued)*

On November 1, 2010, the Authority entered into a Local Funds Construction/Permanent Loan Agreement with Village-Side Housing Partners, L.P. (VSHP) whereby the Authority agreed to loan an amount not to exceed \$6,641,066 for construction/permanent financing towards the development of the project. On April 15, 2012, the Authority agreed to increase this loan to \$7,222,630 of which the additional amount of \$581,564 will be expended for additional eligible costs and funded by Moving To Work funds. On November 1, 2010, the Authority also entered into a HOPE VI Construction/Permanent Loan Agreement with VSHP, whereby the Authority agreed to loan an amount not to exceed \$2,051,641, which represented the remaining Coliseum Gardens HOPE VI grant funds as construction/permanent financing towards the development of the LCC Phase IV project. The obligation to repay this loan is deferred, bears no interest, has a 55-year term from the date of completion of the Phase IV project and is payable from surplus cash as defined in the loan agreement. The amount outstanding on these loans was \$8,550,530 as of June 30, 2025.

On November 1, 2011, the Authority entered into a Predevelopment Loan Agreement with Lion Creek Senior Housing Partners, L.P. (LCSHP), a related entity presently under development, whereby the Authority agreed to loan an amount not to exceed \$1,848,500 to LCSHP to finance pre-development budgeted costs associated with Phase V of the Lions Creek Crossings Project. One-half of the loan represents LCSHP's share of the pre-development budget and bears interest at 4% simple interest on the outstanding balance and the remaining half represents the Authority's share of the pre-development budget and bears no interest except upon default. The obligation to repay the loan is covered by a promissory note.

During the year ended June 30, 2013, LCSHP converted the \$1,848,500 loan to a permanent construction loan along with additional construction loan in the amount of \$12,459,495. The loan bears no interest, commencing on May 15 of the year following completion of construction of the improvements and on May 15 of each year thereafter, for the term of the loan, be repaid from Residual Receipts as defined in the loan agreement. The Authority shall receive an annual priority payment of the lesser of (1) an amount equal to 0.42% of the original principal amount of the loan or (2) 25% of the residual receipts. The outstanding principal amount as of June 30, 2025, was \$6,241,210.

(d) *Other Housing Programs Notes Receivable*

Terms and descriptions of the Other Housing Programs notes receivable are as follows:

Tassafaronga Phase I - On October 1, 2008, the Authority entered into a Deferred Promissory Note with Tassafaronga Partners, L.P. (TP) whereby the Authority agreed to loan an amount not to exceed \$2,000,000 to finance the development of the infrastructure improvements associated with the construction of 137 units of affordable housing and related improvements to the Construction/Permanent Loan Agreement. The obligation to repay this loan is deferred, interest-free, and matures October 1, 2063. The amount outstanding on this loan was \$2,000,000 as of June 30, 2025. Also, on October 1, 2008, the Authority entered into a second Loan Agreement with TP whereby the Authority agreed to loan \$14,164,614 to finance the project. The obligation to repay the loan bears 0.6% interest and matures April 13, 2065. The amount of principal and interest outstanding on this loan was \$12,313,793 and \$439,927, respectively, as of June 30, 2025.

(d) Other Housing Programs Notes Receivable (Continued)

Tassafaronga Phase II - On August 1, 2009, the Authority entered into an Amended and Restated Promissory Note with TP II whereby the Authority agreed to loan an amount not to exceed \$500,000 with interest at 3% and \$1,843,368, which bears no interest, to finance the development of the TA Phase II project. The loans mature on May 20, 2065. Repayments are based on the residual receipts and shall be credited first against accrued interest, then against outstanding principal attributable to the \$500,000 component and then against the remaining outstanding principal. The principal and interest amount outstanding on the interest-bearing loan was \$500,000 and \$221,184, respectively, as of June 30, 2025. The principal outstanding for the non-interest-bearing loan was \$1,319,688 as of June 30, 2025.

Chestnut Linden Court Project - On February 1, 2002, the Authority entered into a Loan Agreement with CLA whereby the Authority agreed to loan \$1,695,000 to CLA to finance the development of the Chestnut Linden Court Project. The obligation to repay the loan is covered by two promissory notes for \$814,549 and \$880,451 dated February 1, 2002. Both notes bear no interest and have a term of 55 years after the date of the issuance of a Certificate of Occupancy for all units in the Project by the City of Oakland. Starting on July 1, 2004, and on July 1 of each year thereafter for the term of the loan, repayment shall be the available residual receipts as described in the loan agreement. Both notes are secured by Non-Federal Funds Loan Leasehold Deeds of Trust, Assignment of Rents and Security Agreements recorded on February 13, 2002, wherein CLA is the trustee and the Authority is the beneficiary covering the property. The amount outstanding on this loan was \$1,215,079 as of June 30, 2025.

On July 1, 2002, the Authority entered into a Development Loan Agreement (DLA) with EM Johnson Interest, Inc. (EMJI), whereby the Authority agreed to loan \$1,900,000 to EMJI to finance the development of the homeownership phase of the Chestnut Linden Court Project. The obligation to repay the loan is evidenced by a note. The loan bears no interest and was repaid as follows:

1. \$1,300,000 upon sale of the homes. Pursuant to the DLA and as result of the sale of the homes in August 2003, EMJI paid \$1,300,000 directly to CLA. Any payment made to CLA from proceeds of the sale of the homes under the letter of credit or any other source, shall be treated as repayment of this loan as though repaid by the EMJI to the Authority.
2. Upon sale of a home to an eligible purchaser, in compliance with Section 4.2 of the Development Loan, execution of the Homebuyer Promissory Note, and execution and recordation of the Homebuyer Deed of Trust and Resale Restriction and Option to Purchase Agreement, the Authority shall credit repayment of the Development Loan for \$40,000 and execute and arrange for the recordation of partial conveyance of the Deed of Trust and the Authority's Affordability Covenants with respect to each unit conveyed to an eligible purchaser.

To assist eligible purchasers in acquiring the homes, the Authority shall convert the total principal amounts of the loan to Authority Second Mortgage Loans. Each Authority Second Mortgage Loan made to an eligible purchaser is in the amount of \$40,000. The total amount of all Authority Second Mortgages will be equal to \$600,000. Each Authority Second Mortgage loan has a 50-year term. The Authority Second Mortgages Loans do not bear interest, except in the event of default by the homebuyer, and will be assumable by subsequent eligible homebuyers. Authority Second Mortgage Loans will be forgiven if a homebuyer stays in the home for the entire 50 years. Fifteen homes were sold, and a credit of \$600,000 was applied to the EMJI note. As a result of these transactions, EMJI's Development Loan is considered repaid.

The amount outstanding on the Authority Second Mortgage Loans with eligible homebuyers was \$600,000 as of June 30, 2025.

Mandela Gateway - On February 1, 2003, the Authority entered into a loan agreement with Mandela Gateway Associates (MGA) whereby the Authority agreed to loan \$550,000 to finance the development of the residential portion of the Mandela Gateway Development. The obligation to repay the loan was covered by a 55-year promissory note with no interest. The loan was fully paid as of June 30, 2024.

On November 20, 2003, the Authority entered into a Predevelopment Loan Agreement with Mandela Gateway Townhomes, LLC (MGT) whereby the Authority agreed to loan \$515,000 to MGT to finance the predevelopment activities associated with the construction of 14 single family townhomes. This loan was superseded by a Loan Agreement executed with MGT dated December 11, 2006, and the balance outstanding on the Predevelopment Loan was transferred to this loan. The obligation to repay this loan is covered by a non-interest-bearing promissory note dated December 11, 2006. Repayment of the loan is contingent upon the sale of the townhomes to eligible homebuyers, and the execution of the Homebuyer Promissory Notes between the homebuyer and the Authority.

During the year, there were no sales of townhomes to eligible homebuyers, and there were no Homebuyer Promissory Notes executed. The amount outstanding on this loan was \$515,000 as of June 30, 2025.

Coliseum Gardens Project (also known as Lions Creek Crossings II) - On November 1, 2005, the Authority entered into a Construction/Permanent Loan Agreement with LWHP whereby the Authority agreed to loan \$2,472,471 to LWHP to finance the construction of Phase II of the Coliseum Gardens Project.

On June 1, 2024, the Authority entered into an Amended and Restated Development Loan Agreement and Amended and Restated Promissory Note for the Lion Creek Crossings – Phase II Local Funds Loan. Lion Creek Crossings Phase II Housing Partners, L.P., assumed the remaining balance of \$1,123,199 on the Local Funds loan to LWHP. The note bears 4.45% interest compounding annually, and it has a term of 57 years from the date of the note. Commencing on May 15, 2026, and on May 15 of each year thereafter for the term of the loan, payments to the extent of 2% of cash flows shall be made as described in the loan agreement. The amount outstanding on this loan was \$1,123,199 as of June 30, 2025.

Jefferson Oaks, L.P. - On October 1, 2010, the Authority entered into an Acquisition and Development Loan Agreement with Jefferson Oaks, L.P. (Jefferson) whereby the Authority agreed to loan an amount not to exceed \$2,060,000 to finance the acquisition of the Jefferson Existing Improvements and certain costs associated with the development of the Jefferson Oaks Apartment project. The obligation bears no interest except upon default by Jefferson, for which interest will be accrued at the lesser of 10% compounded annually or the maximum rate permitted by law. The obligation has a 55-year term from the date of recordation of the Deed of Trust against Jefferson's Leasehold Estate. The amount outstanding on this loan was \$2,060,000 as of June 30, 2025.

Keller Housing Associates, LP. - On May 1, 2011, the Authority entered into an Original Loan Agreement with Keller Housing Initiative, Inc. (KHI) whereby the Authority agreed to make a loan to KHI in the amount of \$8,200,000 (Development Loan) to assist in predevelopment and construction costs associated with the rehabilitation of the Keller Plaza Project Development, as defined in the agreement. KHI assigned the Original Loan Agreement and the Development Loan, and all of KHI's right, title and obligations under the Original Loan Agreement to Keller Housing Associates, LP (KHA), a California limited partnership. The loan bears no interest except upon default by KHA, for which interest will be accrued at the lesser of 10% compounded annually or the maximum rate permitted by law. The obligation has a 55-year term from the date of recordation of the Deed of Trust against KHA's Leasehold Estate. The amount outstanding on this loan was \$6,393,636 as of June 30, 2025.

Satellite Housing, Inc. (Lakeside) - On December 15, 2009, the Authority entered into an Acquisition Conditions Agreement with Satellite Housing, Inc. (SHI) whereby the Authority agreed to provide two forms of loans to carry out certain predevelopment work and on August 23, 2011, the Authority entered into a First Amendment with SHI to increase the amount of the pre-development loans and to permit the loan proceeds to be used for predevelopment costs relating to additional real property that will be added to the Lakeside Senior Apartments project. The first loan is interest free and the Authority agreed to loan an amount not to exceed \$720,413. The second loan bears interest rate of 4% and the Authority agreed to loan an amount not to exceed \$720,413. In April 2013, the Authority amended, restated and consolidated the principal notes into one non-interest-bearing note and increased the principal balance of the original notes to \$3,443,000 contained in a promissory note. The note is due 55 years from the date of completion, which shall be determined by the date of issuance of a certificate of occupancy for all units in the development. At June 30, 2025, the principal amount outstanding was \$2,996,335.

Oak Groves Senior Housing, L.P. – On December 1, 2019, the Authority entered into four promissory notes with Oak Groves Senior Housing LP to finance the rehabilitation and construction of property located at 620 17th Street and 570 16th Street, in the City of Oakland. The first promissory note is a Seller-Carryback loan in the amount of \$34,400,000 and interest of 1.94%. There were also two interest free Construction/Permanent Loan promissory notes in the amount of \$13,000,000 and \$2,000,000 and an interest free Ground Lease Loan of \$599,901.

Commencing on May 15 of the year following completion of construction of the improvements, and on May 15 of each year thereafter for the term of the loan, is to be repaid from Residual Receipts as defined in the loan agreements. All four obligations are due 55 years from the date of completion, which shall be determined by the date of issuance of a certificate of occupancy for all units in the development. The principal and interest amount outstanding on the interest-bearing promissory note was \$34,400,000 and \$3,897,947, respectively, as of June 30, 2025. The principal outstanding for the non-interest-bearing loans were \$13,000,000, \$2,000,000 and \$599,901, respectively, as of June 30, 2025.

NOTE 10 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. There have been no significant reductions in insurance coverage from the previous year. The Authority has not settled claims in excess of the Authority's insurance coverage in any of the past three fiscal years.

NOTE 10 – RISK MANAGEMENT (Continued)

The Authority's deductibles and maximum coverage follows:

Coverage	Deductible	HARRG/ ERMA	Excess Coverage
General liability	\$ 50,000	\$ 50,000	\$ 5,000,000
Property damage	100,000	100,000	100,000,000

Employer's liability	-	350,000	5,000,000
Lead-based paint	25,000	-	500,000

Changes in the Authority's claims liability during the years ended June 30, 2025 and 2024 were as follows:

	July 1	Estimates	Payments	June 30
2025	\$ 890,000	\$ 237,684	\$ 725,684	\$ 402,000
2024	790,447	752,747	653,194	890,000

The claims liability is reported as a component of other accrued liabilities in the statement of net position.

(a) General Liability

The Authority purchased coverage for general liabilities with the Housing Authority Risk Retention Group, Inc. (HARRG) for losses incurred above the deductible limit of \$50,000 per occurrence up to \$5 million per occurrence. In addition to the general liability coverage, a separate law enforcement coverage is included, offering an excess liability limit of \$2 million per occurrence. Claims liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. The result of the process to estimate the claims liability is not an exact amount as it depends on many complex factors, such as inflation, changes in legal doctrines, newly discovered information and damage awards.

Accordingly, claims are reevaluated periodically to consider the effects of inflation, recent claims settlement trends (including frequency and amount of pay-outs), economic and social factors, newly discovered information and changes in the law.

(b) Workers' Compensation and Employer's Liability

The Bay Area Housing Authority Risk Management Agency (BAHARMA) was formed under a joint powers agreement between the Authority and the Housing Authority of the City and County of San Francisco (SFHA). BAHARMA does not provide pooling or sharing of risk between its 2 members. Its purpose is to provide administrative and risk management services to the two housing authorities' worker's compensation self-insurance funds. Effective July 1, 2010, BAHARMA maintained excess insurance coverage above the self-insured retention level of \$350,000 up to \$5 million per occurrence.

Claims are paid from contributions received from the Authority and SFHA. BAHARMA is considered to be a claims-servicing entity and each member's net position is reported as due to members in the BAHARMA's statement of net position. At June 30, 2025, the Authority is due \$19.7 million from BAHARMA, and this amount is as a component of the other noncurrent assets in the Authority's statement of net position. The Authority does not expect to receive amounts due from BAHARMA in the near future.

NOTE 11 – PENSION PLAN – DEFINED CONTRIBUTION

The International City/County Management Association (ICMA) Retirement Corporation Pension Plan is a defined contribution plan for employees hired before July 1, 1980. On July 1, 1980, the Authority's employees were given the opportunity to transfer to CalPERS and certain employees hired prior to July 1, 1980 chose to continue with the ICMA plan. As of June 30, 2025, there is one employee in this plan. For the year ended June 30, 2025, the Authority contributed 10% of annual covered salary related to this employee to the plan. Contributions in the amount of \$10,475 were made during the year June 30, 2025, and the plan had an ending investment balance of \$2,152,250 at June 30, 2025.

NOTE 12 – PENSION PLANS – DEFINED BENEFIT

(a) General Information

The Authority's Pension Plans are being administered by the California Public Employees' Retirement System (CalPERS), which is for all employees hired after July 1, 1980, and includes employees who as of July 1, 1980 elected CalPERS pension plan coverage.

NOTE 12 – PENSION PLANS – DEFINED BENEFIT (Continued)

(a) General Information (Continued)

Description of Plans – All qualified Authority employees, as defined above, are eligible to participate in the Authority's separate Safety (police) Plan, a cost sharing multiple-employer defined benefit pension plan, and Miscellaneous (all others) Plan, an agent multiple-employer defined benefit pension plan, administered by CalPERS. CalPERS acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and resolution by the Authority's Board. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Benefits Provided – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost-of-living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

	Miscellaneous		Safety

Required employee contribution rates	7.00%	7.50%	9.00%	13.00%
Required employer contribution rates	9.49%	9.49%	21.84%	12.78%

Employees Covered – At June 30, 2025, the most recent information available (as of June 30, 2024), the following employees were covered by the benefit terms for each Plan:

	Miscellaneous	Safety
Inactive employees or beneficiaries currently receiving benefits	359	13
Inactive employees entitled to but not yet receiving benefits	273	23
Active employees	282	8
Total	914	44

Contributions – Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The Authority is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

NOTE 12 – PENSION PLANS – DEFINED BENEFIT (Continued)

(a) General Information (Continued)

Effective July 1, 1994, the Authority elected to pay 100% of the employees' contributions to CalPERS or 6.92% of their annual covered salary for Miscellaneous Plan members hired prior to July 1, 2012, and members hired after July 1, 2012, agreed to pay 5% of the employees' 7.5% contribution. In addition, the Authority contributes on behalf of Safety Plan members the full contribution amount of 9% effective for the pay period beginning October 26, 2009, for Safety Plan members hired prior to July 1, 2012. Members hired after July 1, 2012, agreed to pay 4% of the employees' 11.5% contribution.

For the year ended June 30, 2025, the Authority contributed a total of \$5,866,071 and \$1,178,635 for the Miscellaneous and Safety Plans, respectively, that were reported as deferred outflows of resources in the statement of net position.

(b) Net Pension Asset

At June 30, 2025, the Authority's net pension asset is comprised of the following:

Miscellaneous Plan	\$ 3,791,273
Safety Plan	<u>680,719</u>
Total	<u><u>\$ 4,471,992</u></u>

The Authority's net pension liability for the Miscellaneous Plan is measured as the total pension liability, less the pension plan's fiduciary net position and the Safety Plan is reported as the Authority's proportionate share of the CalPERS Public Safety Risk Pool's net pension liability. The Authority's proportionate share of the net pension liability of the Safety Risk Pool was first determined at the rate plan level. The proportionate share of the Safety Risk Pool is then determined using the methodology as described below:

- 1) Total Pension Liability (TPL) – Allocated based on the employer's share of the Actuarial Liability
- 2) Fiduciary Net Position (FNP) – Allocated based on the employer's share of the Fair Value of Assets plus Additional Payments
- 3) Net Pension Liability (NPL) – After completing the above calculations, subtract the FNP from TPL to calculate the employer's NPL.

The Authority's proportion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the Safety pension plan relative to the projected contributions of all participating employers, actuarially determined. The Authority's net pension liability for each plan is measured as of June 30, 2024, using an annual actuarial valuation as of June 30, 2023, rolled forward to June 30, 2024, using standard update procedures.

(b) Net Pension Liability (Continued)

Actuarial Assumptions - The total pension liability for the Authority's Miscellaneous Plan was determined using the following actuarial assumptions:

Valuation date	June 30, 2023
Measurement date	June 30, 2024
Measurement period	July 1, 2023 to June 30, 2024
Actuarial cost method	Entry-age normal cost method
Actuarial assumptions:	
Discount rate	6.90%
Inflation	2.30%
Projected salary increases	Varies by entry age and service
Post retirement benefit increase	The lesser of contract COLA or 2.3% until Purchasing Power Protection Allowance floor on purchasing power applies, 2.30% thereafter.
Mortality	Derived using CalPERS membership data for all funds*

* The mortality table used was developed based on CalPERS' specific data. The probabilities of mortality are based on the 2021 CalPERS Experience Study for the period from 2001 to 2019. Pre-retirement and post-retirement mortality rates include generational mortality improvement using 80% of Scale MP-2020 published by the Society of Actuaries. For more details on this table, please refer to CalPERS Experience Study and Review of Actuarial Assumptions report from November 2021 that can be found on the CalPERS website under Forms and Publications.

All other actuarial assumptions used in the June 30, 2021, valuation are those recommended in the CalPERS Experience Study and Review of Actuarial Assumptions report from November 2021.

Discount Rate - The discount rate used to measure the total pension liability was 6.90% for each Plan. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each Plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans ran out of assets. Therefore, the current 6.90 percent discount rate is appropriate and the use of the municipal bond rate calculation is not deemed necessary. The long-term expected discount rate of 6.90 percent is applied to all plans in the Public Employees Retirement Fund (PERF). The stress test results are presented in a detailed report called the "GASB Crossover Testing Report" that can be obtained from the CalPERS website under the GASB Statement No. 68 section.

The long-term expected rate of return on pension plan investments was determined net of pension plan investment expenses but without reduction for pension plan administrative expenses. Administrative expenses are assumed to be 15 basis points. The discount rate of 6.90 percent used for the June 30, 2023, measurement date is without a reduction for pension plan administrative expenses.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class.

NOTE 12 – PENSION PLANS – DEFINED BENEFIT (Continued)

(b) Net Pension Liability (Continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations. Using historical returns of all funds' asset classes, expected compound (geometric) returns were calculated over the next 20 years using a building-block approach. The expected rate of return was then adjusted to account for assumed administrative expenses of 10 Basis points.

The table below reflects the long-term expected real rate of return by asset class. The target allocation for the June 30, 2024 measurement date was as follows:

Asset Class	Assumed Asset Allocation	Real Return ^{(a),(b)}
Global Equity - cap-weighted	30.0%	4.54%
Global Equity - non-cap-weighted	12.0%	3.84%
Private Equity	13.00	7.28%
Treasury	5.0%	0.27%
Mortgage-backed securities	5.0%	0.50%
Investment grade corporates	10.0%	1.56%
High yield	5.0%	2.27%
Emerging market debt	5.0%	2.48%
Private debt	5.0%	3.57%
Real assets	15.0%	3.21%
Leverage	-5.0%	-0.59%
Total	<u><u>100%</u></u>

NOTE 13 – OTHER POSTEMPLOYMENT BENEFITS

Plan Description - The Authority provides certain medical benefits for its retired employees, their dependents, and surviving spouses through the CalPERS medical benefit program. To be eligible, employees must have retired under the CalPERS retirement plan. Employees who retire from the Authority at age 50 or older with 5 or more years of service are eligible for lifetime postemployment healthcare benefits. Benefits are provided to retirees, spouses and surviving spouses. For employees hired prior to January 1, 2017, the Authority contributes up to 100% of the lowest cost family plan available (referred to herein as the “cap”). After a retiree reaches Medicare age, the cap is based on post-Medicare premium rates. Employees hired on or after January 1, 2017, must have at least 10 years of service at retirement in order to receive any employer paid benefits and subject to the retiree medical vesting schedule and cap pursuant to government code Section 22893. Starting at 10 years of service, the employer pays 50% of capped premium costs. The percentage of paid capped premium costs increases 5% for each year of service to a maximum of 100% paid at 20 or more completed years of service prior to retirement.

In 2011, the Authority entered into an agreement with CalPERS whereby the Authority participates in the California Employers’ Retiree Benefit Trust Fund Program (CERBT), an agent-multiple employer postemployment health plan, to prefund other postemployment benefits through CalPERS. The financial statements for CERBT may be obtained by writing to the California Public Employees’ Retirement System, Constituent Relations Office, CERBT (OPEB), P.O. Box 242709, Sacramento, California 94229-2709 or by calling 888-225-7377.

Funding Policy – In addition to amounts deposited with CERBT to prefund other postemployment benefits, the Authority is currently funding the OPEB plan on a pay-as-you-go basis. The Authority funded the pay-as-you go portion in the amount of \$2,664,360, which includes \$345,656 of implicit subsidy, during the year ended June 30, 2025.

As of June 30, 2024, the fair value of the Authority’s investments in the CERBT was approximately \$138,658,634. This balance is net of all plan activity during fiscal year 2025, including annual investment earnings of \$15,244,366.

Employees Covered

The table below summarizes the participant data for active and retired employees and covered dependents of retirees based on the most recent actuarial valuation, which is as of June 30, 2023.

Active employees eligible for future benefits	280
Retired employees currently receiving benefits	222

Net OPEB Liability (Asset)

The Authority's net OPEB liability/(asset) was measured as of June 30, 2024, and the total OPEB liability/(asset) was determined by an actuarial valuation dated June 30, 2023, using the following actuarial methods and assumptions:

Description	Method and Assumptions
Actuarial Cost Method	Entry Age Actuarial Cost Method
Amortization Method/Period	Closed 20 Year Period
Discount Rate	6.75%
Inflation	2.50%
Projected Payroll Growth	2.75%
Investment Rate of Return	6.75%
Healthcare Cost Trend Rates	4.00%
Mortality	Police: 2021 CalPERS Mortality for Safety Employees.
	Miscellaneous: 2021 CalPERS Mortality for Miscellaneous and Schools Employees.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to continual revision as actual results are compared to past experiences and new estimates are made about the future. Actuarial calculations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation and on the pattern of sharing cost between the Authority and plan members through June 30, 2023. Additionally, actuarial calculations reflect a long-term perspective and include methods and assumptions that are designed to reduce short-term volatility of actuarial accrued liabilities and the actuarial value of assets. The Authority has relied on the work of the Authority's actuary to determine the Authority's net OPEB liability/(asset), and considers the underlying assumptions used by the actuary to be reasonable.

Long-Term Expected Rate of Return

The valuation uses a discount rate of 6.75% per year, net of investment expenses and including inflation. This is an arithmetic long-term expected rate of return assumption on plan assets. This rate is based on the general inflation rate and expected real rate of return required for CalPERS reporting for use by employers who elect certain investment strategies as participants in CERBT. The target allocation and best estimates for long-term expected real rates of return for each major asset class, as of the June 30, 2024, measurement date, are summarized in the following table using CERBT Strategy 1 investment policy.

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
All Equities	59.0%	7.55%
All Fixed Income	25.0%	4.25%
Real Estate Investment Trusts	8.0%	7.25%
All Commodities	3.0%	7.55%
Treasury Inflation Protected Securities	5.0%	3.00%

The required schedule of changes in the net OPEB liability (asset) and related ratios immediately following the notes to the financial statements presents the beginning and ending balances of the total OPEB liability (asset), the plan fiduciary net position available for OPEB benefits, and the net OPEB liability (asset), as well as the itemized changes in those amounts during the fiscal year. The schedule also reports a ratio of plan fiduciary net position as a percentage of the total OPEB liability (asset), the payroll amount for current employees in the plan (covered employee payroll), and a ratio of the net OPEB liability (asset) as a percentage of the covered employee payroll. Five years of information is presented and will build to 10 years of information on a prospective basis.

The required schedule of employer contributions immediately following the notes to the financial statements presents the actuarially determined contribution to the OPEB Plan, the actual contributions, the difference between the actual and actuarially determined contributions, and a ratio of actual contributions as a percentage of covered employee payroll.

Sensitivity of the Net OPEB Liability (Asset) Due to Changes in the Discount Rate – The following table represents the net OPEB liability (asset), calculated using the current discount rate of 6.75%, as well as what it would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

CITY OF OAKLAND, CALIFORNIA**
Notes to Basic Financial Statements (Continued)
For the Year Ended June 30, 2025

NOTE 14 – COMMITMENTS AND CONTINGENT LIABILITIES

Low Income Tax Credits – The Authority's low-income tax credit partnerships are contingent on its ability to maintain compliance with applicable sections of Section 42 of the Internal Revenue Code. Failure to maintain compliance with occupant eligibility, and/or unit gross rent, or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest.

Concentrations - For the year ended June 30, 2025, approximately 94.3% of operating revenues and 8.6% of accounts receivables reflected in the financial statements are from HUD. The Authority operates in a heavily regulated environment. The operations of the Authority are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related costs and the additional administrative burden to comply with the changes.

General Partner Operating Deficit Guarantees - In relation to the performance of the tax credit partnerships for which the Authority is the general partner, the Authority has agreed to provide certain levels of funding in the event of partnership operating deficits that exceed operating reserves (see Note 15). As of June 30, 2025, no additional liability existed relating to excess operating deficits for any of the partnerships based on the Authority's analysis.

Conduit Debt – From time to time, the Authority has issued Multi-family Housing Revenue Bonds to provide funds to developers for the construction of multi-family housing projects. The bonds are payable solely from the revenues collected by the developers of the projects. The Authority is not obligated in any manner for repayment of the indebtedness. Accordingly, the liabilities are not reported in the Authority's basic financial statements.

In addition to conduit debt issued for entities not related to the Authority, the Authority has also issued other conduit debt for related entities (see Note 15 and 16).

NOTE 15 – RELATED PARTY TRANSACTIONS

(a) Chestnut Linden Associates (CLA)

Ground Lease - CLA's lease of the land from the Authority on which Chestnut Court Apartments is built resulted in a one-time lease cost paid to the Authority of \$1 upon the closing of one or more CLA construction loans, and the term of the lease will expire in February 2082. In December 2018, OHA Development LLC, exercised a buyout option to become the limited partner of the Chestnut Linden Court Project.

(b) Mandela Gateway Associates (MGA)

Ground Lease - MGA's lease of the land from the Authority on which the Mandela Gateway Project is built resulted in an annual lease cost of \$1 to be paid to the Authority over the life of the lease, which expires in February 2078. MGA has provided an option to acquire the Mandela Gateway Project to the Authority during the period from January 1, 2015, to June 30, 2020. The option price is the greater of the Project's fair value, or the assumption of all outstanding debt and taxes. OHA Development LLC, a Class B Special Limited Partner, controlled by the Authority, acquired the ownership interest in the Project.

Any accrued residual receipts rent payments are due no later than 55 years from the year in which the rent payment accrued.

**(d) *Lion Creek Crossings Phase II Housing
Partners, L.P.***

Ground Lease - The term of the lease is 75 years from its Commencement Date, which was July 1, 2024. An annual fixed rent payment of \$10,000 is due on December 31 of each year. Commencing on May 15, 2026, and each May 15 thereafter, additional rent payments of up to \$70,000 are payable from a share of the partnership's residual receipts, with unpaid residual receipts rent amounts accruing.

(e) *Creekside Housing Partners, L.P. (CHP)*

Ground Lease - CHP's lease of the land from the Authority on which Lion Creek Crossings – Phase III is built resulted in lease payments to be paid to the Authority in installments. Total payments of \$1,145,200 by CHP were paid as of December 31, 2009, and the term of the lease is for 89 years.

(f) *Foothill Family Apartments, L.P. (FFA)*

Ground Lease - FFA's lease of the land from the Authority on which the Foothill Family Apartments is built resulted in annual rent payments to be paid to the Authority of \$7,972 commencing on April 1, 2006. The annual lease payments are to be made from, and to the extent of, 90 percent of residual receipts, which amount shall not accrue. Unless sooner terminated pursuant to the provisions of the lease agreement, the lease shall continue in full and expire in July 2065. For the year ended June 30, 2025, the Authority recognized lease income of \$7,972.

(g) *Tassafaronga Partners, L.P. (TP)*

Operating Deficit Guarantee - The Authority has agreed to guarantee obligations of Tassafaronga Housing Corporation (THC), an affiliated entity, who is the general partner in Tassafaronga Partners, L.P. (TP), an affordable housing limited partnership. These obligations may include operating deficits and development and low-income housing tax credit guarantees. Under TP's amended and restated limited partnership agreement dated October 23, 2008, THC is obligated to provide any funds needed by TP, after all funds in the Operating Reserve Account have been used, to fund Operating Deficits up to \$1,446,921 during the Operating Deficit Guaranty Period, as defined in the agreement. As of June 30, 2025, there have been no operating deficit loans made to TP.

(g) *Tassafaronga Partners, L.P. (TP) (Continued)*

Conduit Debt - From time to time, the Authority has issued Multi-family Housing Revenue Bonds to provide funds to developers for the construction of multi-family housing projects. The bonds are payable solely from the revenues collected by the developers of the projects. The Authority is not obligated in any manner for repayment of the indebtedness. Accordingly, the liabilities are not reported in the primary government's basic financial statements.

On February 11, 2011, the conduit debt on \$31,305,000 of Multi-family Housing Revenue Bonds Series 2008A and 2008B were paid off and TP received permanent financing with two tranches. One (Series A) is in the amount of \$3,910,000, bears interest at 5.65%, matures May 1, 2046, and is payable in monthly installments of \$21,383 until maturity and the other (Series B) is in the amount of \$5,580,000, bears interest at 5.45% and matures on May 1, 2026, and is payable in monthly installments of \$46,993, until maturity. These bonds have a principal balance of \$3,320,000 as of December 31, 2025, as summarized in Note 16.

(h) *Tassafaronga Partners II, L.P. (TP II)*

Operating Deficit Guarantee - The Authority has agreed to guarantee obligations of THC, who is the general partner in Tassafaronga Partners II, L.P. (TP II), an affordable housing limited partnership. These obligations may include operating deficits, development and low-income housing tax credit guarantees. Under TP II's amended and restated limited partnership agreement dated August 20, 2009, THC is obligated to provide any funds needed by the TP II, after all funds in the Operating Reserve Account have been used, to fund Operating Deficits up to \$121,900. As of June 30, 2025, there have been no operating deficit loans made to TP II.

(i) *Village-Side Housing Partners, L.P. (VSHP)*

Ground Lease - On November 1, 2010, VSHP entered into a ground lease agreement with the Authority to lease the land upon the 72-unit project is located. The lease term is for a period of 89 years. Upon expiration of the lease, the buildings and improvements become the property of the Authority. The ground lease consists of required payments totaling \$1,950,000, which was fully paid as of December 31, 2013. As of December 31, 2024, accumulated amortization was \$306,740.

Operating Assistance - VSHP operates and maintains all of the 72-units in the project, other than a manager's unit, as qualified low-income tax credit units. Of these qualified low-income units, 21 have been set aside as "ACC units", whose rents are restricted and may be less than the operating costs of the project units. The Authority has agreed to subsidize the operation of these units through the provisions of operating assistance provided to it by HUD subject to annual appropriations.

**NOTE 16 – SUMMARIZED FINANCIAL INFORMATION OF DISCRETELY PRESENTED
COMPONENT UNITS (Continued)**

Custodial Credit Risk – Deposits - The Authority's discrete component units maintain cash and cash equivalents with various financial institutions. At times, these balances may exceed federal insurance limits; however, the discrete component units have not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these balances which are reported as of December 31, 2024.

Restricted Cash and Cash Equivalents - The Authority's discrete component units are required to maintain the following types of restricted cash and cash equivalents:

- **Replacement Reserves** – The partnerships are required to maintain reserves for replacement and repair of property and equipment in accordance with the partnership agreements and the lenders' regulatory agreements.
- **Operating Reserves** – The partnerships are required to maintain operating reserves in accordance with the partnership agreements and the lenders' regulatory agreements.
- **Affordability Reserves** – The partnerships under various agreements are required to establish an affordability reserve to be used as provided in the Authority's regulatory agreements for the benefit of the project units.
- **Priority Distribution Reserves** – The partnerships are required to establish a reserve from designated proceeds as defined in the partnership agreements. Funds shall be used to distribute to the investor limited partner upon sale by the investor limited partner of its interest, the withdrawal of investor limited partner or the dissolution of the partnership.
- **Security Reserves** – The partnerships are required to establish a reserve from designated proceeds as defined in the partnership agreements. Funds shall be used to provide for security services during the lease up period.
- **Asset Management Fee Reserves** – The partnerships are required to establish a reserve from designated proceeds as defined in the partnership agreements. Funds shall be released annually to pay the cumulative asset management fee to the investor limited partner. Any funds remaining after the end of the compliance period shall be distributed as cash flow at the time of withdrawal of the investor limited partner or dissolution of the partnerships.
- **Section 8 Reserves** – The partnerships are required to establish a Section 8 Reserve to secure a HAP Contract. Funds shall be available to cover operating shortfalls in the event Section 8 funds to the project are reduced or eliminated, subject to the consent of the limited partner, and any requisite approvals.
- **Debt Service Reserves** – The partnership received funds from the loan servicer for the next scheduled monthly debt service payment, which are held by the trustee until the due date.
- **Revenue Deficit Reserves** – The partnership is required to establish a revenue deficit reserve to fund the operating deficits in case the HUD rental assistance contract is not renewed or is reduced.
- **Escrow Deposits** – The partnerships hold escrow deposits for monthly impound deposits.
- **Tenant Security Deposits** – The partnerships are required to hold security deposits in separate bank accounts in the name of the housing project.

FEDERAL COMPLIANCE SECTION

**Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Members of the Board of Commissioners of the
Housing Authority of the City of Oakland, California
Oakland, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Oakland, California (Authority), as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated December 29, 2025. Our report includes a reference to other auditors who audited the financial statements of the Authority's discretely presented component units as described in our report on the Authority's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors. The financial statements of the Chestnut Linden Associates, Foothill Family Apartments, L.P., Lion Creek Senior Housing Partners, L.P., AveVista Associates, L.P., and Oak Groves Senior Housing, L.P. discretely presented component units, were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with these discretely presented component units. Our report includes an emphasis of matter paragraph for the Authority's adoption of Governmental Accounting Standards Board Statement No. 101, *Compensated Absences*, and a restatement due to a change in entity.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any

deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for the
Major Federal Program and Report on Internal Control Over
Compliance Required by the Uniform Guidance**

Members of the Board of Commissioners of the
Housing Authority of the City of Oakland, California
Oakland, California

Report on Compliance for Each Major Federal Program

Opinion on the Major Federal Program

We have audited the Housing Authority of the City of Oakland, California's (Authority) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal program for the year ended June 30, 2025. The Authority's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Other Matter – Federal Expenditures Not Included in the Compliance Audit

The Authority's basic financial statements include the operations of the California Affordable Housing Initiatives, Inc. (CAHI), a blended component unit, which expended \$920,950,867 in federal awards which is not included in the Authority's schedule of expenditures of federal awards during the year ended June 30, 2024. Our compliance audit, described below, does not include the operations of CAHI because we separately audited and reported on CAHI in accordance with the Uniform Guidance.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with

a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**HOUSING AUTHORITY OF THE
CITY OF OAKLAND, CALIFORNIA**
Notes to the Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2025

NOTE 1 – GENERAL

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the Housing Authority of the City of Oakland, California (the Authority), except for expenditures reported for the California Affordable Housing Initiatives, Inc. (CAHI), a blended component unit. The Authority's reporting entity is defined in Note 1 of the Authority's basic financial statements. Federal awards received directly from federal agencies are included in the Schedule. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position or cash flows of the Authority.

As a result of the COVID-19 pandemic, many new federal programs were established and funding added to existing federal programs. Expenditures funded by any of the following acts are denoted in the Schedule by the prefix COVID-19 in the federal program title.

- Coronavirus Preparedness and Response Supplemental Appropriations Act
- Families First Coronavirus Response Act
- Coronavirus Aid, Relief, and Economic Security Act (CARES Act)
- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)
- American Rescue Plan Act (ARP)

NOTE 2 – BASIS OF ACCOUNTING

Amounts reported in the Schedule represent expenditures incurred for the Authority's federal award programs, except for the Moving To Work Demonstration (MTW) Program (ALN 14.881), and are reported on the accrual basis of accounting and include capitalized expenditures. Such expenditures are recognized following the cost principles contained in 2 CFR 200, Subpart E (Cost Principles), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Given the flexibility of the MTW Program, the housing assistance payment revenue earned from the U.S. Department of Housing and Urban Development (HUD) provides a better reflection of how HUD has funded the program and such amounts are reported as the Authority's MTW Program expenditures. The Authority did not elect to use the 10% de minimis cost rate as covered in §200.414 Indirect (F&A) costs.

NOTE 3 – ASSISTANCE LISTING NUMBER (ALN)

The ALNs included in the accompanying Schedule were determined based on the program name, review of grant contract information, and the General Services Administration's [SAM.gov](https://www.sam.gov) website.

NOTE 4 - RELATIONSHIP TO BASIC FINANCIAL STATEMENTS

The Schedule agrees to or can be reconciled with the amounts reported in the Authority's basic financial statements.
